The screenshot shows the Edmentum Sensei for Families interface. At the top, there is a navigation bar with the Sensei logo, a Help Center icon, and a Sign Out button. The main content area is divided into two columns. The left column contains a 'My Students' section with a 'Student, Demo' button and a note about grades. The right column displays the 'Demo Student' profile, including login information and a list of courses. The 'Shared Reports' tab is selected, showing progress for 'Physics A - Mrs. Walker' and 'Math 7A - Mr. Clifton'. A 'Learner Progress Report' link is highlighted in the Physics A section. The footer contains links for Help, About Us, Terms of Use, Privacy Policy, and California Privacy Rights, along with a copyright notice for Edmentum, Inc.

5. You can click on “Learner Progress Report” to view a more detailed overview of student progress and scores.
6. Every Monday at 10 am, a new weekly progress report will be generated and a notification of the report will be sent to your email. The report can be viewed by clicking on “Shared Reports”. More information about these reports can be found [here](#). (Note: You can opt-out of receiving the notification email by clicking “unsubscribe” at the bottom of the email. By opting-out of email notifications, you will no longer receive emails from Edmentum, but the weekly progress reports can still be accessed under “shared reports” in Family Sensei.)
