Board entered into executive session at 8:45pm to discuss the two candidates we interviewed per exception 5 ILCS 120 §2(c)(1)(3) an offer of a position on the 708 Mental Health Board.

There are no objections to having Ashley join the board even though she does not have board experience because she shows passion and dedication. However, it was stated by a few members that the board should have fewer mental health professionals and more diverse board members.

Member Davis moved to adjourn Executive Session

Member Zubenko seconded

Passed by unanimous voice vote
