Dear Seniors,

This letter is to invite you to apply for the Lusby Memorial Scholarship which is administered by the Bear Lake United Methodist Church. Clayton and Bertha Lusby were teachers who spent their lives devoted to children and youth at church, school and home. Their love of children prompted them to establish the Lusby Scholarship.

Any student who will be attending post-graduation classes or training is invited to apply.

The scholarship is to benefit deserving students who have been involved in:

- church, school, and community activities
- working to the best of their abilities while in school
- contributions to the welfare of the school and community through service activities and good citizenship

Please complete the application form and return it with your reference to Jeffery Bair at the above address by noon on May 14, 2026.

Grace and Peace on the journey,

Lusby Memorial Scholarship Committee
