## SUMMARY

Aspiring Cybersecurity Professional with multiple GIAC certifications and hands-on experience in security operations, incident response, and cyber defense. Skilled in using industry-standard tools such as Wireshark, Nmap, and SIEM platforms. Actively engaged in CTF challenges and real-world security labs, with a passion for learning and strengthening organizational cyber resilience.

## EDUCATION

SANS Technology Institute — B.S. in Applied Cybersecurity  
2023 – Present

Lorain County Community College — Coursework in Cybersecurity  
2022 – Present

## CERTIFICATIONS

- GIAC Information Security Fundamentals (GISF)
- GIAC Foundational Cybersecurity Technologies (GFACT)
- GIAC Security Essentials (GSEC)
- GIAC Certified Incident Handler (GCIH)
- GIAC Security Operations Certified (GSOC)
- SANS Applied Cybersecurity Certificate (ACS)

## TECHNICAL SKILLS

Security: Vulnerability Assessment, SIEM, Incident Response, Ethical Hacking, Threat Analysis

Tools: Wireshark, tcpdump, Nmap, Metasploit, SOAR platforms

Platforms: Windows, Linux, macOS

Programming: Python, Lua, Command Line Scripting

Creative Software: Photoshop, Illustrator, Blender, Maya

Other: Server Hosting, 3D Modeling, Administrative Systems, Data Analysis

## PROJECTS & PRACTICAL EXPERIENCE

- KringleCon Holiday Hack Challenge – Solved interactive cybersecurity puzzles simulating real-world threats.

- GSOC CTF – Applied defensive techniques to identify and triage threats across network logs.
- GCIH CTF – Discovered website vulnerabilities and exploited them to retrieve hidden data.
- PyWars CTF – Automated flag extraction and submission using Python scripting.
- Hack The Box – Completed offensive/defensive security labs in a virtualized penetration testing environment.
- Server Hosting & Modding Projects – Designed and managed multiplayer game servers; implemented automation scripts; managed server logs and updates.

## **PROFESSIONAL EXPERIENCE**

Admin | The Tilted Farmer

Jan 2025 – Present

- Managed expense tracking and developed spreadsheet tools for financial analysis.
- Collaborated with the team to optimize internal workflows and admin operations.
- Supported tech needs and improved operational efficiency using digital tools.

Team Member | Crumbl Cookies

2021 (5 months)

- Delivered high-quality customer service in a fast-paced environment.
- Developed teamwork, time management, and communication skills.
