# COMMUNITY WARD UPDATE

During the month, community officers have continued to assist Inverkeithing High school with the Mentors against violence prevention course.

Officers have arrested and charged a female who has committed numerous theft by shoplifting offences during the month. She was held in Police custody to appear at Dunfermline sheriff court the next lawful day.

Community officers, along with Police Scotland traffic officers, have conducted speed checks within Aberdour and North Queensferry due to recent reports of speeding within the villages. This will continue to be an area of focus.

We are looking to introduce “Coffee with a Cop” at locations in the ward area. The first session will be held at Sands a Place by the Sea on Monday 6th April between 1000 – 1200 hours. This is a chance to meet your local community officers and discuss any issues you may have.

Throughout the month, community officers have been conducting anti-social behaviour patrols at the weekends. This allows officers the chance to positively engage with younger members of society whilst ensuring ASB related incidents are kept to a minimum.
