

Our **Onehunga Primary Learn-a-thon** fundraiser **launched last week** with tamariki choosing their Learn-a-thon focus for the 10 weeks. Head over to our website for detailed information.

<https://sites.google.com/onehungaprimarieschool.nz/ops-website/activating-our-ops-field/2026-learn-a-thon>

This week we launch the fundraising part.

The Onehunga Primary 10-week Learn-a-thon fundraising campaign is now live in partnership with Go Raise It. Online sponsorship replaces cash and door-knocking, making it safe and easy to collect donations worldwide with chances to win spot prizes.

While we encourage all tamariki to fundraise, it's ok to just do the 'learning' part of the Learn-a-thon.

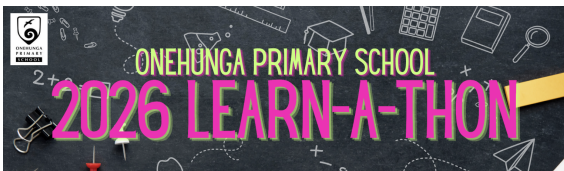

How to get started:

- **Sign up:** Visit onehungaprimarieschool2026.raiseit.co.nz or scan the QR code and click **SETUP A FUNDRAISING PAGE** to create your child's profile.
- **Multiple children:** Add additional children under one email address inside your initial account.
- **Cash option:** Online accounts are strongly preferred for security and lower admin costs, but contact the school office if you need to donate cash instead.
- **Learn-a-thon details:** Check the [Learn-a-thon info page](#).
- **Support:** Email help@raiseitfundraising.com.
