

Middle/High Chromebook Sign In

Sign into Chromebook:

1. Power on the Chromebook
2. Click **Add person**.

3. Type in your **LPSS email address**. If "@lpssonline.com" is already visible, you don't have to type it.

A screenshot of the Chromebook sign-in screen. At the top is the Google logo. Below it is the text "Sign in to your Chromebook" and "Managed by lpssonline.com. Learn more". There is a large text input field with the placeholder "Enter your email". The text "@lpssonline.com" is already entered in the field. Below the input field is a link that says "Forgot email?". To the right of the input field is a blue button labeled "Next". At the bottom left is a button labeled "< Back".

- 4.
5. Click **Next**.
6. Type in your **password**.
7. Click **Next**.

Removing Your Account from a Chromebook

You may need to remove your account and re-add it if you are having issues.

1. If you are signed in, click the red **Sign Out** button. This will bring you back to the sign-in screen.
2. From the sign-in screen, click the tiny arrow on the right of your name.

3. Click **Remove this user/account**.
4. Click **Remove this user/account** (in red).
 - a. If you don't see this, your screen may be zoomed in. Press ctrl and the - (minus sign) to zoom out.

After your account has been removed, re-add your account (Add Person).
