

Tired of trying to figure things out all by yourself? Guided Study Sessions can help!

- **WHAT IS IT?** FREE, informal collaborative review sessions led by peers who successfully completed the course.
- **WHAT WILL YOU DO?** In GSS you will compare notes, discuss important concepts, work on practice problems, develop study strategies, and test yourself before the professor does.
- **WHY DOES IT MATTER?** Our data suggests that students who attend GSS more frequently earn higher course grades.
