

Matthew Chancellor

Connell, WA

I enjoy the outdoors hiking, camping, hunting, fishing and swimming. I'm into trucks, motorcycles, 4-wheels, and tattoos. I specialize in K-9 training. I'm an animal lover. I hope to start my own business hauling kennels to board, train, breed rescues and abused dogs. Rehabilitating and caring for them until they can find their forever home. I'm funny, outgoing and have a good outlook on life. I wear my heart on my sleeve.
