

PEPPER'S TERMS OF SERVICE

(Updated on Nov. 1st, 2024)

BY AGREEING TO THESE TERMS AND SERVICES, UNDERSTAND THAT:

- You must be **18 years or older** to commission me. No minors, please; if you are caught as a minor, you will be blocked.
 - I have the right to deny any ideas or services that I am not okay with. See further details below.
 - When asking for a slot, please proceed with an idea in mind. (For artists' choice/artistic liberty, we can discuss the general theme, or leave a note stating so.)
 - You may ask for multiple versions/alts, prices may vary. *YOU CAN ASK FOR MULTIPLE VERSIONS/ALTS, BUT PLEASE MAKE SURE IT IS MENTIONED IN THE ORIGINAL MESSAGE.*
 - You may have two major changes and unlimited minor changes. You may pick the best of the two works. Additional major changes will cost +25% of whichever tier selected.
 - You may **NOT** use my work to train artificial intelligence (AI). Usage in such will result in an indefinite refusal of work.
 - All art will be posted online (Furaffinity, Twitter, Bsky, Discord, etc.). Please clarify if you do not wish for me to post your commission; I will also ask if I have your consent to do so before posting.
 - You may ask for updates if I have not responded promptly.
 - Payment is through PayPal invoices, and all my prices are USD.
