DENVER GREEN SCHOOL SOUTHEAST

Family & School Compact

At Denver Green School Southeast, we understand the importance of alignment within the school community as we prepare students to compete, achieve, and lead in college, career, and life. This mission is best achieved when scholars, families, and school staff are all actively involved in education and working together to meet the school's cultural and curricular expectations. We share the responsibility of promoting student learning, and as educational partners, we value each person's contribution to our school community.

The following compact outlines the expectations that support student learning and will be signed each year by the parent/guardian, scholar, and teacher.

Parents & Guardians

I/We agree to:

- Read with my scholar for at least 20 minutes every night.
- Support a demanding academic program, our shared values, and the extended school day and year.
- Ensure my scholar arrives at school on time, in uniform, every day, and is only absent in the case of illness.
- Monitor my scholar's schoolwork, homework, grades, and behavior reports regularly.
- Communicate regularly with teachers and staff and attend required parent events, including conferences.
- Actively engage in support if my scholar receives multiple violations, which may include daily communications, weekly meetings, and/or a Saturday meeting.
- If necessary, engage in thoughtful discussion with administrators about remedial support and/or retention.

Scholars

I agree to:

- Do my best to succeed at school, at school events, and on the bus.
- Commit myself to Perseverance, Excellence, Adventure, and Kindness all day, every day, and seek help when I need it.
- Arrive at school on time, every day, and prepared to learn.
- Complete my homework and read every night, and bring my homework folder to school every day.

Teachers & Staff

We agree to:

- Deliver rigorous, engaging instruction and cultivate a classroom culture rooted in our shared values every day.
- Assess scholars regularly and fairly.
- Enforce all rules and policies consistently and fairly.
- Communicate with parents openly, honestly, and frequently, offering both positive and constructive feedback.
- Maintain the highest standards of academic performance and conduct.
