

FUTURE OF DATA HACKATHON

The Future of Data Hackathon is a one-day hackathon for students and professionals happening on **September 6, 2025 at the [1819 Innovation Hub](#) from 8AM-8PM**. Hosted by Disruption Now and Cincy AI, this hackathon is focused on helping Cincinnati non-profits solve their most pressing technology problems. Hackers will be in teams of 4 people. If you cannot find a team, you can sign up as an individual and we'll place you on a team.

There will be two themes to this hackathon: AI for Impact and Data Analytics for Strategy. Additionally, there will be two competition tracks. The first competition track will be for beginner hackers and the second will be for experienced hackers. The beginner track will have mentors available to support projects.

	Beginner Track	Experienced Track
Data Analytics for Strategy	Wood Hudson Cancer Research Laboratory	N/A
AI For Impact	N/A	YMCA of Greater Cincinnati

No travel or housing stipends will be provided, but we encourage out-of-state hackers to attend.
