

Return to school/work Protocol

Return to school/work timeline per TEA and CDC guidelines: Individuals with a positive test result can return to school/work when the following conditions are met:

- Fever free for 24 hours without fever-reducing medications: **and**
- Symptoms are improving

Lufkin ISD strongly recommends you take added precautions for the next 5 days such as hygiene, masking, distancing, or testing. If you develop a fever or start to feel worse after you have returned to school/work, stay home and away from others again for at least 24 hours.
