Directions: Use the list of courses as a guide to help you select your classes in SchoolLinks. Check one course from each of the required areas of English, Math, Science, Social Studies and PE. Academic courses prepare the student for the next grade level. KAP (Katy Advanced Program) courses prepare the student for the next grade level and are more rigorous and move faster. Students who need to be put in the athletics class will be reviewed by the coach and a list will be sent to the counselor to change the schedule later. Final placement into courses is contingent upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria with confirmation by the GT facilitator.
