

Hello ACES Families,

With the uncertainty of the impending weather over the next few months we wanted to prepare you for the possibility of a Flexible Instructional Day (FID). A FID is used to replace the traditional “snow day”. In the event school is closed, we can provide instruction to our students at home rather than in the classroom. The state will count this as a full day of school and we are not required to make up the day during the school year. Please stay tuned and wait for a school notification. In the event we close school and activate a FID, ACES will follow the schedule below. Furthermore, your child’s teacher(s) will be reaching out with additional information.

**9:00-1:00** Instructional Day is a blend of Synchronous/Asynchronous work and teachers provide families a specific schedule of activities for the day that is built around the Lunch and Specials Schedule. Google Meet links will remain live for student check-ins and support.
