

2020-21 Parent Update

Nellie Reed Elementary

Parent Update 11-2-2020

Hello Nellie Reed families!

Believe it or not, it is NOVEMBER!!! Also here are some cute pictures from last week: [Pictures Week 10](#)

Please never hesitate to email me if you have any questions: jjohnston@corunna.k12.mi.us

Sincerely,
Jamie Johnston
Principal

Nellie Reed Reminders

Please click on the following [link](#) to view instructions on signing up for Nellie Reed. C

Cold weather

In the next few weeks, the cold weather will more than likely be coming to Michigan. Please make sure to pack and label hats, gloves, boots, etc. as our students go outside for recess every day.

The Gold Standard

Feel free to check out our district's 2nd edition of [The GOLD Standard](#) for lots of family resources.

Washing Masks

Just a friendly reminder to regularly wash cloth masks. This practice will keep your child clean and healthy.

Daylights savings time

Don't forget to set your clocks back one hour on November 1st :)

Next Virtual Learning Day - November 13 The following days will be designated as virtual learning days. Students do not attend school these days:

- ~~October 16~~
- ~~October 30~~
- November 13

Please see the letter sent to all parents on 9/25/2020 for further information

Reminders

PTO Information

If you are interested in being part of the Elementary PTO feel free to watch the video and fill out the contact form:

[PTO Facebook Page Introduction Video](#)

[PTO Contact Form](#)

Masks reminders

Just a reminder that students are required to wear masks everyday at school. Shield can only be worn in place of a mask with a doctor's note. Also, please make sure to regularly wash mask to keep our little ones healthy. Please contact the office or your child's teachers with any questions.

Returning to in-person learning

Online learners will not be able to return to in-person instruction until November 11th. Please contact the office with any questions. Also, we have had many students to school in-person. Please be aware that we will continue many of our safety practices, but we may have more than 3 students at a round table due to spacing. We continue to wear masks in the classroom and keep kids in classroom

cohorts to prevent any spread; however, please contact the office if your child may have medical conditions that need more attention.

Nellie Reed student pick up

Each class will have a designated door to be picked up. Please see the [Nellie Reed Parent Pickup Map](#) to find out where you will pick up your child.

The following classrooms will be picked up in the following areas:

- **Hampton/Haycock/Bauman** - You can pick your child up at the far door furthest from the staff parking lot (near where buses park)
- **Foster/Burns** - Main entrance door
- **Gustafson/Boilore** - By staff parking lot entrance.

Nellie Reed Social-Emotional Support Team

Here is a [link](#) introducing our district's Social-Emotional Support Team. This team is ready and available to help students and parents with any social, emotional, or academic needs.

Masks

Students have done a great job of being safe and wearing their masks while in school. We have had to issue a couple of reminders of making sure the masks cover the students nose. Please help us by reminding your child at home of the proper way of wearing a mask. **Also, a friendly reminder to make sure to wash or replace your child's mask daily.** This will keep your child and others safe.

COVID-19 Screening

As a reminder, families need to screen their student daily before school and not send their student to school if they display any of the symptoms of COVID-19 identified by the CDC, in an Executive Order, or in a local health department order. Symptoms include:

- Fever of 100.4 degrees or higher
- New or worsening cough
- Shortness of breath or difficulty breathing - NEW or DIFFERENT or WORSE from your baseline of any chronic illness
- Chills - NEW or DIFFERENT or WORSE from your baseline of any chronic illness
- Headache - NEW or DIFFERENT or WORSE from your baseline of any chronic illness
- Sore throat - NEW or DIFFERENT or WORSE from your baseline of any chronic illness
- Loss of smell or taste - NEW or DIFFERENT or WORSE from your baseline of any chronic illness
- Muscle pain - NEW or DIFFERENT or WORSE from your baseline of any chronic illness
- Had close contact with an individual diagnosed with COVID-19

Corunna Food Service Free Meals Information

The U.S. Department of Agriculture (USDA) has announced schools will be able to serve free meals to all children through December 31, 2020, or until the federal funding runs out.

