 FAQ

Achievement unlocking:

Each achievement requires it's own content, so no multiple unlocks with one submission.
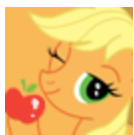

Repeatable achievements:

Repeatable achievements can be repeated a number of times indicated by the number in the repeatable entry.

Stacking achievements:

Example achievement: **Points: 25 (stacking 1000 words, max 150 points)**

Points: 25 indicates the points awarded when the "**(stacking 1000 words,**" criteria is met, in this case every 1000 words you type awards you with 25 points to a maximum of 150 points. Note that this achievement is not repeatable and only awards a maximum of 150 points. You may submit multiple entries to reach the 150 point limit.
