LinkedIn Profile: Mohak Arora - Standup Comedian - Freelance, self-employed | LinkedIn

Brief Intro: Since beginning my journalism journey at the Vivekananda Institute of Professional Studies, I have interned at a national newspaper (Asian Age), freelanced with a digital powerhouse (Sportskeeda), and worked full-time at a national TV channel (India Ahead News).

After ghostwriting tweets for Virender Sehwag, Dwayne Bravo, and Brian Lara at Story Digital, I began my journey with Parimatch News in October 2020, where I grew from strength to strength, leading a team of 10-12 writers across several sports for the website.

After working with 1X News (Features), Melbet (Translation), Wisden.com (Cricket) and Orbit Sports Data (Football) on a freelance basis, I switched to The Playoffs as the Football Predictions Lead.

In the last 10 months, I have ghostwritten several pieces for Eoin Morgan, Jonty Rhodes, and David Warner, further expanding my portfolio, along with contributing Explainers and other key pieces for Wisden.
