Assalamualaikum waRahmatullahi waBarakatuhu 🌸

 Dear Mothers,

For the wellbeing of a child, parents must be on good terms with each other and the child must feel vibes of Trust and Love in the family.

Alhamdulillah we shall now be beginning with lectures on How to Improve Relations between the Husband and Wife.

💕 When the husband is not practicing, work on your relationship with him.

💜 Be an exceptionally good wife to him. Be loving and caring.

♦ Try changing his focus from the material kind of entertainment to natural entertainment..like outings, picnics etc.

💖 Change and modify yourself gradually..Do not get irritated or angry.

👤 Get dressed up and smell good..just for him.

💛 Relax your body language

But keep Quiet..

The Deen of Allah is HAQ

And when you practice that, you will succeed.

💚 Men have a logical brain

Understand him, his likes and dislikes. You will get Ajar(reward) from Allah. Your family system will be sound.

💖 Keep healthy outlooks

Friends who will give you healthy energy.

💜 Engage in healthy activities. Give people time to accept the new Religious You.

💖 Think this is a test from Allah Subhan Wa Ta'ala.

🙏 May Allah SWT enable us to learn what is beneficial and act accordingly..Aameen

Jazak Allah Khair
