■ Today's Learnings: Wisdom or lessons learned from the day

There are three types of men:

- -Tier one: when things get hard they run away like little cowards, don't be like them.
- -Tier two: when things get hard they don't run away but they continue to mindlessly work, they have more probability to become successful but they most likely won't be consistent with their work.
- -Tier three: when things get hard they don't run away and they are consistent with their work, they keep the habit.

Hardships make them stronger and they get fuelled up by them. They OODA loop and extrapolate useful lessons both from the positive and negative situations. BE A TIER THREE MALE.
