Online Course Selection – Tuesday, January 28, 2025

- Access the online course selection at the time assigned to your class year: **Sophomores HOMEROOM**
- You will be sent a google form to choose your classes during homeroom on Jan 28th. All students must report to the ASV with your chromebook. Homeroom/lunch students will be dismissed after course requests are completed.
- All courses will be selected through the google form. **Please make sure you have selected your first, second, third, fourth and fifth choices of elective courses,** as many courses fill.

Additional Notes for Sophomores

1. Double check to make sure that you have met the prerequisites for each class that you have requested. You will not be able to register for classes for which you do not meet the pre-req.
 - a. Your schedule can be changed later if you meet the pre-req after 2nd semester.
 2. Consider taking Dual Credit classes as those may transfer to future colleges and save time and money! Be sure to give plenty of thought and attention when choosing your **elective** (non-required) classes.
- *If you are currently enrolled in Advanced Women's or Show Choir, and want to continue in that course, please select your current choir when scheduling. If you are NOT currently in Advanced Women's or Show Choir and plan on auditioning, please include Intermediate or Beginning choir when you schedule your classes.*