This means ALL Corunna students are now going to receive a FREE breakfast and lunch!

This waiver allows us to go back and reimburse all students that were charged a breakfast and/or lunch since the beginning of this school year (8/24 – 8/31/2020). This may take some time, so please be patient. If your child was charged for a meal during the first 6 days of school, you will see a credit for this.

Online Students

All online students are eligible for free breakfast and lunch! These meals are available for pick up every Wednesday at the High School. You will need to sign up for the meals. Please click on this link <https://forms.gle/PjRYVYA6QcK1U7Sj8> to sign up for September Meals and learn more.

If you have any food service questions, please feel free to contact Erin Levi at (989) 743-8232

Online Learning Update

Students that have picked the option of online learning will be interacting with their teacher, special education teacher, or specials teacher. Assignments will be made available in weekly chunks and can be completed when convenient during the day. Students must have a caregiver to assist with learning which might mean assignments need to be completed in the evenings or on weekends when a caregiver is available. Instruction by teachers will occur through videos which can be viewed as many times as you or your child needs and/or would like. Teachers will be available to answer questions via email or phone. Parents must understand that communication may be delayed because these same teachers will be teaching to our in person students during school hours. Teachers have been encouraged to respond to all email and phone messages within a 24 hour time period. Parents should plan on coming to the school (roughly once a week) to pick up some learning materials that might be necessary to complete online learning (examples: classroom novel, textbook, math manipulatives, handouts, etc.)

Teachers are required to have two-way communication with students each week to discuss academic progress. Assignments **may be graded and participation through returned work or weekly communication will be monitored for attendance purposes.**

If you were a parent who indicated you didn't have a reliable internet connection, our plan is to load materials onto a flash drive to allow your student to access learning materials without the internet. This would need to be picked up on a weekly basis. We also have wi-fi connection available in all of our district parking lots. Please contact your teacher with any questions.

Online students ONLY - Meals

We are committed to offering healthy meals to your students during their online learning. We will be offering meals to all virtual learners for pick up once a week. These meals are charged the same as if your student would be attending school. If your student attends Louise Peacock, Nellie Reed, or Elsa Meyer they will receive free breakfast and lunch. If your student attends the Middle School or High School, your student will be charged based upon your meal application status of free, reduced (breakfast \$0.30/Lunch \$0.40) or paid (breakfast \$1.50/lunch \$2.75).

Please fill out this survey [Student Meals for Online Students](#) to help us plan and prepare. More details will be sent out on location and exact times for pick up.

Google Classroom - ONLINE LEARNERS

We are not going to start the year using Google Classroom. I want all parents to get comfortable with the format of online learning first. We will slowly introduce families to Google classrooms in the future. Right now everything will be sent by email and anything you are turning in should be emailed to the teacher.

Pesticide Prior Notification

Parents and guardians are entitled to receive notice by mail at least 3 days prior to any application of pesticides. If a Request for Advanced Notification by First Class Mail is preferred, a form must be requested and filled out at the superintendent's office at 124 N. Shiawassee Street, Corunna, MI 48817.

Learning Plans - ONLINE and In Person

Each week in our update we will include the Learning Plan for the Week. You will see the link above the calendar items. This is intended primarily for online parents instruction, but it is also a great way to reinforce learning at home for in-person students. If your child is coming to school each day, you can rewatch videos, do activities, etc. Both in person and online students are working on the same concepts.

School Time

The school day will begin at **9:40 a.m.** and ends at **4:00 p.m.** The doors to Nellie Reed will open at 9:30 am each morning.

Teacher hours

Please be aware that our teacher hours are from 8 a.m. to 4 p.m. each day. You can expect that if you call or email that a teacher will respond within 24 hours during the school week and during teacher hours.

Parent Visits

In the past we have always welcomed our parents into the building and encouraged involvement. This year we will be limiting access to individuals that are not students or Nellie Reed staff as a safety measure.

