SANTA ANA UNIFIED SCHOOL DISTRICT

COMMENTS CONCERNING LIBRARY MATERIALS

The library appreciates your interest and welcomes your suggestions in the selection of its materials. In view of the large number of titles continually being published, the process of selection is a laborious one involving the thought and assistance of many persons. Because it is good to share with others the problems of where freedom leaves off and censorship begins, we welcome your views concerning the materials question and request the following information:

A. Please give the foll	owing information:		
Author:			
Title:			
Publisher:			
Copyright Date:			
B. Please quote and/or questionable. (Attach		hose passages you find of necessary.)	fensive or
C. To assist in avoidin quoted passages?	g misinterpretation,	would you please state yo	our objections to the
D. How did this come	to your attention?	Was it by word of mouth?	
Was it a chance reading	ıg?	Was it a review?	
Other?			
If it was a review, plea	use be specific so that	at we might share your op	inion.
E. Readers vary in the	ir interpretation of a	a book's intent. What in yo	our opinion is the

author's theme and purpose?

F. Occasionally misunderstandings arise when passag read the book in its entirely?	es are read out of context. Have you
G. If this material were to be restricted or removed froworks in the field which you would recommend as ac substitutes?	ceptable
Again, we wish to express our appreciation for your is your answers to the above be as complete as possible re-evaluation of the work in question.	<u>e</u>
When the committee has completed this review, you	will be informed of its decision.
