

For all NSFW commissions:

- ❖ YOU MUST BE 18+ TO COMMISSION ME FOR NSFW ART.
- ❖ All prices are in USD.
- ❖ Please provide clear references for your own characters! Multiple angles in a good light setting where it is easy enough to see the details + colors is ideal.
- ❖ Especially if the full nude body is going to be shown in the commission, descriptions or drawings of any additional body details like scars and tattoos are desired!
- ❖ Prices will vary from SFW commissions; a NSFW surcharge is included here as it accounts for generally having to draw more anatomy & genitalia.
- ❖ Prices may be adjusted based on the level of detail/complexity of poses, etc.
- ❖ It is also very helpful to use pictures on the web as an example. If you intend to send nude/explicit images of real life people as references, please put those in their own folder so I don't get taken off guard by them. ^^; You can also send stick figure drawings of the positions you want, it's all useful!
- ❖ To see some past NSFW sketches, check out [my Poipiku page](#).
- ❖ Fill out [this form here](#) when you are ready (same as regular commissions)! For NSFW comms, I will get in touch with you with a DM from my 18+ Twitter: @midnightninnie.

If you need another way to contact me, you can email me at ninniemilk@gmail.com

 - ❖ Very complex props - check on BDSM/kinkplay stuff!
 - ❖ Depictions of rape/non-con (mildly dubious settings OK)
 - ❖ Depictions of certain pain-based kinks (ex., knives, wax), mild stuff like spanking & hair pulling are OK - just ask if you're not sure what I'm comfy with!
 - ❖ Vore/gorey sexual scenes, mixing body horror with porn
 - ❖ Bestiality; involving animals/monsters, tentacles of mysterious origin don't count 🦋
 - ❖ NO CHARACTERS THAT ARE MINORS OR AGE-UNKNOWN THAT VERY WELL MAY BE MINORS
 - ❖ NO INCEST
-

~Payment~

Commissions are taken using [Paypal invoice](#).

- In most circumstances, I will ask you to pay the full invoice before I start the commission
 - this is due to Paypal's fees on each transaction.
 - It is my discretion whether to offer 50/50 payment depending on the total and other factors.
-

~TERMS FOR NSFW COMMISSIONS~

- ❖ If you are not 18+ or give me reason to believe you are a minor, I will NOT accept your NSFW commission.
- ❖ I can refuse a commission for any reason, especially if I am uncomfortable.
- ❖ You MUST have my permission to make any merchandise or digital content with my art.
- ❖ You MUST NOT make NFTs with my art, or do anything with it that associates my work with cryptocurrency.
- ❖ You MUST NOT edit the image or remove my signature.
 - What you can do is censor body parts for more wholesome posting - I can do this as well!
- ❖ You MUST NOT trace, copy, or steal my art and claim it as your own.
- ❖ You MUST NOT repost or reupload the files I give you anywhere without permission.
 - Once you've gotten permission, credit me with a link!
 - I do not post fully uncovered nudes on my main art Twitter, so if you're letting me post the art, I'll be cropping it (depending on whether or not it's too explicit for a preview even) and adding a Poipiku or Privatter link. I post full nude content on my private NSFW account (@midnightninnie).
 - This account is set to private, however. If you want to post it full where it can be retweeted, you can post it up on Twitter yourself as long as you @midnightninnie! Please do not tag my regular art twitter (@cactwerk) with full, uncensored nudes. <3
- ❖ If you would like to cancel the commission at any point, you MUST pay for the work I have already done, as it is only fair for my time & effort.
- ❖ If you do not want me to use the work I did for you as an art example in this document or don't want me to post it on my social media, then feel free to let me know at any time. I don't reach out to everyone as I don't want to bug commissioners each time, but I like to use past commissions as examples for my work.
