

Mr. Cabrera's Fire Drill

What is a fire drill in the virtual world?

A virtual fire drill is when one of the school wide systems has some sort of error or outage. AND/OR Your internet and/or computer is not working.

What to do in case the Online School is not working.

Things to do:

*** Let your teachers know as soon as possible**

- If your Internet is working, email your teachers to explain the technology problems you are experiencing.**
- If your Internet is down please try to call your teachers to let them know.**

1. Work on your portfolio that you saved a copy of during the first week.

2. Go through and research on O*NET for careers of interest : <https://www.onetonline.org/>

3. Check out Career Explorations Jeopardy:
