

### **Concurrent Session 3**

#### **Shannon McClintock Miller**

#### **10 Digital Tools**

- Van Meter School Description
- Creating
- Cart of laptops and ipads specifically in the library for the library
- Makerspace
- How are these digital tools embedded into the curriculum and classroom?
  - Augmented Reality (AR)
  - Take a look at the curriculum
    - 4 strands
  - Infinite Campus - Use to assess students
    - Assess each month
  - What's Going on in your classroom in 2013-14 for Library/Tech Integration?
    - Hard to get them to collaborate
    - Make every summer
    - Beginning of year screen shot shared in ppt
  - POST LEARNING TARGETS for the day on the door
  - Symbaloo
    - Visual
    - Everything updated in Symbaloo instead of her library website
    - Move them around, take them off, edit, change
  - Diigo
  - Haiku Deck
  - Pinterest
  - 10 Creative Tools and Projects for your library and classroom
  - On Shannon's blog
  - K-5 is now Google (as of last year)
  - Google Drive
    - Great storage place
  - Can't have access to email in grades K-5...ONLY DRIVE
    - Due to COPA
  - Google Presentation into FlipSnack
    - EDU = isn't public
    - Download is PDF and download into FlipSnack

- Snack Tools
  - Slide Snack
  - Banner Snack
  - Flip Snach
- Tux Paint
  - Free
  - Also an app
  - Can also be used in high school
- Skitch
- Camtasia
  - Screen-r
  - Screencast
- Cataloguing the students' FlipSnack into Destiny
- Recite This
- Shannon McClintock Miller encourages students to "Layer their tools"
  - Don't just use FlipSnack
    - Combine FlipSnack and Recite This
- Storybird
  - Driven by the pictures
  - Pick 1 artist
  - Can't upload issues
  - Write words and change pictures
  - Add collaborators
