#KottonGrammerReviews

“RankRabbit would not have the national recognition it has today if it wasn't for the mentorship Kotton has given David. So the owner of Rank Rabbit speaks out on the impact his leadership has meant to his business and his life. Here's what he said in his video testimonial:

Kotton Grammer has helped many business owners make millions of dollars with his SEO expertise. He made over 10 million dollars last year helping business owners increase their revenues dramatically by driving massive amounts of google traffic to the company website with his proven search engine optimization techniques. His search marketing formula is unmatched and is currently making millions for his clients!

But Kotton didn't always have the success he is having right now. He knows what it's like to be a struggling entrepreneur and so he always looks to pay it forward and mentor other business men he sees potential in.

So, aside from running a million dollar a month business, Kotton has been generous with his time and has been a mentor to a young entrepreneur named David Castro. David, the owner of RankRabbit SEO, gives a video testimonial of Kotton Grammer and you can view it below.

Kotton Grammer runs one of the most successful premier SEO agencies in the world and is mentoring the young and ambitious internet entrepreneur to do the same with RankRabbit - David's own Search engine optimization agency that's being run from the other end of the United States!

David currently has his headquarters in Riverside, California while Kotton Grammer runs his multimillion dollar agency, Kotton Grammer Media, in Miami, and yet, Kotton has been by far the most important factor to David Castro's success in growing his own nationally renowned search marketing business!

Being that Kotton has had such an impact on David, both as an internet entrepreneur and digital marketing expert, the founder of RankRabbit SEO made the trip to Miami to hang out with Mr. Grammer and record this video review of Kotton to thank him for all that he's done for him.

Here's what David said, “I'm David Castro, Owner of RankRabbit. Currently the leading SEO company in Riverside and on its way to being one of the premiere search marketing agencies in the country.

I say this, not because I like to talk about my business on here, but because I wouldn't be able to say any of that if it wasn't for Kotton Grammer.

Kotton Grammer is without a doubt the Michael Jordan of Search marketing and it's truly a pleasure to call him a mentor. I've actually never told him this but, if I'm completely honest, there is NO ONE I know that I look up to more than him.

He's provided me with a wealth of SEO knowledge and just the most cutting edge marketing techniques that truly set us apart from any internet marketer on the planet.

But most importantly, he's taught me to demand more from myself and to continually push the boundaries of my capabilities in all areas of my life. I learned so much just from watching him hammer away as he went after everything he set his mind to.

I love it..He's changed my life; that simple. So, Whether it's as a consultant or a coach I guarantee you, for anyone reading this, Kotton will have a HUGE impact on your business. If you get the opportunity to work with him, take it.” [Source: RankRabbit](#)
