

Book 1: The Shadow Lord

Chapter 1: The start In a Dark place

(it starts off in a city, a young man with a hood is running through it dodging attacks from a weird shadow creature)

"HELP ME JAKE I CAN'T BEAT THESE SHADOW CREATURES BY MYSELF"???

Yells

(this supposed "jake" is sitting in a lawn chair sipping apple juice with sunglasses)

(he takes a long sip)

"No." jake 2.0 says

(the mysterious man continues to run and gets his hand cut off)

"AHHH CRAP"??? Says

(the man is now cornered by a bunch of shadow creatures)

"Ugh... fine"jake 2.0 says getting up then pointing at the shadow creatures... they immediately explode

"There. You happy now noah" jake 2.0 says regenerating Noah's hand

(Noah takes off the hood)

"Why am i fighting these guys anyways to awaken some prophecy power that the original me has" Noah 2.0 says

"How many times do i have to say this. We need to save the world from the shadow lord" jake 2.0 says

"why can't you do that" Noah 2.0 says

"Because i do way to much around here i mean, do you understand how many times i move this lawn chair around a day" jake 2.0 says

"you wouldn't have to if you saved the world yourself" Noah 2.0 says

"Yeah well im sorry im trying to enjoy the nice weather on this nice outside day" jake 2.0 says

"...the ozone layer is gone and the grass is burnt. And that apple juice is the apple juice you tried to get me to drink earlier" noah 2.0 says

(jake 2.0 spits it out)

"UGH DISGUSTING. THAT WAS PI-" jake says then cutting himself off

"Just tell me how to awaken my other power" Noah 2.0 says

"...no." jake 2.0 says

(a shadow monster tries to attack jake... it explodes into multiple explosive water melons... that explode)

"... ok then tell me how to control myself" Noah 2.0 says

"Discipline and a lot of hookers- i mean orange juice- i mean... yeah just discipline" jake 2.0 says

"what was the 2nd one" Noah 2.0 says

"So anyways you might want to-" Jake 2.0 says before Noah 2.0 gets hit into a wall by a larger shadow creature

"Not helpful" Noah 2.0 says getting up

(the creature charges at Noah)

(Noah throws his dagger through the shadow creature teleports behind it and kicks it in the head)

(this does pretty much nothing)

"You have fun i'm going to the underworld to get ginger ale" Jake 2.0 says opening a portal that has screaming coming from it

(the shadow creature and Noah 2.0 are just staring at the portal)

"Byeeeeeeee" Jake 2.0 says going through it

"So uh you want to continue the fight or?" Noah 2.0 says

"Shsuwhvsegbgvdvxtwui" the shadow creature says

"cool" Noah 2.0 says as they both start playing iron duel the game (stick fight knockoff)

(meanwhile with Jake 2.0)

(Jake 2.0 is walking around with a bunch of burning people grabbing on to him screaming)

"Ah finally" Jake says reaching into a cooler and pulling out a ginger ale

(Jake 2.0 takes a sip)

"Ahhh i love being ruler of the underworld" Jake 2.0 says

(meanwhile with the shadow lo-)

"WHAT DO YOU MEAN I CANT SHOW HIM YET" RL Jake says

"ALL THE BEST VILLAINS ARE SHOWN IN THE MIDDLE OR THE END OF THE STORY" RL Noah yells

"BUT I MEAN HE'S THE SHADOW LORD" RL Jake yells

"I DON'T CARE WAIT FOR THE MIDDLE OF THE BOOK OTHERWISE KNOWN AS CHAPTER 2 OR 3" RL Noah yells

"FINE" RL Jake yells

(meanwhile with Noah 2.0)

(Noah 2.0 is currently winning iron duel... he got his skills from the original Noah)

"FVB SPAASL QLYR" the shadow creature yells

"Anyways you remember the bet" Noah 2.0 says

(The shadow creature looks sad and then jump into a pit of lava)

(it dies of course)

(a portal with screaming coming from it opens)

"Hey im back from hell" Jake 2.0 says coming out

(the portal closes)

"Hey Jake where will i go when i die" Noah 2.0 says

"...hehe." Jake 2.0 says laughing

“So anyways there's more waves coming, have fun” jake 2.0 says walking away
“OH YEAH I FORGOT” jake 2.0 says throwing noah a ginger ale
“This is a special kind. Try it” jake 2.0 says walking way
“Ok i mean you already gave me one but okay”Noah 2.0 says drinking it becoming 3x stronger
(noah looks over the horizon seeing a bunch of shadow creatures (over 1000) coming his direction)
“...crap”Noah 2.0 says
(meanwhile with-)
“IM STILL NOT ABLE TO?” RL jake says
“YEAH IT’S NOT CHAPTER 2 OR 3 YET”RL Noah yells
“WHAT ARE YOU GOING TO DO? HIT ME?” RL jake says
“No i’m gonna send 1000000 chairs at you”RL noah says as that many chairs appear
“OH NO” RL jake then gets pelted with chairs
(meanwhile with Noah 2.0)
(the 1000 shadow creatures or 1 mile away from Noah 2.0)
“Why can’t the ozone layer still exist that would make this way easier”Noah 2.0 says sweating
“FVBY NVPUN AV KPL” one of the shadow creatures yell
(Noah throws his dagger in the air and pulls out a grenade with the power of a ultra small nuke which explodes 200 shadow creatures)
(...they rebuild into a larger more powerful shadow creature)
“...you know if this is the power of the shadow creatures then how am i gonna help fighting the shadow god”Noah 2.0 says
(noah gets a flashback)
(noah is fighting a shadow creature and loosing and jake just keeps on exploding them when noah almost dies)
“*breath* why can't i just take a break” noah 2.0 says
“If you do that you will never be able to defeat the shadow lord” jake 2.0 says
“Why can't you do it yourself” noah 2.0 says
“If you are never able to defeat something like this, you will never be of any use to anyone” jake 2.0 says
“Well yeah considering we are like the only non evil people on this planet”Noah 2.0 says
“Exactly, you must face them yourself also ps this flash back will end in 2 lines” jake 2.0 says
“Say what now”Noah 2.0 says
“Exactly” jake 2.0 says
(end of flash back)
(the shadow creatures are closer)

(Noah 2.0 takes out his dagger presses a button and throws it at the ground and jumps up in the air as the ground gets electrocuted)

(...it does nothing to them because they are shadows...)

(the electricity becomes a big wall of stone...the electricity was strong enough for the ground to become higher)

(the shadow creatures climb over it... they are shadows)

(Noah wasn't there)

(Noah was on a building with 6 light grenades and he throws them all around the shadow creatures making 640 disappear)

(they all collect into a gigantic creature... and then they mix with the other large one... its going to be a long day)

(meanwhile with jake 2.0)

"And then i said that's not my wife thats a gun" jake 2.0 says

(he is in the middle of the desert and is talking to no one)

"You know you should help Noah 2.0"RL Noah says

"Nah. he can do it by him-" jake 2.0 says as he see's noah fly around the earth 5 times after getting hit

"AHHHHHHH.....HHHHHH.....HHHHHHH.....HHHHHHH.....HHHHHHH" Noah 2.0 yells going around the earth

"...ugh I swear to god." jake 2.0 says walking to the town where the shadow monsters are

(12 minutes later)

(jake 2.0 arrives at the town)

(jake 2.0 looks at the ultra gigantic shadow creature and it explodes)

"Oww my head"Noah 2.0 says in a Noah 2.0 shaped dent in a building

"Blah blah blah stop whining, if you aren't even e to defeat his evil shadow creatures to dont stand a chance against him"jake 2.0 says

"... easy for you to say you have the title of literal god"Noah 2.0 says

"Yeah, but you are just weak" jake 2.0 says

"...most people die to those things on this planet so i am stronger than Most people"Noah 2.0 says using logic

"Yeah and now theres only 9 people on planet earth and your the weakest" jake 2.0 says

"Oh really do these people happen to have powers"Noah 2.0 says

"Yeah. and they are all bad guys" jake 2.0 says

"I have 0 control over my power and literally the only special thing i can do is teleport to my dagger"Noah 2.0 says

"Oh yeah. I enchanted that dagger and your powers are weak" jake 2.0 says

"But if normal jake is able to defeat us. Then you should be able to get as powerful as him. Just not me" jake 2.0 says

“...you do know our real selves consider the original me stronger than you considering you never use your power like ever right?”Noah 2.0 says
“Oh and didn’t my original self survive with the same powers for like 8 books in oliver...wait who’s oliver”Noah 2.0 says
“This isnt oliver and your powers are weaker because he actually took 2 syringes to even be that powerful” jake 2.0 says
“Well unless i get my powers i will not be any help fighting the shadow god”Noah 2.0 says
“You better, because this is the weakest enemy we will face”jake 2.0 says
“...what’s stopping me from not leaving right now...death? Like i care anymore i never wanted this.”Noah 2.0 says and he starts walking away
“I DON’T THINK YOU UNDERSTAND” jake 2.0 yells
“I RATHER NOT UNDERSTAND THAN TO WASTE MY LIFE FIGHTING FOR A SEEMLY NONEXISTENT CAUSE THAT I DON’T EVEN UNDERSTAND”Noah 2.0 yells
10 feet way
“DUDE...dude...” jake 2.0 says...proceeding to stand still for a muinite
(Noah 2.0 has left the party)
(jake 2.0 lays down)

