

Sumo Slammers Jumpchain V1.02
by DeverosSphere

Welcome brave warriors, the fate of the entire Sumo world hangs in the balance and only you can save it.

Normally you will be in this world for 10 years and to help you on your quest you gain **+1000 CP**.

Backgrounds:

You will get a discount on any Perks and/or items of your background choice with the **-100 CP** being **Free**

Unknown Samurai

You are new to the Sumo world, perhaps you are an unknown hero from another land or a dastardly evil like Kenko.

Heroic Sumo

You are a great Sumo Slammers warrior widely known for being an honorable protector and the enemy of all evil.

Villainous Shapeshifter

You are a dark wizard, a master of evil known to work alongside Kenko in order to try and conquer the many worlds.

Locations:

You will start within the Sumo world upon the lowest section of this fractured world, this land is often referred to as **level 1**.

Perks:**Sumo Skills *Free***

Visiting this world will permanently enhance your natural fighting abilities, you can run, Jump and strike with 5 times the power of a normal human.

The power of two worlds -400 CP

Any powers that you gain that are normally limited to working within the world that you gained them in such as video game powers in a digital world will now function in any other world.

Unknown Samurai:**Martial Skills -100 CP**

You can utilize martial control in its multiple forms in order to enhance your combat skills. Using "**Martial Skills**" you instinctively understand how to wield most weapons, including improvised and exotic tools in order to inflict damage or harm.

The Pause Button -200 CP

By saying or willing the pause button you can stop time for everything except your mind. While time has stopped you can figure out your next cause of action but you too are motionless and unable to change the world around you.

Game Over -400 CP

You have a great power of transportation, you can move yourself between dimensions which includes parallel worlds and digital worlds.

Last Life -600 CP

You will either gain a tattoo or ornament with three luminous orbs in it, each orb functions as a **1-UP**.

Upon your death one of the orbs will go dark, then you will respawn in a safe space near where you died and for a short period of time you will become invulnerable.

At the start of each Jump these three orbs will relight themselves.

Heroic Sumo:**Sumo-Size -100 CP**

You gain the ability to "Sumo-Size" yourself and grow into a larger Sumo body shape increasing your strength and durability.

Despite this form being overweight it is capable of running, Jumping and displaying feats of physical strength far above what it would appear to be capable of.

A Warrior's Vision -200 CP

A warrior's eyes should be able to see the difference between an honorable friend and a dishonorable foe through this Perk you are able to.

You can perceive a warrior's honor, using this sight you can see the virtues of a target's deed's, the evil's of their enemies, the morality of their intentions and the nobility of their spirit.

Thunderous Shockwaves -400 CP

The path of the sumo slammer is one of combat. Through the act of slamming you can release a thunderous energy to strike with concussive force, to tear through obstacles and knock your opponents away. It can also do damage both internal and external to structures and machinery.

A Sumo's Growth -600 CP

A Sumo's duty is never complete.

There are always new roads to walk and new foes to face.

Traveling this path you can always find ways to improve and new paths of progression.

At least once per Jump you will find a new system of power and strength.

Villainous Shapeshifter:**Masterful Deception -100 CP**

You know the secret to telling a good lie is to tell a story that they want to believe.

With this you know what your target wants to hear and can wind these words into masterful yarn that they will want to believe.

An Eagle's Flight -200 CP

You have the power to fly or otherwise move through the air through mysterious means.

Through this mysterious power you are able to Levitate, Slide, and Glide through the air like a powerful eagle.

A Dragon's Flame -400 CP

The embers of power are kindled within you as you can use them to do your bidding.

You can spray flames from your mouth like a dragon and have them move at your command.

Masterful Shapeshifter -600 CP

You can shapeshift into anything or anyone.

The easiest forms for you to take are a kenshi trunk, a pillar, a dragon, a golden lion-dog statue, a wyvern and Ishiyama.

You may gain the forms physical capabilities but unless you can mimic their more mystical powers another way you will not have them.