Temperature checks

Parents will be responsible for checking their child's temperature each day before sending their child to school. In circumstances where we feel like a child might not be feeling well, we will use a touchless thermometer to check their temperature on an as needed basis.

Masks

Children, staff, and parents will be required to wear masks at Nellie Reed. It is highly recommended that your child has five masks (one for each day). If that is not possible, masks should be washed on a daily basis. Masks should be worn once a student enters the building and will remain on except for meals or when students take breaks outside. We understand that students may struggle in the

beginning wearing masks all day. We will work diligently with students at the beginning of the year to assure they understand the expectation and the importance while still maintaining a fun environment. Please get a style of mask that your child feels comfortable wearing for a long duration.

Lunch/Recess

Students will have 45 minutes in their day dedicated to lunch/recess. During that time they will be with a small cohort of students that will be primarily made up of their classmates. They will be socially distanced at lunch and we will encourage them to socially distance at recess. Students will not have to wear masks at lunch or during outdoor recess.

Lockers

Students at Nellie Reed will be allowed to use their lockers during supervised times. They will be taken out to their lockers in small groups while they are socially distanced.

Water Bottles

Students are encouraged to bring a water bottle to school that is labeled with their name. Students will not be able to use the levers on water fountains. We are in the process of having a touchless water bottle filler installed. Until then, staff will help students refill water bottles when needed.

PTO - We are in need of parents to represent Nellie Reed at our Elementary PTO. Currently parents are meeting virtually. If you are interested, please contact me at jjohnston@corunna.k12.mi.us

Paraprofessionals - We are accepting applications for one-on-one paraprofessionals at Nellie Reed. If you are interested, please contact me at jjohnston@corunna.k12.mi.us

Paraprofessional need to have met one of the following requirements to apply:

- Complete at least two years of study at an institution of higher education (equal to 60 semester hours);
- Obtain an associate's degree (or higher);
- Passed the Workkeys examination or equivalent

Social Media

Corunna High School uses the following social media platforms for distributing information:

- Website: www.corunna.k12.mi.us
- Facebook: <https://www.facebook.com/Nellie-Reed-Elementary-1095875213853202/>
- and Corunna Public Schools
- Twitter: @Corunna_Ele
- AppTegy: All of our phone and text messages come through using AppTegy. Please click this [link](#) for more information.
- **'Next Virtual Learning Day - November 13** The following days will be designated as virtual learning days. Students do not attend school these days:
 - ~~October 16~~
 - ~~October 30~~
 - November 13

Please see the letter sent to all parents on 9/25/2020 for further information

[Parent Letter from Superintendent regarding virtual learning days](#)

Homework Help Group

A "Homework Help Club," supervised by our paraprofessionals (tentatively planned at the Middle School), will be available for BK-5 students from 9:30 a.m. to 3:00 p.m. on our three scheduled Virtual Fridays (October 16, October 30, and November 13). This number will be capped at the first 200 students. If at all possible, we are asking you to keep your child home on these days. Transportation to and from school will not be provided. Please use the link below to fill out the form if you need your child to participate in the "Homework Help Club". You must fill this out for each BK-5 child in your family who will partake in the "Homework Help Group" by 5 p.m. October 9.

[Click here to sign up for Homework Help Club](#)

As a reminder, Louise Peacock will remain open for regularly scheduled before and after school care only. Those students, who would be contracted for before and/or after school care, would be bussed to the building where we have our "Homework Help Club" (tentatively planned at the High School and/or Middle School).

District Wide Virtual Days - Student Meals

Corunna Food Service will be offering meal pick up for the District Wide Virtual Days on October 16, October 30 and November 13. Breakfast and Lunch will be free of charge and available for pick up at Corunna High School, Elsa Meyer and Nellie Reed from 9:30am -10am. You must sign up if you plan to pick up a meal for your student on these virtual days. We will be providing meals for Friday, Saturday, and Sunday with this pick up. Please use this link <https://forms.gle/yFNTtY78831TqhiJ7> to sign up.

-
