FOSTER CARE
2023-2024

Purpose

The purpose of this document is to outline the procedures used in the East Tallahatchie School District to enroll and withdraw children that have been placed under the care of the Mississippi Child Protection Service.

Goal

East Tallahatchie School District in collaboration with Tallahatchie County Division of Child Protection Services ensures that children placed in foster care have stability with regards to their education.

ETSD Mission

The East Tallahatchie School District will provide all students the opportunity to develop to their greatest potential in order to become self-sufficient, productive members of a connected global society.

Definitions

District Point of Contact (DPC) – the person designated by the East Tallahatchie School District Superintendent to represent the District with regards to foster children being enrolled or withdrawn from the district. The District Point of Contact will communicate directly with the Regional Director of Child Protective Services.

School Point of Contact (SPC) – the person designated by the building level Principal to represent the school with regards to foster children being enrolled or withdrawn from the school. The School Point of Contact will communicate directly with the District Point of Contact. The School Point of Contact will ensure that any and all student records are obtained when a foster child enrolls in the local school and that any and all student records are provided to the Child Protective Service Case Work when a foster child withdraws from the local school.

Regional Director of Child Protective Services (CPS) – the person from Child Protective Services who will communicate directly with the District Point of Contact and with the Child Protective Service Case Worker in charge of the case for a particular foster child.

Case Worker – the person from Child Protective Services who has been assigned the case of a child in foster care.

Foster Child – a child to whom the custody has been appointed to Child Protective Services by a sitting judicial authority.

Foster Parent – the parent(s) to whom a foster child is currently residing.

Best Interest Determination (BID) – refers to the collaborative process between MDCPS and local school districts based on the individual student's unique best interests. The determination involves input from multiple parties to make decisions about whether a student placed in foster care should continue to attend his or her school of origin.

School of Origin – refers to the school that a student was attending at the time of placement in foster care or the last school the student attended, despite a change in home. To ensure continuity in education, remaining in the school of origin is preferred.

Enrollment of a Foster Child

Per MDE and CPS guidelines, the enrolling LEA shall ensure enrollment in the new school takes place on the same day the MDCPS representative (i.e. case worker, educational liaison) enrolls the student, even if the child is unable to provide records normally required for enrollment, to prevent disruption of the student's education. A student in foster care must be enrolled by a MDCPS representative (i.e., case worker, educational liaison, or an individual with MDCPS foster parent verification).

The District Point of Contact (DPC) must be contacted immediately for enrollment and withdrawal of a child in foster care, and a Best Interest Determination meeting must be held with the CPS Case Worker upon enrollment and withdrawal.

CPS serves as foster children's legal guardians; therefore, all educational documents and meeting notifications will be sent to the student's case worker. Copies will also be sent home with students to share with foster parents, unless otherwise instructed by the caseworker. According to MDE, Foster Care parents may be notified of meetings about the student; however, a Caseworker must be present at the meeting to discuss the students and may make educational decisions.

Resident Foster Children

Foster children residing within the district boundaries shall be enrolled as any other student that resides within the boundaries of the district. The School Point of Contact (SPC) shall obtain any and all records pertaining to the student's current education. **See Appendix A Children in Foster Care Enrollment Records Checklist (SPC) and Records Checklist for Case Worker/Foster Parent Enrolling a Child (CPS).**

Following the enrollment of the student, the SPC will complete the enrollment document. The SPC will place a copy in the student's cumulative file in the office of the SPC and forward the original to the DPC. The DPC will keep on file the original until the student withdraws or graduates from the Water Valley School District or the child is no longer in the care of Child Protective Services.

Non-Resident Foster Children

Foster children not residing within the district boundaries shall be enrolled once a determination has been made that it is in the best interest of the child to attend a school within the East Tallahatchie School District. The DPC in collaboration with CPS will meet with the SPC, Principal, Parents (if allowed), Foster Parents, CPS representative, and other interested parties. The meeting shall take place within 3 business days after CPS has sought to enroll the child in the East Tallahatchie School District or prior to CPS seeking enrollment in the East Tallahatchie School District.

A determination as to whether or not it would be in the best interest of the child to attend the school in the East Tallahatchie School District shall be made immediately following this meeting. **See Appendix A Children in Foster Care Enrollment Records Checklist (SPC) and Records Checklist for Case Worker/Foster Parent Enrolling a Child (CPS). See Appendix A Best Interest Determination Worksheet and Transportation Agreement for the meeting.**

The East Tallahatchie School District recognizes the right of a foster child to attend the child's school of origin provided that it is reasonable.

