Soul Design Assessment & Life-Work Analysis

Why Have a Soul Design Assessment & Analysis?

- **Embrace Your Soul Design:** Gain a deeper understanding of who you inherently are to feel more secure and stable in your life and work
- **Better decision making:** Uncover the best way for you to make decisions in your personal and professional life
- **Harness Your Strengths & Soul Gifts:** Discover how you can use your soul gifts and strengths to make more money, be more in alignment with your soul's calling and more easily manifest in the world
- **Navigate Challenges:** Know the best strategies for you to navigate the ups and downs of life and work
- **Professional Growth:** Discover who your ideal clients are, why they are attracted to you, how to best manage projects, create work-life balance and stay true to yourself increases financial abundance and opens business-building opportunities
- **Deeper Relationships with Less Conflict:** Understand the differences between your way of navigating life and your loved ones, co-workers or family creates more harmonious relationships
- **Increase Confidence & Clarity:** Connect to your soul purpose to validate why you are here to enable you to trust yourself more fully
- **Eliminate Doubt:** Identify the patterns among several different soul assessment systems that all point to the same information and insight – you are perfectly designed to be who you are
- **Practical Implementation Plan:** Walk away with specific steps to incorporate all your learn about yourself into your life and work

Overall Benefits:

- Receive a comprehensive multi-system assessment that validates who you are, your strengths and challenges and your soul purpose

Meghan Gilroy

- Gain clear direction for your life purpose, soul calling and work
- Know how to incorporate your soul design into your work or business with specific niche, marketing, and project management & schedule strategies
- Uncover how to overcome life and work challenges by harnessing your strengths and gifts
- Ability to revisit your insights anytime
- Feel empowered and inspired, fostering a deeper connection to your true self and the life and work that's unique and true for you

Benefits from each system:

You will need to provide your birth date, birth time and location where you were born.

Human Design

- Your best strategy for navigating life & work – and how you may have adopted ways of being that go against your soul design
- How to best manage your energy
  What the best roles are for your natural gifts
- How you best make decisions
- How to be understanding and compatible in relationships

If you do not have your birth time, I would recommend getting a professional Human Design reading before booking this assessment.

Natural Design

- Whether you work best solo, individually, in groups, at a global scale and/or as entrepreneur

- What your specific archetypal feminine (intuitive) characteristics are versus your specific masculine (focused) characteristics are – and why you may be overly relying on the masculine
- What niche and ideal client matches your soul purpose
- How others will perceive you, your life path and what your childhood challenges are

N. Node/S. Node

- *S. Node:* What traits & experiences you've brought into this life
- Why you keep repeating comfortable patterns that no longer serve you
- *N. Node:* What life lessons & qualities you are here to master
- Why it feels challenging to embrace new habits & qualities
- Where to put your attention to bring more flow and ease to your life purpose

Astrology

- Who will be attracted to you based on your strengths & lessons learned for your astrological sign
- How to best market yourself
- What business model matches your astrological sign

Enneagram

- What your core motivations are
- What your core childhood messages & wounds are
- The path forward for your greatest healing
- Differences between you and your partner, children, parents or loved ones

If you do not know your Enneagram type, I have a simple free assessment – and I would recommend you taking an online assessment (options $20, $60, $120 depending on how accurate and comprehensive you want.)

Meghan Gilroy
