

Ideas and comments to the LHC LLP WG discussion

- Refine the HNLs list of points and be more precise (some already have been addressed) let's discuss it in the Dec meeting and ensure this list is updated.

Reinterpretations update:

Workshop of the Reinterpretations forum to be held during February 15 -19

(<https://indico.cern.ch/event/982553/>). Three of the reinterpretation projects outlined in the LLP workshop will be presented in the LLP session (on 16 Feb).
