

[기업기본정보(Company Information)]

- 회사명(국문/영문) / Company Name :  
(주)디지월드/DGWORLD CO.,LTD
- 대표자명/ CEO Name: **sung yep lee**
- Contact Person & Details (Email, Phone):  
[kimsang73@dgw.co.kr](mailto:kimsang73@dgw.co.kr)/ Dong yeon kim 010-8725-8372
- Company Website: **www. Dgw.co.kr**
- Product Category: **on**
- Product Dimensions & Weight: **926(W) x726(H) x75(D) Weight 12 kg**
- Packaging Unit & Method: **individual packaging**
- HS 코드: **8479.89-1010**
- 지적재산권(IP - 미국내상표/특허등록여부, USPTO 확인):  
**4 Korean patents (no U.S. trademarks and patents)**
- 제품특징및 USP(Unique Selling Point) / Key Features & Unique Selling Points:

**Frame-type air quality management system, HEPA filter, UVC, plasma to remove fine dust and sterilize viruses, and air cleaning system.**

0. **Air quality management based on the indoor air quality management method**
  1. **Real-time measurements with CO. CO2, HCHO, TVOC, PM2.5, PM10, and temperature and humidity sensors**
  2. **Air quality management by suctioning and discharging at high speed with two built-in fans when the indoor air quality management method exceeds the standard (notify consumers through information)**
  3. **Send real-time measured data to the server via WiFi and save (Monthly Report Generation - Monthly Air Quality Compliance Table Graphs, and Air Quality Changes are available)**
- Target Market & Consumers : **kindergarten , hospital, nursing home, silver town**
  - Existing Distribution Channels :

## Public procurement and Internet shopping
