Thirty-eight years old, Ph.D. student in the Department of General History at the University of Haifa. Engaged in research, academic guidance, and supervision, making the anthropological perspective accessible, and developing critical thinking. A man of travel and adventure. Published author, writer, and creator. Recently returned from an ethnographic trip to Tepetlaostock, Mexico. Serves as a teaching and research assistant, lecturer (in academic and non-academic settings). Guides writing and photography workshops in an ethnographic spirit, accompanies training teams and expeditions abroad. Director of community-social projects: the social publishing house 'Cruso' and the 'Cultural Experience' project. Current research examines the role of 'journeys' in Nahua cultural memory in the Central Valley of Mexico during the Late Postclassic period.
