

Diversity Appreciation - Villarreal Alberta Academy

Villarreal Alberta Academy appreciates diversity to ensure everyone feels safe and that they belong regardless of ability and background.

Players register regardless of background, gender, ethnicity, religion, education or national origin. Once they are a part of our soccer academy, players feel welcome and integrated into our soccer family.

Equity, Diversity, Inclusion and Indigeneity (EDII) are key aspects for Alberta Soccer. In today's society, these issues are getting more visibility by the day, and sports cannot be oblivious to them. We are eager to keep supporting inclusion in our sport, by welcoming anybody who wants to participate in a safe and respectful manner.

As outlined below by Alberta Soccer Association:
