

ASPIRE E-Learning Plan

Only if you miss your normal day of Aspire Class on the E-learning day

Grades K-2

Reading: Write a winter story or a new ending for a story you read.
Bring to class to share next week!

Math: Find 5 ways that you or your parents use math in real life.
Tell the class next week about these ways you use math in real life.

*Do your homeroom work first, then add Aspire if you can.

Grades 3-6

Work on the current class project. See your Aspire Google Classroom Page:

Reading: Try your best to unlock the Breakout Edu or Blooket challenge alone or with your family. Work on Optional Extra google slide fact projects or write a story.

Optional Writing: Write a winter story or continue on the extra writing story you are working on. Share it on our google classroom page.

Math: A challenge math worksheet, game, or activity will be posted on your Aspire google classroom.

Do your best on these and we will go over any that you got stuck on when you return.

Write a math challenge story problem that is appropriate for your grade level to solve.
Share on our google classroom page.

Grades 3 -4 if you don't have access to your google classroom, follow the K-2 plans

*Do your homeroom work first, then add Aspire if you can.

All: Get outside if you can and observe and enjoy nature!

Mondays

3rd Reading
