READING: Emily's holiday

I'm Emily. I am 16 years old and I'm from Washington D.C.

Last month I went on holiday with my family. We travelled to Brazil because there live my aunt and my uncle, however, we stayed in a hotel.

We had a great room. My room was very big and it had a bathroom inside. We arrived on Monday at ten to twelve at night, so we couldn't go out, we slept.

We were so tired.

On Tuesday we went to the beach, the water was so clear and warm. It was nice!

My little brother, Mike didn't swim. He can't, he doesn't know, so my father and he visited the museum. Later, we met together at the Ice-Cream shop. We ate an ice-cream. Quite delicious!

The other days we went to the cinema and watched a film. We went to the theme park, too, but it was closed. It doesn't open on Thursdays. Bad luck for us.

I bought a dress and a T-Shirt. We didn't have dinner at the hotel, we had dinner at a restaurant. We ordered two bottles of water, five plates of pasta and a piece of cake.

On Saturday we took the first flight to Cuba. We stayed there for two weeks and then we came back home. I miss my aunt and uncle, anyway, it was amazing!
