

Dear Patients Open Letter
from your current and future Doctors and Nurses: *(pics below)*

Sample Tweet:

📣 Why have thousands of nurses & doctors across the country come together asking patients to call on leaders this month to [#ActOnClimate](#) in order to protect our health? 🌍 Check out & share this letter:

“EVERY **OUNCE OF PREVENTION** WILL BE WORTH AT LEAST A **POUND OF CURE** WHEN IT COMES TO CLIMATE CHANGE.”

Marc Futernick, MD
Dignity Health
2019 Environmental Health Hero recipient

“If we’re not acting on climate, we’re **perpetuating** a system that promotes **health inequities**.”

Aparna Bole, MD
CleanMed 2019
