TreeRing

Here Comes Another Password!

No safe-cracking skills needed. Just follow the instructions in the email we sent to **maren.mcpeak@gmail.com** to reset your password.

Go check your email for new password. It should look like next screenshot.

If you didn't receive an email, then we don't have the email address you are attempting to use associated with your student. Please send email to maren@stmarkslutheran.com indicating your child's full name, grade, your full name, and your email address. Within a day, you should receive an email inviting you to login to treering using the email address you indicated.

Password reset email looks like this. Go back to treering.com and login with this password.

Your Temporary Password

Hey Maren,

We saw you requested a temporary password, so we went ahead and generated one for you.

Here it is: **AHYZYSaV**

Remember: A "temporary password" is just that. You'll need to come up with a new, permanent password when you log in.
