Introduction *(Calibri 12 pt, bold, Align Left)*

Articles prepared for ARCHIMANE Journal of Architecture and Human Experience is written using Microsoft Word 2007, or 2010. It uses an A4 paper size of 210 mm x 297 mm with upper, right, and bottom margins of 3 cm each, and the left border is 4 cm from the edge of the paper with a single space paragraph. The font used is Times New Roman, and the length of the manuscript should not exceed 8 pages, including figures and tables (3000-4000 words). However, if the manuscript exceeds the standard number, it is recommended to split it into two. The title of the manuscript should be concise and informative and not exceed 14 words. The article title, abstract, and listed keywords should be formatted as earlier outlined. Keywords written in Indonesian and English are placed at the

end of the abstract. For articles written in Indonesian, each foreign word should be written in italics. Articles written in English should meet the standard grammar requirement. Systematic writing of research includes the Introduction, Methods, Results and discussion, Conclusions, and Reference Lists. Acknowledgments (if any) are placed after the Conclusion and before the list of references. The appendix is only used when absolutely necessary to support the manuscript, for example, a questionnaire, citation of the law, transliteration of the manuscript, transcription of records, maps, drawings, or tables/charts of the results of the analytical calculations. Attachments are placed after the list of references. Headings in English are organized as follows: Introduction, Methods, Results and Discussion, Conclusion, References. *(Calibri 10 pt, regular, Justify)*

+ *(single space, 10 pt)*

Articles written in the listed format can be sent to ARCHIMANE Journal of Architecture and Human Experience through the Open Journal System (OJS) page <https://journal.gioarchitect.co.id/index.php/archimane>. The author first registers (online): <https://journal.gioarchitect.co.id/index.php/archimane/user/register>

+ *(double space, 10 pt)*

+

The first level of Heading: Research Method *(Calibri 12 pt, bold, Align Left)*

Heading level: first aligned text to the left and bold, with font-size 12. Each word should start with capital letters except for the conjunctions (title case). The distance between headings and text is 1 (one) space with 10 pt font size.

+ *(single space, 10 pt)*

The second level of Heading *(10 pt, bold, Align Left)*

The second level of heading is aligned to the left and bold, with a font size of 12 pt, uppercase only at the beginning of words except for the conjunctions (title case). The distance between headings and text is 1 (one) space with 10 pt font size.

+ *(single space, 10 pt)*

The third level of Heading *(10 pt, regular)*

The third level of heading needs to be avoided, however, it can be used without bold.

+ *(double space, 10 pt)*

+

Writing abbreviations/terms/notations/symbols, pictures, tables: Findings and discussion *(Calibri 12 pt, bold, Align Left)*

Abbreviation/term/notation/symbol *(Calibri 10 pt, bold, Align Left)*

The use of abbreviations is allowed; however, it must be written in full when first mentioned and abbreviated in parentheses. Foreign or regional terms/words must be written in italics. Notation should be concise, clear, and consistent with standard writing. In addition, symbols should also be written clearly and distinguished, such as the use of the number 1 and the letter l as well as the number 0 and the letter O *(Calibri 10 pt, regular, single space, Justify)*.

+ *(single space, 10 pt)*

Figure/photo *(Calibri 10 pt, bold, Align Left)*

The figure is placed symmetrically in the page column, with a line space paragraph. The image is placed immediately after the designation in the text and numbered in Arabic numerals. Captions are placed below the image and written using 8 pt font size, bold and placed as in the example. The distance between image captions and paragraphs is one single space. Images may be in color with its description and source mentioned below as follows:

+ (single space, 10 pt)

The images shown in the article must be of good quality. For colored photos/images, a minimum resolution of 300 dpt and 600dpi for black and white. Fonts that are used in making images or graphics should generally be owned by every word processor and operating systems such as Symbol, Calibri, and Arial, with a size of not less than 10 pt. Image numbering needs to be separate from table numbering.

+ (single space, 10 pt)

The table is written in Calibri with a maximum size of 8 pt and is placed one single space below its title, which is written in 9 pt (regular) letters and is placed on top of the table in the format shown in the following example. Tables are numbered using Arabic numerals with a single line paragraph. The table is placed immediately after its reference in the text, and its framework uses 1 pt thick lines. The source of the table must be mentioned as follows:

Pendahuluan *(Calibri 12 pt, bold, Rata Kiri)*

Artikel yang disiapkan untuk ARCHIMANE Journal of Architecture and Human Experience ditulis menggunakan Microsoft Word 2007, atau 2010. Ukuran kertas A4 (210 mm x 297 mm) dengan batas (margin) atas, kanan, dan bawah masing-masing 3 cm, dan batas kiri 4 cm dari tepi kertas dengan spasi 1 (single space). Font yang dipakai ialah Calibri. Panjang naskah hendaknya tidak melebihi 8 halaman termasuk gambar dan tabel (3000-4000 kata). Jika naskah jauh melebihi jumlah tersebut dianjurkan untuk menjadikannya dua naskah terpisah. Judul naskah hendaknya singkat dan informatif serta tidak melebihi 14 kata. Mulai dari judul artikel sampai abstrak dan kata kunci ditulis dalam

bentuk 1 (satu) kolom (detail format penulisan sudah dijelaskan di atas). Keywords ditulis dalam Bahasa Indonesia dan Bahasa Inggris diletakkan di akhir Abstrak. Untuk artikel yang ditulis dalam Bahasa Indonesia, setiap istilah asing ditulis dengan format miring (*italic*). Jika ditulis dalam Bahasa Inggris sebaiknya telah memenuhi standar tata bahasa Inggris baku. Sistematika penulisan hasil penelitian sekurang-kurangnya mencakup Pendahuluan, Metode, Hasil dan pembahasan, Kesimpulan, serta Daftar rujukan. Ucapan terima kasih/*Acknowledgements* (jika ada) diletakkan setelah Kesimpulan dan sebelum daftar rujukan/referensi. Lampiran/*appendix* hanya digunakan jika benar-benar sangat diperlukan untuk mendukung naskah, misalnya kuesioner, kutipan undang-undang, transliterasi naskah, transkripsi rekaman, peta, gambar, atau tabel/bagan hasil perhitungan analisis. Lampiran diletakkan setelah daftar rujukan/referensi. Headings dalam bahasa Inggris disusun sebagai berikut: *Introduction, Methods, Results and Discussion, Conclusion*.