Withdrawal of a Student by CPS

CPS has the right to withdraw students assigned to them by a judicial authority. As legal guardian, only the CPS Caseworker has the authority to withdraw a student from school. The SPC in this case is responsible for

providing as many educational records as possible to make any transition from the school of origin to the new school a smooth transition. Records not on file in the school office shall be forwarded to the new school within 24 hours following a request by the school or CPS. **See Appendix A Records Checklist for Case**

Worker Withdrawing a Child.

The SPC shall contact the DPC if he/she thinks it would be in the best interest for the child being withdrawn to remain in the school of origin. The DPC will immediately contact the Regional Director of Child Protective Services to relay the concerns of the SPC as well as possibly scheduling a time to discuss the child's educational placement.

Free/Reduced Lunch Application

Foster Care Parents or Child Protective Services should complete a Free/Reduced Lunch Form for the East Tallahatchie School District. The form along with verification of foster care shall be submitted to the School Point of Contact who in turn will forward the documents to the District Point of Contact. The District Point of Contact will forward the documents to the Food Service Director.

Transportation

Some children in foster care may need transportation to remain in their school of origin. Any child in foster care needing transportation to their school of origin must promptly receive transportation services. If the child remains in their school of origin and moves outside the current school's attendance zone, the East Tallahatchie School District (ETSD) must collaborate with the local MDCPS to develop and implement clear written transportation procedures in accordance with 34 C.F.R. § 299.13(c)(1)(ii). The two entities must establish a system that expedites transportation for children placed in foster care. The goal is to maintain educational stability for the student. There are various modes of transportation available for students. Examples of no-cost or low-cost options for transportation that the ETSD and the MDCPS could explore include whether:

MDCPS will arrange for the child to be dropped off at a school bus stop for the school of origin;

MDCPS will arrange for the foster parent or other designee to transport the child to school (mileage reimbursable through foster care maintenance payments);

MDCPS and the ETSD will review pre-existing bus routes or stops close to the foster care placement that cross district boundaries, such as bus routes for magnet schools and transportation for homeless students as required by the McKinney-Vento Act;

MDCPS and the ETSD will determine if the child is already eligible for transportation covered by other programs;

MDCPS and the ETSD will address how the child welfare agency will use foster care maintenance payments and administrative funds to pay for transportation to the school;

MDCPS and the ETSD will specify how "additional costs" of transportation will be calculated, to delineate clearly the ETSD's responsibility to provide transportation when there are no additional costs;

MDCPS and the ETSD will specifically describe how transportation to the school of origin will be provided in situations where there are no additional costs; and

MDCPS and the ETSD will specify the timing and procedures for the child welfare agency to reimburse the ETSD for transportation costs.

In the event of a dispute between the ETSD and MDCPS concerning the cost of transportation, the two entities must consider what is in the best interest of the student. If the disagreement continues, the cost will be divided equally between the ETSD and MDCPS. The dispute shall be brought before the state appointed POCs from MDE and MDCPS. Current transportation expenses shall remain in effect until a decision is rendered to maintain the student's status quo.

Rationale

How to Make A Best Interest Determination

BEST INTEREST DETERMINATION

FOSTER CARE SCHOOL PLACEMENT

Promote educational stability by ensuring that students in foster care can perform at the same high levels as their peers with limited disruption by first determining what is in the youth's best interest.

The Every Student Succeeds Act (ESSA) stipulates that foster care students should only change schools if remaining in the school of origin is not in the student's best interest.

- If a change in school is being considered, the local education agency (LEA) and child welfare agency (CWA) must collaborate to complete the Best Interest Determination (BID) process.
- The MDCPS case worker or designee and the school of origin POC should engage in a conversation with the youth and any other appropriate parties to discuss the following information as it relates to the youth's educational stability:
 - Number of schools the youth has attended
 - How often the youth is changing schools
 - Home placement type/length as well as number of placements
 - Youth's involvement in extracurricular / community activities
 - The youth's academic/career goals
 - The youth's academic achievement
 - The youth's ability to earn full academic credits, participate in sports, graduate on time, etc.
 - The student's ability to receive necessary supports/services
 - What the youth wants, what the family wants, what the resource family wants, what CPS wants
 - School safety concerns
 - Youth's access to gifted or accelerated programs
 - If changing schools could affect the youth's end of year testing
 - Travel time to and from school
 - Biological family, resource family, friends, mentor, residential staff, MDCPS connections
 - Youth's relationships and connections to teachers and school staff
- The conversation will result in a determination that should be recorded on the BID Form. All parties who participate should be listed on the BID Form with the corresponding signature.
- Youth shall remain enrolled in their school of origin until the BID process is complete and a determination has been made.
- If the determination is made for the youth to change schools, the youth should be enrolled immediately in the new school even if the required paperwork is not available.
- The enrolling school's Foster Care Point of Contact (POC) will contact the school of origin to obtain necessary documentation.
- There must be a school of origin in order for the BID process to occur. With no school of origin, the normal school enrollment process will occur.
