

Basic Ultrasound Rotation Checklist

Please complete this form and email to tfong3@jhmi.edu or drop off in Dr. Fong's mailbox (in the JHED copy room) at the end of your rotation.

Resident Name: _____ Dates of Rotation: _____

☐ **I have performed** _____ (*goal: 100*) technically adequate, correctly interpreted ultrasound studies over the 2-week block. Each study was either supervised by a credentialed faculty or has a confirmatory radiologic study, and has a completed report in Qpath.

☐ **I have read the following chapters** in *Manual of Emergency and Critical Care Ultrasound* (or alternatively the *Introduction to Bedside Ultrasound iBook*):

___ Ch 1: Fundamentals

___ Ch 6: Renal and Bladder

___ Ch 2: FAST

___ Ch 7: Gallbladder

___ Ch 3: Cardiac

___ Ch 9: Respiratory

___ Ch 5: Aorta

___ Ch 15: Vascular access

☐ **I have completed the following SAEM-AEUS online POCUS quizzes** with a score of >80% (please list scores below). Submit score reports together with this checklist at rotation end.

___ AAA

___ Thoracic

___ Biliary

___ Trauma

___ Cardiovascular

___ Urinary Tract

___ Physics

☐ Based on my experience during the Basic Ultrasound Rotation, I have the following goals for the Advanced Ultrasound Rotation next year

Please provide any positive or constructive feedback about the rotation on the back of this form.
THANKS FOR YOUR HARD WORK!
