find

an

inter

estin

g

way

to

do

it.

Here

are

som

e

suggesti

ons but
I'm sure
you can
think of
other
ways too.

-Tables bingo

-Times tables races

-Make a matching pairs
times tables game -Make
your own Super Hero
challenge or - **-Big Maths**
Beat That questions and
see if you can answer all
the questions (You could even
time yourself!) Log in to your
SumDog account, I will set
some tasks for you

https://www.sumdog.com/user/sign_in Create
random
calculations to
revise addition
and subtraction
strategies. Use
different strategies
to complete
different
calculations.

Other

Create a Roman inspired line drawing **using only pencil or pen - try to add**
as much **detail** as possible.

Plan a healthy lunch **for your family.**

Challenge yourself **to see** how **long you can** bounce or dribble a ball (**use your**
basketball **techniques**)

Read a **section of a book**, choose a **book**
detective task to **complete** then continue **the next**
section of the book. (**Book Detective tasks** can
be **found at** near **the front of your homework**
diary) Write your **own book**. It could be a

comic book, **graphic novel**, **story book**, or
non-fiction and remember to include
illustrations or

diagrams.

Log in to
Glow and
practice
your typing
skills in
Word by
typing a letter
to a friend.

Measure: Create a **family height chart** or make a **paper plane** and **see** how **far**
you can throw it - **estimate** and **measure**.

Collect all

Collect all your teddies, **Lego men**, cushions... and **divide them into** different
groups. How many equal **groups can you** make? How many **groups can you**
make which **have only 1** remainder?

Create a symmetrical picture. Be creative, use Lego bricks, pens and paper,
food or leaves and stones **in the** garden.

If you log onto **Glow** there are Science **related videos** and investigations through **the Tig Tag tile**. The class **GLOW** page also has links to follow for **interactive activities and websites** linked to different **areas of** the curriculum. You can **also** access **Word** and **PowerPoint** through **Glow so take the** chance to practice your word processing **and presentation skills too**.

I hope you all stay safe, well and keep learning.

Miss Airlie
