Legalization For All

- Do you want to show your solidarity with the people of Eagle Pass who are fighting against human rights violations at the border?
- Do you want to raise your voice and demand justice and peace for the migrants and the border communities?

- Do you want to join the national movement that is challenging the oppressive and harmful policies of Operation Lone Star?

If your answer is yes, then we invite you to submit your video now and be part of our campaign. We want to see and hear your messages of support, your stories of resistance, your visions of change. We want to share your videos with the world and show them that we are not alone, that we are not afraid, that we are not giving up.

Guidelines

Please submit your video by Monday, October 16th, using this [link](#). Your video should be no longer than 30 seconds. Mention the recent atrocities at the border, shout your support for Eagle Pass, and use the legalization for all demand. If you need a script as an example — **“Hola, my name is __ out of _YOUR CITY_ expressing my solidarity with refugees at the U.S./Mexico border and Eagle Pass, TX. Governor Greg Abbott, stop the attacks! Legalization for all now.”** You can use any language, style, or format that you prefer, as long as it is respectful and relevant. Wear your organization shirt if you have one. Film preferably outside or at a city landmark for others to see where you live and placing you in your own area.

You can also use any device or platform that you have access to, such as your phone, camera, laptop, or social media. Be sure to tag Legalization for All or DM us a link to that video. The deadline to submit your video is **Monday, October 16th**, so please hurry.

The videos will be spliced together by Jordan Peña from Los Angeles’ Centro Community Service Organization, and the video will be played during a vigil. The vigil will be for the lives lost at the Eagle Pass/Mexican border, and is being led by our sister organization Border Vigil. We look forward to seeing your videos and hearing your voices. Together, we can make a difference. Together, we can stand with Eagle Pass. Legalization for all!
