

ADVISOR - CANADIAN CHARITY LAW

overview

[Recrear](#) is a community interested in social transformation from a place of emotional grounding, creativity, co-creation and care. We are registered as a charity in Canada and we presently operate as a network of researchers, artists, entrepreneurs, and activists from all over the world. We achieve our mission by bringing together people to connect, recharge, co-create knowledge and manifest new realities within ourselves, our communities, and humanity.

The meaning of Recrear is to re-create, regenerate, renovate, transform. It is the opposite of being static and stuck. We are looking at the future paying attention to what needs to emerge organically within us, our communities and the societies we are part of.

We are looking for an advisor that can support our community in a moment of growth. In particular, we would appreciate support navigating the Canadian charity law including supporting us with contracting consultants/staff members and fulfilling legal requirements to maintain our charity status (e.g. charity governance and financial regulations). If you are familiar with the Canadian legal system and interested in our work and community, please do reach out.

Our Vision

We envision a world in which we can each feel, understand, care for and transform ourselves and our communities in connection with others and our nature.

Our Mission

We bring together people with a social itch to connect, recharge, co-create knowledge and manifest new realities within ourselves, our communities, and humanity.

For more information, make sure to visit our [website](#) and read our [strategy](#), to immerse yourself in what Recrear feels like, check out our [organisational lookbook](#).

WHAT DOES THIS ADVISOR POSITION ENTAIL?

As an advisor, you would be invited to engage with our community work and support us sporadically. We might:

- Invite you join a board meeting to advise our directors on [charity requirements](#);
- Review our annual return;
- Schedule ad-hoc conversation on emerging legal questions.

This is a volunteer position and we expect this commitment will take up to 4 working days in a year.

Our organisation is people-driven, based on open and intimate relationships. We understand that advisors are volunteering their time and we want to establish a relationship of reciprocity. By being an advisor of Recrear, you will have the opportunity to expand your networks as well as participate in a range of training opportunities to develop your organisational learning, creative facilitation, and collaborative research skills.

Are YOU Interested In Getting Involved?

Email us at recrearinternational@recrear.info with a short cover letter and your resume.
