Check-In and Boarding: Smooth and Efficient

One of the things passengers love most about Southwest is its straightforward approach to air travel. You can check in for your Southwest flight using several convenient methods:

- **Online or via Mobile App** (recommended for early boarding position)
- **Self-service kiosks** inside the terminal
- **Ticket counters** with helpful staff

Boarding with Southwest is unique—there are no assigned seats. Instead, you receive a boarding group (A, B, or C) and a number. The earlier you check in, the better your boarding spot. This system, though unconventional, speeds up the boarding process and ensures faster departures.

Terminal B provides clear signage, digital gate information, and helpful Southwest staff to guide you every step of the way.

Baggage Policies & Services

Southwest stands out with one of the most generous baggage policies in the airline industry: **two free checked bags** and **no change fees**. Once you enter Terminal B, you'll find designated Southwest baggage drop counters where agents assist with tag printing and luggage processing.

If you're arriving at LGA, follow the signs to **Baggage Claim B**, where your luggage will be delivered quickly. Carts, porters, and assistance services are readily available.

Dining & Shopping in Terminal B

Your journey with Southwest from LGA begins with more than just boarding passes and gates—it starts with flavor, relaxation, and indulgence. Terminal B boasts a curated selection of restaurants and retail stores that cater to all traveler needs.

Top Dining Options:
