

CURRICULUM VITAE: FREDRIC LAWRENCE COE

PERSONAL INFORMATION

DATE OF BIRTH	December 25 1936
PLACE OF BIRTH	Chicago Illinois
MARRIED	Eleanor J Brodny April 10 1965
CHILDREN	Brian, Laura

EDUCATION AND POSTDOCTORAL EXPERIENCE

1952 to 1955	University of Chicago, Chicago Il B.A. Honors
1955 to 1957	University of Chicago, Chicago Il B.S. Physiology
1957 to 1961	University of Chicago, Chicago Il M.D.
1961 to 1964	Intern and Resident in Medicine, Michael Reese Hospital, Chicago Il
1964 to 1965	Chief Medical Resident, Michael Reese Hospital
1965 to 1967	U.S. Air Force School of Aerospace Medicine, San Antonio, Tx, Research in Renal Physiology
1967 to 1969	Research Fellow, Laboratory of D W Seldin, Universtiy of Texan, Southwestern Medical School, Dallas, Nephrology

UNIVERSITY APPOINTMENTS

1969 to 1973	Assistant Professor of Medicine, University of Chicago
1973 to 1977	Associate Professor of Medicine, University of Chicago
1977 to Present	Professor of Medicine, University of Chicago
1977 to 1979	Professorial Lecturer in Physiology, University of Chicago
1979 to Present	Professor of Physiology, Department of Pharmacology and Physiology
1982 to 1999	Chief, Nephrology Program, University of Chicago School of Medicine
1982 to present	Physician in Chief, Kidney Stone Treatment Program

CURRICULUM VITAE: FREDRIC LAWRENCE COE

HOSPITAL AND LABORATORY APPOINTMENTS

1969 to 1972	Director, Renal Diagnostic Unit, Michael Reese Hospital
1972 to 1989	Attending Physician, Michael Reese Hospital
1972 to 1982	Chief, Renal Division, Michael Reese Hospital
1982 to Present	Attending Physician, UCHC, University of Chicago
1982 to 1999	Chief, Renal Section, UCHC, University of Chicago
1969 to 1982	Director, Kidney Stone Laboratory, Michael Reese Hospital
1982 to 2011	Director, Kidney Stone Laboratory, University of Chicago Hospitals
1995 to 2010	Laboratory Director, Litholink Corp, Chicago Ill.

LICENSURE AND CERTIFICATION

1962	State of Illinois
1968	Diplomate, American Board of Internal Medicine

BUSINESS EXPERIENCE

March 15 1995	Founded Litholink Corporation, a laboratory and software company to promote kidney stone prevention by US physicians
November 2006	Litholink Corporation sold to Laboratory Corporation of America (LabCorp)
2006 - Present	Consultant, LabCorp: Led creation of physician guidance programs in Kidney Stone Disease, Chronic Kidney Disease, Cardiovascular Disease Risk Factors, and Blood Clotting Disorders

HONORS

1961	Alpha Omega Alpha, Medical Honor Society
1961 to 1962	Outstanding Medical Intern, Michael Reese Hospital
1974	McClintock Award for Outstanding Medical Teaching, University of Chicago

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1977	Outstanding Medical Teaching Award, Michael Reese Hospital
1974 to 1993	Selected for Senior Medical Class Picture (Teaching Award) 15 times
1988	Oregon Health Sciences University, Portland Oregon, May 16 to 17, Noble Wiley Jones Visiting Professorship in Medicine
1989	Shenson Visiting Professor Stanford University School of Medicine, April 2-10
1992	McGill University, Montreal Canada, May 19-21; first Stikeman Visiting Professor, Nephrology and Urology
1995	American Lithotripsy President's Award and Society Honorary member
1996	National Aeronautics and Space Agency Certificate of Appreciation
1997	Abraham Rapoport Visiting Professor University of Toronto
2000	American Society of Nephrology Belding Scribner Award for Lifetime Achievement in Clinical Investigation
2001	University of Chicago Distinguished Service Award; June 1, 2001
2003	Fredric Coe Professorship in Urolithiasis Research named in my honor, University of Texas Southwestern Medical School, Dallas, Tx., by Prof Charles Pak
2004	Keynote speaker, World Congress of Nephrolithiasis Research; Hong Kong, China, May 25-29.
2008	Keynote speaker and Awardee World Congress of Nephrolithiasis, Nice, France, Sept 2 - 5; Lifetime Achievement award for Nephrolithiasis Research
2009	National Kidney Foundation, Illinois Chapter, Lifetime Achievement Award, December 1.
2010	National Kidney Foundation Lifetime Achievement Award, April 14.
2011	Arthur Rubenstein Award for Excellence in Mentoring and Education (May 21)
2014	Gibbs Award, New York Academy of Medicine, October

SOCIETIES

1969	American Association for the Advancement of Science
1970	Mid West Salt and Water Club

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1971	American College of Physicians, Fellow
1971	American Federation for Clinical Research
1972	American Society of Nephrology (Elected Fellow 2005)
1972	International Society of Nephrology
1972	New York Academy of Sciences
1973	Central Society for Clinical Research
1975 to 1985	X Club University of Chicago scientific Society
1977	American Physiological Society
1978	American Society for Clinical Investigation
1979	American Society for Bone and Mineral Research
1979 to Present	Society for Research on Calculus Kinetics
1982	Association of American Physicians
1983 to 1989	Institute of Medicine of Chicago
2005	American Urological Association (Honorary)

SELECTED COMMITTEE MEMBERSHIPS

1970 to Present	Medical Advisory Committee, Illinois Kidney Foundation
1972 to 1976	Hypertension Committee, Illinois Regional Medical Program
1973 to 1976	Hypertension Committee, Chicago Heart Association
1973 to 1976	Committee on Epidemiology and Detection, Chicago Heart Association
1975 to 1977	Advisory Committee to the Illinois Hypertension Registry Program
1976 to 1977	Preventive Cardiology Committee, Chicago Heart Association
1977 to 1987	Committee on Human Nutrition, University of Chicago
1978 to 1981	American College of Physicians, Governor's Committee for Admissions
1979 to 1983	Committee on Tenure and Promotions, University of Chicago
1982 to 1999	Executive Committee, Dept of Medicine, University of Chicago
1984 to 1985	Committee on Residency Training, Dept of Medicine, University of Chicago

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1984 to 1987	Housestaff Committee, Dept of Medicine, University of Chicago
1984 to 1987	Committee on Appointments and Promotions (BSD) University of Chicago
1987	Member, Planning Committee, American Society of Nephrology Annual Meeting, one of 5 members, meeting of over 4,000 physicians
1987 to 1990	Alpha Omega Alpha counselor, and Chairman of AOA committee (1989-90)
1988	Chairman, National Institutes of Health Consensus Conference on Nephrolithiasis, Bethesda Md, March 28 to 30, 1988
1987-1999	American Society of Nephrology Training Program Directors Committee
October 22-26 1990	Retreat, American Society of Nephrology Program Directors Subcommittee on Speciality Development, to consider improvements in American Nephrology training
1994 - Present	University of Chicago Committee on Faculty Benefits - Policy Committee that determines levels of payment and types of plans for the University.
2003 - Present	Member, Standing Committee on Academic Fraud, University of Chicago.
2003-2004	Member, Search Committee, Director of Libraries, University of Chicago

EDUCATION DEVELOPMENT PROJECTS AND PRESENTATIONS

1972 to 1984	Developed and taught in the Renal portion of Clinical Pathophysiology Course, a second year required course in the Medical School. Created a workbook later used in the Renal Physiology course
1973 to 1995	Developer, Course Director, and taught the course in Renal Physiology, 14 one hour lectures covering glomerular filtration, sodium, potassium, acid base, water conservation and mineral metabolism.
1986	Chairman, Committee on Fourth Year Curriculum, Dept of Medicine, to determine needs for change.
1987 to 1990	Director, Clinical Orientation Program, a 2 quarter required Freshman Medical School course, which I altered to include a weekly new patient interview per student, house staff and Psychiatry Department weekly teaching sessions in the Hospital.
1990 to 1995	Chairman, Divisional Committee to Develop a new course called Clinical Medicine; intended to absorb the Clinical Orientation Program into a first year physical diagnosis course, add second year clinics, and an elective fourth year course in medicine.
1990 to 1995	Project head, to convert the Renal Physiology Course into a workshop course

CURRICULUM VITAE: FREDRIC LAWRENCE COE

September 24 1991	Principle Address to Entering Medical Student Class, Pritzker School of Medicine: The Process of Medicine.
October 17-18 1991	Conference sponsored by the AAMC, AMA, Centennial Celebration University of Chicago: The Future of American Medical Education; The Legacy of Lowell T Coggeshall: Address: Role of Scientific Understanding in Clinical Medicine.
June 1 1999 - 2012	Program Director (PI, 1999 – 2008) of the UC BSD K30 Award; Seminar leader, Clinical Research Training Program (CTSA grant of the BSD, successor to the K30)
March 2005 - present	Clinical Research in Nephrology; work with the clinicians in the University of Chicago Renal Section to improve skills in planning and writing of clinical research projects and grants.

SELECTED TEACHING ACTIVITIES

1969 to 1986	Resident Report, Michael Reese Hospital, weekly session, 4 to 12 months yearly.
1974 to 1980	Northwestern University Annual American College of Physicians Course, Fluid and Electrolyte Balance; Nephrolithiasis, Uric acid, Calcium Metabolism
1974 to 1989	Cook County Graduate School of Medicine, yearly lectures in Nephrolithiasis and Calcium metabolism, Endocrinology Review Course
1977	American Urological Association Consultative Program, Uric Acid Lithiasis and Hyperuricosuric calcium nephrolithiasis.
1978 to 1987	Cook County Graduate School of Medicine, Graduate Review Course in Urology, Nephrolithiasis
1982 and 1983	Visiting Faculty, Contemporary Issues in Nephrology, Harvard University
1982 to Present	Resident Report, once weekly 3 to 5 months yearly, University of Chicago
1983	Grand Rounds, University of Chicago, Nephrolithiasis
1983	Grand Rounds, Michael Reese Hospital, Struvite Stone Disease
1984 to 1990	Special Resident Report, biweekly when not taking regular report
1985	Kidney Foundation of Ohio, 10th Annual Symposium, Invited Lecturer, Cleveland
1985	Grand Rounds, University of Chicago, Margin of the Rule; brought and discussed an unusual patient with combined primary hyperparathyroidism and Aldosteronism
1986	Year in Internal Medicine, Northwestern University, Nephrolithiasis

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1986	UCLA, Course in Nephrology, Palm Springs Ca, February, Invited Lecturer
1986	Illinois Kidney Foundation Lecture, Nephrolithiasis
1986	Grand Rounds, Edgewater Hospital, Chicago Il, Nephrolithiasis
1986	UCLA Course in Nephrology, Malibu Ca, August, Nephrolithiasis
1986	Kidney Foundation of Ohio, Principle Speaker, Yearly Symposium, Nephrolithiasis
1986	National Kidney Foundation, International Symposium on Renal Function and Disease in Pregnancy, Chicago Il, Sept 18-20, Invited Lecturer, Stone Disease in Pregnancy
1986 to 1988	Harvard Medical School, Contemporary Issues in Nephrology, Mineral Disorders and Nephrolithiasis, Boston Ma, Fall
1987	American College of Physicians, Regions 1 and 2 Scientific Meeting, Pathogenesis and Treatment of Calcium Nephrolithiasis March 10
1987	Grand Rounds, University of Chicago, Dept of Obstetrics and Gynecology, Mineral Disorders in Pregnancy, March
1987	Grand Rounds, University of Chicago, Dept of Medicine, Risks of Oral Contraceptives and Estrogen Replacement Therapies, Sept (Later Published, see references)
1987	Northwestern University, Clinical Problems in Urology, 11th annual Program, Pathogenesis and Treatment of Calcium Oxalate Stones, June 5th
1988	University of Colorado, Course in Nephrology, July 25 to 29; Guest Faculty, Pathogenesis and Treatment of Calcium Nephrolithiasis
1989	Grand Rounds, University of Chicago, Dept of Medicine, Pathogenesis and Treatment of Nephrolithiasis, Feb
1989	American College of Physicians, Illinois Scientific Meeting, Oct 20 to 21, representative from University of Chicago, Nephrolithiasis
1990	Grand Rounds, Oak Forest Hospital, April, Nephrolithiasis
1990	Grand Rounds, University of Chicago, Dept of Obstetrics and Gynecology, Stone Disease in Pregnancy, Feb
1990	Visiting Professor, UCSF, September 21, Nephrology, Moffit and SFG Hospitals
1991	Television show: Nephrolithiasis, Management and Prevention. Lifetime Medical Television, 2 30 minute programs; Astoria Studios, Astoria NY May 23
1992	Invited member and speaker, NIH NIDDK National Kidney and Urologic Diseases

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Advisory Board, Workshop on the Long Term Consequences of Lithotripsy Therapy, Phoenix AZ Feb 2-4

- 1992 National Meeting American College of Physicians, Chairman, Clinical Controversy Panel; Nephrolithiasis. San Diego CA, 3/26-30, 1992
- 1992 National Kidney Foundation Spring National Meeting, Chicago IL, Grand Rounds: The kidney in Sjogren's Syndrome, an analysis of pathogenesis for Calcium Phosphate Nephrolithiasis; April 10-12, 1992
- 1992 NIH Kidney and Urologic Diseases Information Clearinghouse; Invited main address to Panel Members, NIDDD, National Research Effort in Nephrolithiasis, April 13, Washington DC, 1992
- 1992 Grand Rounds University of Chicago Dept of Medicine; Role of Dietary Acid in Production of Nephrolithiasis and Chronic Bone Mineral Loss, Sept 23
- 1992 American Society of Bone and Mineral Metabolism, Annual Meeting; Invited presentation, Treatment of Idiopathic Hypercalciuria, Sept 30
- 1992 State of the Art Address National Meeting American Society of Nephrology, Plenary Address to 2,500 doctors: Pathogenesis of Nephrolithiasis Nov 18; (Only instance in the 25 years of the ASN of two such addresses given by one person - the other was in 1982)
- 1994 National Kidney Foundation: Lecture to NABT Region III Workshop on Integrating Biology; Sept 23, Chicago
- 1994 Harvard Medical School Contemporary Issues in Nephrology, lectures on Nephrolithiasis and Osteoporosis; Sept 25-30, Boston Mass,
- 1994 YearBook Annual symposium, Treatment of Osteoporosis; October 14, Chicago IL
- 1994 Annual Meeting American Society of Nephrology; Chairman, Short course in Nephrology, Disorders of Divalent Minerals; October 27, Orlando Fla
- 1995 Ninth Annual Symposium on Stone Management, American Lithotripsy Society; Awarded the presidential honor, elected to honorary membership; chair, panel on metabolic stone disease, presidential lecture: Evolution of thought concerning idiopathic hypercalciuria.
- 1996 Northwestern University, Grand Rounds: Prevention of Nephrolithiasis; Feb 14.
- 1996 University of Chicago Dept of Medicine Grand Rounds: Pathogenesis of Nephrolithiasis, July 9.
- 1996 American Society of Nephrology Board Review Course, August 24-30; Pathogenesis of

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Nephrolithiasis.

- 1997 American Society of Nephrology Board Review Course, August 23-29; Pathogenesis of Nephrolithiasis.
- 1997 University of Illinois; Grand Rounds, Dept of Medicine: Pathogenesis and Treatment of Nephrolithiasis: 12/4/97, Chicago ILL
- 1998 New York Society of Nephrology; Invited lecture: Pathogenesis of Nephrolithiasis; March 7; NYU Medical School, Nephrology Section Research Seminar, Upper Limits of Metastability in Nephrolithiasis.
- 1998 Internal Medicine Conference (NCAME) Chicago; July 14; Nephrolithiasis
- 1998 Oregon Urological Society; Fall Meeting; Sept 25 - 26; Nephrolithiasis - 3 lectures
- 1998 Pittsburgh Urological Society Quarterly Meeting; case studies in nephrolithiasis. Oct 26 1998, Pittsburgh PA
- 1999 Chicago Urological Society Quarterly Meeting; Case studies in Nephrolithiasis; Feb 3 1999, Chicago
- 1999 Grand Rounds, Pathogenesis of Nephrolithiasis; Vassar Hospital, Poughkeepsie NY March 25, 1999
- 1999 Grand Rounds, Methodist Hospital, Pathogenesis of Nephrolithiasis; Nebraska Urological Society Quarterly meeting, Invited Address: Does Metabolic Stone Prevention Work? Omaha Nebraska, April 16-17, 1999
- 1999 CME Course - Nephrolithiasis; Annual Meeting AKSM, Co Sponsor with ASCP, Nassau, August 4-9 1999
- 1999 Nephrology for the Primary Care Physician; Waukesha WI, Oct 9 1999
- 1999 Endourology "99" Course in advanced stone practice; NY Dec 8;
- 1999 NYU Advances in Adult and Pediatric Urology; Nephrolithiasis. Dec 9 - 10;
- 2000 Co Teacher: Committee on Social Thought Course 311: Poetry of Hopkins, U Chicago, Winter Quarter.
- 2000 Rush Medical School, Chicago; Urology Grand Rounds: Nephrolithiasis. Jan 20
- 2000 Harvard Medical School Nephrology Course: Nephrolithiasis - Pathogenesis and Treatment, and Case Presentations and Workshop; Feb 8 - 12, Boston MA
- 2000 Dept of Surgery University of Chicago; 2 hour workshop on electrolyte disorders for

CURRICULUM VITAE: FREDRIC LAWRENCE COE

- surgical residents; Potassium, Calcium and Magnesium Disorders; Feb 19, Chicago.
- 2000 Annual Meeting American Urological Association; Plenary State of the Art Address, Causes of Renal Stones; May 3, Atlanta Ga
- 2000 Spring Meeting ROCK Society; State of the Art Address and meeting moderator; May 2, Atlanta Ga
- 2000 CME Course - Nephrolithiasis; Annual Meeting AKSM, Co Sponsor with ASCP, Orlando FLA, August 3 - 7
- 2000 Harvard Medical School Nephrology Course: Nephrolithiasis - Pathogenesis and Treatment, and Case Presentations and Workshop; Sept 25 - 26
- 2000 University of Chicago Medical School, Dept of Medicine Grand Rounds: A patient with stones and bone disease; Oct 10
- 2001 Endourology 2001; Metabolic Evaluation of Stone Formers; workshops on case presentations; San Juan Puerto Rico, March 9-11
- 2001 Harvard Medical School Nephrology Course: Pathogenesis and Treatment of Nephrolithiasis, and Workshop case presentations. May 10 - 11, Boston Mass.
- 2001 1st International Consultation on Stone Disease; Invited Participant and Committee Member; June 4- 5 Paris France
- 2001 American Kidney Stone Management Annual CME Meeting; Jamaica, August 2 - 5; 2 lectures on nephrolithiasis.
- 2002 Dept of Medicine Housestaff: Nephrolithiasis, February 7
- 2002 Northwestern University; Urology Grand Rounds: Nephrolithiasis, Feb 28th
- 2003 Endourology 2003: Chicago, April 25th; Treatment of Nephrolithiasis.
- 2003 Poetry of Emily Dickinson; Course in Committee on Social Thought, the College, and American Studies, Divinity School; Spring Quarter.
- 2003 American Kidney Stone Management Annual CME Meeting; Florida, August 2 - 5; 2 lectures on nephrolithiasis.
- 2003 Loyola University School of Medicine, Medicine Grand Rounds; Management of Nephrolithiasis; August 19th
- 2003 Sixth Annual Post - Graduate Course in Urology; St Peter's Kidney Stone Center, Albany NY, Oct 3rd and 4th. Four lectures in stone disease.

CURRICULUM VITAE: FREDRIC LAWRENCE COE

- 2004 Mayo Clinic Grand Rounds in Nephrology, August 16 - 18; Pathogenesis and treatment of nephrolithiasis.
- 2004 University of Iowa and Iowa Urological Society; Clinical Management of Nephrolithiasis. Iowa City, October 15 - 16.
- 2004 Pittsburgh Urological Association, Fall meeting; Clinical management of Nephrolithiasis. Pittsburgh PA November 15 - 16
- 2004 Grand Rounds, Urology and Nephrology Loyola University Medical School, December 17th; Pathogenesis and treatment of nephrolithiasis.
- 2005 Annual Meeting ROCK Society, San Antonio, Texas; New Research in Nephrolithiasis May 25.
- 2005 Cook County Hospital Urology Grand Rounds Chicago, August 2
- 2005 Kaiser Permanente Annual Urology Symposium; guest speaker, three presentations: pathogenesis of stones, case discussions and research presentation; October 12th
- 2005 American Society of Nephrology National Meeting; Invited lecture; Renal Mechanisms of Hypercalciuria. November 12, Philadelphia
- 2006 Chicago Urological Society; Pathogenesis and Treatment of Nephrolithiasis. Feb 1; Chicago, IL
- 2006 Invited Lecturer, American Association of Clinical Endocrinologists, Fifteenth Annual Meeting, Chicago, April 30: Pathogenesis and Treatment of Nephrolithiasis
- 2006 Lecture: Case Studies in Nephrolithiasis; Urology Associates of North Texas, July 11, Dallas.
- 2006 University of Illinois Dept of Urology Grand Rounds; Pathogenesis and Treatment of Nephrolithiasis, Chicago, October 11.
- 2007 New Frontiers in Endourology; Pathogenesis of Nephrolithiasis; Treatment of Nephrolithiasis; Seven hours of case presentations. Univ of California, Irvine, Jan 26-27, Irvine California.
- 2011 Chicago Urological Society: Kidney Stones
- 2011 MGH Board Review Course in Nephrology, Cambridge Mass, June 8; Kidney Stones
- 2011 University of Chicago Works of the Mind Lectures: Theme and Variation: The Imaginative Impulse and the Conceiving Mind in Poetry and Science. Chicago Cultural

CURRICULUM VITAE: FREDRIC LAWRENCE COE

	Center, Claudia Cassidy Theater, December 4 th
2012	University of Chicago Dept. of Medicine Grand Rounds: Pathogenesis and Treatment of Nephrolithiasis, Jan 17 th .
2012	MGH Board Review Course in Nephrology, Boston Mass, June 14; Kidney Stones
2013	University of Illinois Urology Grand Rounds: Pathogenesis and Treatment of Renal Stones; April 17, 2013
2014	11 th International Primary Hyperoxaluria Workshop, June 27 – 28: Invited presentation: Proximal Tubule Supersaturation as a Mechanism for Renal Failure in PH1
2014	Grand Rounds, Dept. of Urology, University of Chicago, July 23.

SELECTED INVITED RESEARCH PRESENTATIONS

1974	Beth Israel Hospital, Boston Ma, Seminars in Medicine, Hypercalciuria and Hyperuricosuria in patients with Calcium Nephrolithiasis
1975	International Colloquium on Renal Lithiasis, Gainesville, Fla, Jan, Evidence for a Role of Hyperuricosuria in the Genesis of Calcium Oxalate Stones
1979	International Phosphate Research Meeting, Strasbourg, France, July; Uric Acid and Calcium Nephrolithiasis
1980	American Urological Association, San Francisco, Ca, National Seminar on Nephrolithiasis, Invited panelist and Speaker
1980	International Conference on Renal Lithiasis, Williamsburg, Va, Invited Speaker, July, Uric Acid and Calcium Stones
1980	Welcome Foundation, Symposium on Nephrolithiasis, Paris, France, Nov, Plenary Address, Pathogenesis and Treatment of Nephrolithiasis
1981	Kidney Foundation of Michigan, Annual Seminar in Nephrology, Ann Arbor, June, Invited Speaker, Nephrolithiasis
1981	National Symposium on Nephrolithiasis, Verona, Italy, Plenary Address, Nephrolithiasis, July
1982	American Society of Nephrology, Annual Meeting, Chicago Il, Dec, State of the Art Address, Plenary meeting, Pathogenesis of Hypercalciuria
1982	Williams College, Williamstown Ma, Special meeting, Adaptation to Reduced Renal

CURRICULUM VITAE: FREDRIC LAWRENCE COE

	Mass, Mineral Metabolism in renal failure, July
1983	International Bone and Mineral Symposium, Henry Ford Hospital, Detroit, Mi, June, Member Organizing Committee, Invited speaker, Idiopathic Hypercalciuria
1984	International Congress of Nephrology, Los Angeles, Ca, July, Chairman, Symposium on Nephrolithiasis
1985	7th International Workshop on Phosphate and other Minerals, Marseille, France, July, Invited Speaker
1985	Kidney Foundation of Michigan, Annual Seminar in Nephrology, Ann Arbor, June, Invited Speaker, Nephrolithiasis
1985	American Society of Nephrology, Annual National Meeting, New Orleans, La, CHairman, Symposium on Nephrolithiasis
1986	Midwest Salt and Water Club, Central Society Society for Clinical Research combined Annual Meeting, Chicago Il, November, Invited Lecture, Nephrocalcin
1987	American Association of Endocrine Surgeons, 8th Annual Meeting, Chicago Il, March 30 to 31, Plenary Address, Frontiers of Research in Nephrolithiasis and Nephrocalcinosis
1987	International Symposium on Macromolecular Inhibitors of Crystal Growth, Bologna Italy, Sept 7 to 10, Invited Lecturer and Panel Chairman
1988	6th International Symposium on Nephrolithiasis, Vancouver, Canada, July 24 to 28, Member International Consulting Scientific Program Committee, Section Chairman, Theme Poster Section Chairman, Invited Speaker
1988	Japanese Urological Society, Annual Meeting, Tokyo, Japan, Oct 20 to 30, Plenary Address
1989	National Kidney Foundation, Annual Meeting, Dec 4th, Invited Address, Nephrolithiasis
1989	American Society of Nephrology, Dec 4 to 8, Special Lecture, Intra Nephronal Supersaturation
1990	Finlayson Colloquium on Urolithiasis, Gainesville Fla, April 22 to 24, Invited Speaker
1990	Actualites Nephrologiques de L'Hopital Necker, Paris France, May 5 to 9, Invited Speaker, Heredity in Nephrolithiasis
1990	California Academy of Medicine, Sept 22, Guest Speaker, Protein Inhibitors of Crystallization
1991	NIH, NIADDK, Division of Kidney , Urologic and Hematological Diseases; Research

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Seminar, Nephrocalcin: A Urinary Glycoprotein that Inhibits Calcium Oxalate Stone Growth. Jan 16

- 1991 University of Chicago, Grand Rounds, Dept of Medicine: Molecular Biology of Nephrocalcin, a Normal Inhibitor of Crystallization. Feb 12.
- 1993 National Meeting American Urological Association; plenary address, Treatment of Nephrolithiasis, San Antonio Tx May 20
- 1993 Invited talk, Pathogenesis of Idiopathic Hypercalciuria; International Congress of Nephrology, Jerusalem Isreal June 2-9
- 1993 Spring Meeting National Kidney Foundation: Treatment of Nephrolithiasis Chicago IL April 24
- 1993 Invited Speaker NIDDK State of Art Conference on Nephrolithiasis; Bethesda MD Oct 4-5
- 1993 Invited Speaker; National Meeting American Lithotripsy Society, Chicago IL Oct 15
- 1994 Two lectures, Metabolic Stone Disease, Treatment of Nephrolithiasis; Chicago Urological Society, Feb 2, Chicago.
- 1994 Panel Chairman and Invited Lecturer; American Lithotripsy Socoiety Annual Symposium on Stone Management, NY NY March 17-20
- 1994 American Urological Association National Meeting on Calculi; invited speaker and panel chairman; Chicago IL April 8-10
- 1994 International Meeting La Societe Belge D'Urologie; Special invited lecturer, Luxembourg, June 3-4
- 1996 Spring Meeting National Kidney Foundation: From Bench to Bedside, Pathogenesis of Nephrolithiasis: Invited lecture; Ahaheim CA March 23
- 1996 National Kidney Foundation Spring Meeting: Evaluation and Treatment of Nephrolithiasis; invited lecture
- 1997 ROCK Society July 15-18; Urinary Inhibitors of Crystallization; Invited Talk
- 1997 Chair and Organizer; Literature Update Kidney Stones; National Meeting American Society of Nephrology, Nov 4, San Antonio Tx
- 1998 Organizer and Speaker; Clinical Science Symposium Nephrolithiasis; National Meeting American Society of Nephrology, Oct 25, Philadelphia PA

CURRICULUM VITAE: FREDRIC LAWRENCE COE

- 1998 Invited Speaker, New Horizons in pathogenesis and treatment of Oxalosis: NIH NIDDK, Washington, December 8 - 9; Calcium Oxalate Crystallization In the Kidney and Urinary Tract.
- 1999 ROCK Society Second Finlayson Symposium, University of Florida, Gainesville Fla, Jan 28 - 31, 1999; section chair, and overall conference summary.
- 2003 AUA National Meeting; ROCK Society Presentation: Clinical implication of recent research concerning the pathogenesis of nephrolithiasis; April.
- 2003 University of Texas Southwestern Medical School, Mineral Research Program: New Research concerning the pathogenesis of nephrolithiasis; March.
- 2004 National Kidney Foundation National meeting; Panel Chair and speaker, Nephrolithiasis; Chicago, May 1.
- 2004 University of Iowa, Iowa Urological Society; New Research concerning Pathogenesis of Nephrolithiasis (Iowa City, October 15-16).
- 2006 National Institutes of Health NIDDK Urolithiasis Symposium, March 9-10, Baltimore MD; Pathogenesis of Hypercalciuria and Initial Site of Calcium Oxalate Stone Formation (2 presentations).
- 2006 Northwestern University Law Review and University of Chicago School of Law: Censorship and Institutional Review Boards; Invited speaker and panelist. April 7th Chicago, IL
- 2006 First Annual International Kidney Stone Symposium, Invited Lectures: Opening Address, 'The Future of Stone Research'; Research talks: 'Pathogenesis of Idiopathic Hypercalciuria' and 'Mechanisms of Stone Growth on Randall's Plaque'; Postlude to the Meeting. Indianapolis Indiana, November 1-3.
- 2007 ROCK Society, Dallas Texas: Regulation of urine pH in Stone Forming Patients and Normal Subjects: Role of GI Anion Absorption (April)
- 2008 National Institutes of Health NIDDK Symposium on Oxalate, Invited speaker, Oxalate in the Human Kidney, Dec 12-14, Washington
- 2010 American Society of Nephrology: Treatment of Kidney Stones, National meeting, November, Denver.
- 2012 American Society of Nephrology: Pathogenesis of Calcium Kidney Stones, National meeting, October, San Diego
- 2013 Keynote Address International Congress on Nephrolithiasis, Rome Italy, March 16:

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Evolution and Society in Pathogenesis of Calcium Renal Stones.

2013 American Society of Nephrology: Mechanisms of Calcium Kidney Stone Pathogenesis.
National meeting, Atlanta Ga October.

SELECTED VISITING PROFESSORSHIPS

1973	Mayo Foundation, Rochester Minnesota, Medicine
1975	University of Illinois, Chicago, Medicine and Physiology
1976	University of Wisconsin, Madison, Medicine
1976	University of Michigan, Ann Arbor, Nephrology
1977	University of Iowa, Iowa City, Medicine and Physiology
1977	Mayo Foundation, Rochester Minnesota, Medicine
1977	Northwestern University, Chicago, Medicine
1978	Washington University, St Louis, Mo, Medicine
1978	Harvard University, Cambridge Mass, Medicine and Nephrology
1978	Stanford University, Palo Alto, Nephrology
1978	UCLA, Medicine
1979	University of Illinois, Chicago, Medicine and Physiology
1979	McGill University, Montreal, Quebec Canada, Medicine and Physiology
1979	Henry Ford Hospital, Detroit, MI, Medicine
1979	Medical College of Wisconsin, Milwaukee WI, Medicine and Physiology
1979	Harvard University, Cambridge Mass, Medicine and Nephrology
1979	Northwestern University, Chicago, Medicine
1980	University of Minnesota, Minneapolis, Minnesota, Medicine
1980	Clairmont Ferrand, France, School of Medicine, Medicine and Nephrology
1981	University of Iowa, Iowa City, Medicine and Physiology
1981	McGill University, Montreal, Quebec Canada, Medicine and Physiology

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1981	University of Colorado, Medicine
1981	Albert Einstein College of Medicine, Medicine
1981	University of Toronto, Toronto Canada, Medicine
1981	University of Michigan, Ann Arbor, MI, Nephrology
1982	University of British Columbia, Vancouver Canada, Medicine
1982	Harvard University, Cambridge Mass, Nephrology
1984	UCLA, Medicine
1985	Dalhousie University School of Medicine, Halifax, Nova Scotia, Nephrology
1985	University of Michigan, Ann Arbor, Medicine
1985	Northwestern University, Chicago, Medicine
1986	Rockefeller University, Laboratory of T E Kaiser
1986	Boston University, Boston Mass, Medicine and Nephrology
1986	Instituto Nacional De Cardiologia, Mexico City, July 16 to 18
1986	Stanford University, Palo Alto, Nephrology
1986	UCLA, Medicine
1988	Oregon Health Sciences University, Portland Oregon, May 16 to 17, Noble Wiley Jones Visiting Professorship in Medicine
1989	Stanford University, Palo Alto, April 2 to 10, Shenson Visiting Professor of Medicine
1992	McGill University, Montreal Canada, May 19-21; first Stikeman Visiting Professor, Nephrology and Urology
1993	Stanford University, Nephrology, October 9-10
1994	University of Rochester School of Medicine, Nephrology, March 23-24
1995	University of Pennsylvania, Nephrology; March 27-28; gave the annual Murray Lecture.
1996	Indiana University, Indianapolis IN; Feb 9-12, Nephrology and Medicine
1996	New York University, NY; Medical Grand Rounds and Visits; October 9.
1997	Abraham Rapoport Visiting Professor; University of Toronto, Oct 6-8
1998	University of Vermont; Visiting Professor in Medicine (Nephrology) April 22-24

CURRICULUM VITAE: FREDRIC LAWRENCE COE

2003	Univ of California, San Francisco, Dept of Urology, Grand Rounds and visiting professor, Nephrolithiasis; Nov 11 - 13 th .
2004	Mayo Foundation and Mayo Clinics, Visiting Professor, Grand Rounds and Research Presentations, Nephrolithiasis; August 16-18.

EDITORIAL ACTIVITIES

1978	Guest Editor, Medical Clinics of North America, Clinical Nephrology
1979 to Present	Editorial Board, Seminars in Nephrology
1981 to 1986	Editorial Board, American Journal of Kidney Diseases
1981 to 1986	Editorial Board, American Journal of Nephrology
1982 to 1989	Editorial Board, Journal of Clinical Investigation
1990 to 1995	Editor and Chief, Year Book of Nephrology
1992 to present	Editorial Board, The Pharos (Poetry Editor)
1996 to present	Editorial Board, The Society for Experimental Biology and Medicine
2002 - 2006	Editorial Board, Journal of Urology (Councillor)

RESEARCH GRANTS AND AWARDS (Amounts are total Direct Costs)

1967 to 1969	USPHS Special Fellowship, Laboratory of D Seldin
1972 to 1975	IRMP OG-18 (Principle Investigator) \$804,217: Illinois Regional Medical Program Grant, Illinois Hypertension Registry
1974 to 1976	IRMP OG-32B (Principle Investigator) \$371,262
1974 to 1975	IRMP OG-40B (Principle Investigator) \$159,224
1974 to 1978	NIH MB 00198 (Principle Investigator) \$210,854: Computers in Medical Diagnosis
1977 to 1982	NIH AM 20585 (Principle Investigator) \$1,399,015: SCOR in Urolithiasis
1982 to 1987	NIH AM 33949 (Principle Investigator) \$1,378,546: Urolithiasis Program Project Grant, continuation of AM 20585
1982 to 1985	NIH AM 31007 (Project Director) \$195,137

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1986 to 1990	NIH DK 07510 (Principle Investigator) \$279,986: Nephrology Training Grant
1987 to 1992	NIH AM 33949 (Principle Investigator) \$2,857,116: Program Project Grant in Urolithiasis, continuation
1990-1995	NIH DK 07510 (Principle Investigator) \$484,899: Nephrology Training Grant
1993-1998	NIH DK47631 (Principle Investigator) George M O'Brien Center for the Study of Kidney Disease (Nephrolithiasis) \$3,988,395
1993-1997	Merck Company Industrial Grant; Losartin Stone forming Potential Protocol 092; \$792,000
1995 - 2000	NIH DK 07510 (Principle Investigator) \$484,899: Nephrology Training Grant
1998-1999	NIH DK47631 (Principle Investigator) George M O'Brien Center for the Study of Kidney Disease (Nephrolithiasis) - Bridge Extension Year: \$210,000
1999 - 2005	NHLBI HL04093 (Principle Investigator) Clinical Research Training Program (Biological Sciences Division program for training clinical investigators). \$1,000,000
2000 - 2005	NIH NIDDK PO DK56788 (Principle Investigator) Pathogenesis and Treatment of Calcium Nephrolithiasis. \$5,000,000
2005-2010	NIH NIDDK PO DK56788 (Principle Investigator) Pathogenesis and Treatment of Calcium Nephrolithiasis. \$5,000,000
2005-2010	NHLBI HL04093 (Principle Investigator) Clinical Research Training Program (Biological Sciences Division program for training clinical investigators). \$1,000,000
2011-2016	NIH NIDDK PO DK56788 (Principle Investigator) Pathogenesis and Treatment of Calcium Nephrolithiasis. \$7,000,000

TRAINEES

Name	Year Began	Year Ended	Present Position
John Firpo	1971	1974	Practice
Satish Kathpalia	1972	1974	Practice
Alan Kavalich	1973	1976	Practice
Donald Hollandsworth	1973	1975	Practice
Carlos Lehne	1974	1976	Venezuela - Academic and Practice

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Haruo Ito	1975	1977	Professor, University of Chiba, Japan
David Weber	1976	1978	Practice
Jerry Dancik	1978	1984	Practice
Joseph Haslitt	1979	1981	Practice
David Leehey	1979	1981	Professor Loyola University
Daniel Giesser	1979	1981	Practice
David Imler	1980	1982	Practice
Elvira Ferrari	1980	1982	Practice
Kirk Calhoun	1981	1983	Practice
Gregorios Riera	1981	1983	Practice
Demetrios Zekos	1982	1986	Practice
Feroz Alam	1982	1983	Practice
Elaine Worcester	1982	1986	Professor of Medicine, University of Chicago Director, Kidney Stone Laboratory
Steven Mischel	1982	1984	Practice
Konstantin Vogt	1983	1984	Practice
Cynthia Kristensen	1983	1985	Practice
Jean Holly	1983	1986	Professor Univ of Rochester
Bruno Delahaye	1983	1984	Practice
Martin Kittaka	1984	1986	Practice
Joshua Bailin	1984	1987	Practice
Mark Richter	1984	1986	Practice
Eric Cohen	1984	1986	Professor, Univ of Wisc Milwaukee
Satish Kumar	1984	1988	Professor Univ of Oklahoma
Salvatore Venture	1985	1986	Practice

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Steve Borkin	1985	1986	Practice
Paul Sacks	1985	1987	Practice
Patsy Maikranz	1985	1987	Practice
Bernie Hess	1986	1988	Chief, Medicine, District Hosp of Zimmerberg, Switzerland
Dahvie Sviring	1986	1988	Professor, Khon Kaen Medical School, Thailand
Jason Umans	1986	1988	Professor GW University, Wash DC
Cynthia Wabner	1986	1988	Director, Mission Pharm. Clinical Labs
Stuart Sprague	1986	1989	Director Bone/Mineral Unit and Chief, Nephrology Section, NW Univ Evanston Campus
George Bakris	1986	1988	Professor Rush Medical School Chicago (to 2006) Professor University of Chicago 2006-
Brian Peppiatt	1986	1988	Practice
John Asplin	1987	1991	Assist Prof University of Chicago; 2002-present, Medical Director, Litholink Corp
Susan Mendley	1987	1990	Professor Peds, Childrens's Hosp Balt
Michelle Josephson	1987	1991	Professor of Medicine Univ of Chicago
Herbert Cohen	1988	1992	Professor of Medicine Boston University
Jose Weissenger	1988	1990	Professor, Chief Nephrology, Univ Central de Venezuela
Michael Netzer	1988	1989	Practice, GU, Germany
John Lieske	1989	1993	Asst Prof Univ of Minnesota, Mayo Clinic
Sharon Moe	1989	1992	Professor of Medicine Indiana University
Cynthia Desoi	1989	1991	Practice
John Reed	1989	1991	Practice
David Sachs	1990	1991	Practice

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Richard Benson	1990	1991	Practice
Anthony Demory	1990	1993	Practice
Tammy Ho	1991	1994	Assistant Professor of Medicine, NW Univ Evanston Campus
Agnes Johenning	1991	1993	Practice
James Porile	1991	1993	Practice
Mary Hammes	1992	1995	Assistant Professor of Medicine, Univ of Chicago
Patrick Murray	1992	1995	Professor of Medicine Univ of Chicago
Sudarshan Hebbar	1993	1995	Practice
Osvaldo Wagener	1993	1996	Practice
Denise Arnsenault	1993	1995	Assistant Professor, McGill University
Sada Pillay	1994	2000	Dir International Acquisitions Abbot Labs
Bertrand Dussol	1994	1996	Associate Prof Univ of Marseille
Cigdem Osbashli	1994	1996	Practice
May Chiu	1994	1997	Practice
Mohan Abraham	1994	1996	Practice
Ayub Akbari	1995	1997	Practice
Chris Hebert	1995	1996	Practice
Brigitte Schiller	1996	1998	Practice
Tanuja Mishra	1996	1999	Practice
May Chen	1996	1999	Practice
Claudia Iota-Herbei	1997	1999	Practice
Babu Shersad	1997	1999	Practice
Patrick Cunningham	1997	2000	Assistant Professor University of Chicago
Mosheer Ibrahim	1998	2000	Practice

CURRICULUM VITAE: FREDRIC LAWRENCE COE

Pretti Nagarkatte	1999	2001	Practice
Joshua Trob	1999	2001	Practice
Kathleen Uy	1999	2001	Practice
Anna Zisman	2007	2010	Assistant Professor University of Chicago

PROTEGES (Mentor for career development)

Name	Years	Nature of Mentoring Role, Present Position
Murray Favus	1974 - 1976	Introduced to field of mineral research; Presently Professor of Medicine, Univ of Chicago, (Director GCRC to 2004)
David Bushinsky	1978 - 1982	Introduced to field of mineral research; Presently Professor of Medicine and Physiology Univ of Rochester, Chief Nephrology Section
Craig Langman	1982 - 1984	Fostered research career in mineral research; Presently Professor of Pediatrics, NW University Children's Memorial Hospital, Chief Pediatric Nephrology
Elaine M Worcester	2002-present	Fostered Research Career in Stone Disease; Presently Professor of Medicine, University of Chicago, Chief Clinical Nephrology and Director, Kidney Stone Program
Mary Hammes	2004-present	Fostered Research Career in Nephrology; Presently Assistant Professor of Medicine, Director of 55 th street Dialysis Unit, University of Chicago; Won an R01 grant 2010
Michelle Josephson	2002-present	Fostered Research Career in Nephrology; Presently Professor of Medicine and Director of Medical Transplantation, University of Chicago
Nicole Stankus	2002 - 2008	Fostered Research Career in Nephrology; Presently Assistant Professor of Medicine, and Director of 88 th street dialysis Unit, University of Chicago
Orly Cohn	2005- present	Fostered Research Career in Nephrology; Presently Associate Professor of Medicine and Director of CAPD and Home Hemodialysis, University of Chicago

CURRICULUM VITAE: FREDRIC LAWRENCE COE

David Goldfarb	2000-2007	Mentored transition from dialysis director to research in kidney stone research and clinical management; presently (?rank) NYU
Anna Zisman	2010 -	Mentor for her initial faculty position in the renal section UC
Jen Ennis	2010 -	Mentor; Medical Director for CKD, Litholink Corporation.
Bharathy Reddi	2011 -	Mentor for her development of research in PCKD

CHAPTERS, REVIEWS, POEMS (MATERIAL NOT IN PUB MED); stopped listing 2008

2008 – present	New and added book chapters no longer recorded
2008	Bushinsky, DB, Coe, FL, and Moe, O: Nephrolithiasis, in The Kidney, Brenner, BM, editor, 8 th ed, Saunders, Phila, pp 1299-1349.
2008	Coe, FL, Parks, JH, Evan, A, and Worcester, EM: Pathogenesis and Treatment of Nephrolithiasis, in Seldin and Giebisch's The Kidney, Alpern RJ and Hebert, SC, eds, 4 th edition, Elsevier, 2008, pp 1945 - 1977.
2008	Asplin JR, Coe, FL and Favus, MJ: Nephrolithiasis, in Harrison's Textbook of Medicine, 17 th ed, MrGraw Hill, NY, 2008, pp 1815-1820
2008	To a Friend at Sixty Leaving for a New Job (A Poem). Pharos, Spring Edition
2007	Coe, FL: Kidney Stone Research, Lessons from Human Studies, in Renal Stone Disease, Evan AP, Lingeman, JE and Williams, JC, jr, American Institute of Physics, 978-0-7354-0406/07, 2007, pp 3-11
2007	Dialysis Rounds (A Poem) Pharos, Spring, p 65
2007	Coe, FL: The Costs and Benefits of a Well-Intended Parasite: A witness and Reporter on the IRB Phenomenon. Northwestern University Law Review 101:723-734.
2005	Goldfarb, DS and Coe, FL: Renal Stone Disease and Obstruction, in Hospital Medicine, Second Edition, Wachter, RM, Goldman, L, and Hollander, H, editors, Lippincott Williams and Wilkins, Phila, 2005, Chapter 103, pp 1037 - 1044
2005	Favus, MJ and Coe, FL: Idiopathic Hypercalciuria and Nephrolithiasis, Chapter 77, in Vitamin D, Feldman, D, Pike, WJ and Glorieux, FH, eds, Second edition, Elsevier, Academic Press, Burlington, MA, 2005, pp 1339 - 1354
2005	Asplin JR, Coe FL, Favus MJ: Nephrolithiasis, chap. 268, in <i>Principles of Internal Medicine</i> , 16

CURRICULUM VITAE: FREDRIC LAWRENCE COE

	ed., edited by Kasper DLea McGraw Hill, 2005, pp 1710-1714
2004	Coe FL, Favus M, Asplin JR: Nephrolithiasis, chap. 39, in <i>The Kidney</i> , 7 ed., edited by Brenner BM 2004, pp 1819-1866
2003	Coe FL and Parks, JH: Medical Management of Nephrolithiasis, in <i>Therapy in Nephrology and Hypertension</i> , Brady, HR and Wilcox, CS editors, Saunders, London, 2003, Chapter 39, pp 399 - 404
2003	Coe FL: At The Annual Scientific Meeting (A Poem). <i>Pharos</i> In Press:
2002	Coe FL, Favus MJ: <i>Disorders of Bone and Mineral Metabolism (A Book in 2027 Pages)</i> . 2 ed. Philadelphia, Lippincott Williams and Wilkins, 2002
2002	Goldfarb D, Coe FL: Urolithiasis. <i>Best practice of Medicine - a Web Based Book</i> , 2002
2000	Coe FL, Parks JH: Pathogenesis and Treatment of Nephrolithiasis, chap. 67, in <i>The Kidney: Physiology and Pathophysiology</i> , 3 ed., edited by Seldin DG and Giebisch, Phila, Lippincott Williams and Wilkins, 2000
2000	Goldfarb D, Coe FL: Renal Stone Disease and Obstruction, chap. 89, in <i>Hospital Medicine</i> , edited by Wachter RMGL, Hollanfer H, Phila, Lippincott Williams and Wilkins, 2000, pp 851-857
1999	Coe FL: Summary of Second Finlayson Symposium. <i>JASN</i> 10:S466, 1999
1999	Coe FL: 3(4): Fragments (A Poem). <i>Pharos</i> 62:6, 1999
1999	Coe FL, Parks JH: Hypercalciuria in the Twentieth Century, in <i>Kidney Stones</i> , edited by Borghi L, Meschi T, riganti A <i>et al.</i> , Parma, Italy, Editoriale Bios, 1999, pp 43-50
1998	Coe FL: The Cracking of the Mold (A Poem). <i>Ann Intern Med</i> 128:317-318, 1998
1998	Coe FL, Parks JH: Medical Management of Nephrolithiasis, chap. 42, in <i>Therapy in Nephrology and Hypertension: A Companion to Brenner and Rector's The Kidney</i> , edited by Brady, and Wilcox, Philadelphia, W.B. Saunders, 1998, pp 317-321
1998	Favus M, Coe FL: Diagnosis Prevention and Treatment of Post menopausal Osteoporosis: Focus on the Elderly, in <i>Curriculum for Primary Care Geriatrics</i> University of Chicago, 1998, pp 68-72
1998	Goldfarb D, Parks JH, Coe FL: Renal Stone Disease in Older Adults, in <i>Genitourinary Problems</i> (vol 14), Clinics in Geriatric Medicine ed., edited by Beck LR, Philadelphia, Saunders, 1998, pp 367-381

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1997	Coe FL: THE HIRELINGS (A Poem). <i>Ann Intern Med</i> 127:241, 1997
1997	Coe FL: Parties to War (A Poem). <i>Pharos</i> 61:31, 1997
1997	Coe FL: In the Kingdom of War (A Poem). <i>Ann Intern Med</i> 127:1126-1127, 1997
1997	Favus MJ, Coe FL: Idiopathic Hypercalciuria and nephrolithiasis, chap. 53, in <i>Vitamin D</i> , edited by Feldman D, Glorieux FH, Pike JW, San Diego, Academic Press, 1997, pp 867-881
1997	Parks JH, Coe FL: Nephrolithiasis and Nephrocalcinosis, chap. 8, in <i>Suki and Massry's THERAPY OF RENAL DISEASES AND RELATED DISORDERS, THIRD EDITION</i> , 3 ed., edited by Suki WD, Massry SG, Boston, Kluwer Academic Publishers, 1997, pp 167-187
1996	<i>Kidney Stones Medical and Surgical Management</i> , edited by Coe FL et. al, Phila, Lippincott Raven, 1996 (A Book in xx Chapters) Coe FL: <i>Kidney Stones: Medical and Surgical Management</i> . 1 ed. New York, Raven Press, 1996
1996	Breslau NA, Coe FL: Management of Idiopathic Hypercalciuria, in <i>Kidney Stones Medical and Surgical Management</i> , edited by Coe FL et. al, Phila, Lippincott Raven, 1996
1996	Coe FL: About Love (A Poem). <i>APPA Journal</i> Autumn Issue:16, 1996
1996	Coe FL: Aunt Jane (A Poem). <i>APPA Journal</i> Autumn Issue:15, 1996
1996	Coe FL, Parks JH: Nephrolithiasis, chap. 79, in <i>Primer on the Metabolic Bone Diseases and Disorders of Mineral Metabolism</i> , Third ed., edited by Nephrolithiasi, Phila, Lippincott - Raven, 1996, pp 433-437
1996	Coe FL editor: <i>Yearbook of Nephrology</i> . 5 th Ed. Chicago IL, YearBook Publishers, 1996, 1-443 pp
1996	Parks JH, Coe FL: Pathogenesis and Treatment of Calcium Stones, in <i>Kidney Stones</i> (vol 16), edited by Bushinsky DA, Phila, Saunders, 1996, pp 398-411
1995	Asplin JR, Favus MJ, Coe FL: Nephrolithiasis, in <i>The Kidney</i> , 5 ed., edited by Brenner BM, Phila, W B Saunders, 1995, pp 1893-1935
1995	Coe FL: Renal Colic and Flank Pain, chap. 32, in <i>Text Book of Nephrology</i> , 3 ed., edited by Massry S, Glasscock RJ 1995, pp 567-573
1995	Coe FL: THE VIRUS OF LOVE (A POEM). <i>Ann Intern Med</i> 123:313, 1995
1995	Coe FL: <i>YearBook of Nephrology</i> . 4 th Ed. Chicago IL, Mosby, 1995

CURRICULUM VITAE: FREDRIC LAWRENCE COE

1995	Favus MJ, Coe FL: Nephrolithiasis, in <i>Principles and Practice of Endocrinology and Metabolism</i> , 2 ed., edited by Becker KL, Phila, J B Lippincott, 1995, pp 622-630
1994	Coe FL: AT THE SEA'S EDGE (A Poem). <i>Ann Intern Med</i> 120:436, 1994
1994	Coe FL: WILLIAM WITHERING (A POEM). <i>Pharos</i> 57:41, 1994
1994	Coe FL: <i>YearBook of Nephrology</i> . 3rd Ed. Chicago IL, Mosby, 1994, 1-467 pp
1993	Coe FL: IN LORING PARK (A POEM). <i>JAMA</i> 269:2728, 1993
1993	Coe FL: AT KING ARTHUR'S COURT (A Poem). <i>JAMA</i> 269:1194, 1993
1993	Coe FL: BETWEEN FRIENDS (A Poem). <i>Pharos</i> 56:19, 1993
1993	Coe FL: <i>The Yearbook of Nephrology</i> . 2 ed. Chicago, Yearbook Medical Publishers, 1993, 1-386 pp
1993	Davison JM, Nakagawa Y, Coe FL, Lindheimer MD: Increases in Urinary Inhibitor Activity and Excretion of an Inhibitor of Crystalluria in Pregnancy: A defense against the hypercalciuria of normal gestation. <i>Hypertens Preg</i> 12(1):25-35, 1993
1993	Maren TH, Fine AD, Asplin JR, Coe FL: Divalent Electrolyte Excretion in the Marine Teleost, <i>Myoxocephalus Octodecimspinosus</i> With Reference to Urinary Precipitates. <i>Bull Mt Des Island Biol Lab</i> 32:100-103, 1993
1992	Coe FL: VESPER (A Poem). <i>Ann Intern Med</i> 117:615, 1992
1992	Coe FL: THE JEOPARDY (A Poem). <i>Pharos</i> 55:39, 1992
1992	Coe FL, Favus MJ: <i>Disorders of Bone and Mineral Metabolism (An edited book in 53 chapters)</i> . 1 ed. New York, Raven Press, 1992, 1-2200 pp
1992	Coe FL, Parks JH, Nakagawa Y: Inhibitors and promoters of calcium oxalate crystallization, chap. 35, in <i>Disorders of bone and mineral metabolism</i> , 1 ed., edited by Coe FL, Favus MJ, New York, Raven Press, 1992,
1992	Coe FL: <i>The Year Book of Nephrology 1992</i> . 1 ed. St Louis Mo, Mosby YearBook, 1992, 1-323 pp
1991	Asplin JR, Coe FL: Nephrolithiasis, chap. 109, in <i>Current Therapy in Endocrinology and Metabolism</i> , 4 ed., edited by Bardin CW, Philadelphia, B.C. Decker, 1991, pp 461-467
1991	Coe FL: Commentary: Allopurinol Treatment of Uric Acid Disorders in Calcium Stone

CURRICULUM VITAE: FREDRIC LAWRENCE COE

	Formers. <i>J Lith Stone Dis</i> 3:272-281, 1991
1991	Coe FL: The Patient with Renal Stones, chap. 6, in <i>Manual of Nephrology</i> , 3 ed., edited by Schrier RW, Boston MA, Little Brown and Company, 1991, pp 89-101
1991	Coe FL, Parks JH: Medical management of renal stone disease, chap. 7, in <i>Advances in Urology</i> , 4 ed., edited by Lytton B, Chicago, Mosby Year Book, 1991, pp 105-128