Chapter 2: Broken Will

(jake 2.0 is just laying down)
(Noah 2.0 seems like 3 miles away now)
(all there is a landscape of burnt grass and tree stumps for miles where noah 2.0 is walking)
(meanwhile with Noah 2.0)
(Noah 2.0 is walking until he gets a call on his cross-dimensional phone from Noah)
(Noah 2.0 accepts the call and continues to walk)
“Hey original me how are you doing”Noah 2.0 says
(the original jake is playing the guitar horribly in the background sound)
“Good but are doing okay you seem sadder than usual and i’m sensing some sadness from your universe”Noah says
“TELL HIM I SAID HI” jake yells in the background
“jake said hi”Noah says
“Its not going good.” noah 2.0 says
(meanwhile in the underworld aka hell)
(people are screaming, suddenly... hell freezes over)
“AAAAAAA- wait what-” a guy says
(meanwhile with jake 2.0)
(jake is...crying? Wow the ruler of the underworld is crying. pathetic)
(meanwhile with noah 2.0)
(Noah 2.0 has walked 4 miles away now)
(Noah 2.0 keeps walking and looks up and sees a lonesome tree)

"...what is this weird feeling of nostalgia" Noah 2.0 says until he remembers something for a brief moment

(flashback start)

(a young Noah 2.0 is sitting down next a tree with a person who has their face blurred)

"Noah why did you make him cry" the person says

"He was a being a jerk and he making me do something i didn't want to do" Noah 2.0 says

"You know one day you're gonna look back and wish you could have changed what you did" the person says

"But he was being rude so why would i think that mo-" Noah 2.0 says

(flashback ends)

"Huh what just happened" Noah 2.0 says

"Plot happened" RL Noah says

"Yeah also... can i show the shadow lord nooooowww" RL jake says

"...that would be the worst timing EVER" RL Noah says

"...and?" RL jake says

"...ehh good point" RL Noah says

(meanwhile with... **him**)

(the shadow lord is sitting in a chair... he is a tall completely pitch-black figure with white eyes)

"Hmm its all going to plan" the shadow lord says happily

"Excuse me sir, i have an order for a uhh large pizza to this address" a guy with a pizza says

"...thats odd i never ordered a pizza." the shadow lord says

(meanwhile with jake 2.0)

(jake 2.0 is laying down in a puddle of tears, he just ordered a pizza to the wrong address)

"...see jake he is an idiot" RL noah says

"Its called accidental prank calling noah, you wouldn't get it" RL jake says

(meanwhile with the shadow lord)

"Hehehe when noah completely forgets about jake because of his memory loss i will be the most powerful in all the land" the shadow lord says

"... are you going to pay for this?" the pizza man says

"I didn't order it i think jake 2.0 the 1st did" Shadow lord says

"...again dang it" the man says walking to town

(meanwhile with noah 2.0)

(Noah legs are starting to be sore after 9 miles of walking)

(he gets a call from jake 2.0)

(Noah 2.0 accepts the call)

"What is it" Noah 2.0 says coldly

"LISTEN MAN COME BACK." jake 2.0 yells

"Why" noah 2.0 says

"IF YOU DO THIS THE SHADOW LORD WINS" jake 2.0 says

"...(starts to sing loser)" Noah sings

"LISTEN DUDE YOU DONT-" jake 2.0 says before noah hangs up

"How about i don't want to understand" Noah 2.0 says

(meanwhile with jake 2.0)

(jake 2.0 is just lying on the floor... the shadow lord has won in jake's mind)

"Hey i've arrived with your pizza" a man says
"...just deliver it back to the shadow lord then bring it back here" jake 2.0 says saddened
(meanwhile with the shadow lord)
"HAHAHA YES. I HAVE WON" the shadow lord says
(the shadow lord pops a bottle of wine)
"IT IS TIME TO PARTY" the shadow lord yells
(meanwhile with noah 2.0)
(Noah 2.0 is 12 miles away now)
(noah gets a call from a person labeled "HHHHHHHHHH")
"What the crap" noah 2.0 says then accepting the call
"...hello noah" HHHHHHHHHH says
"Hello how are you doing HHHHHHHHHH" Noah 2.0 says
"Im doing very well." HHHHHHHHHH says
"...this is a very bad choice noah and you should go back" HHHHHHHHHH says
"...tell me what am i even fighting for" noah 2.0 says
"... to save the world." HHHHHHHHHH says
(meanwhile with the shadow lord)
(the shadow lord is drunk off champagne when the pizza guy comes)
"...Huh?" the shadow lord say drunk
"Uhh yeah ive got a pizza for mister shadow lord" the pizza guy says
"No you dont.... Now get out of here... scram!" the shadow lord says drunker than jake's dad in 2008
(meanwhile with noah 2.0)
"What do you mean why does it matter me jake and 7 other people are in this world and the other 7 are evil so why does it matter" Noah 2.0 says
"There is no time to explain, but you need to go back... **or else**" hhhhhhhhhh says hanging up
(Noah 2.0 looks behind him he is like 15 miles away from the city)
"*sigh* there better be a good explanation at the end of book 1" Noah 2.0 says then starting to run back
(meanwhile with jake 2.0)
(jake 2.0 is just lying on the ground... a new wave of larger, worser shadow creatures are coming, and jake is just lying there. helplessly)
(jake 2.0 hears running from 12 miles away)
(jake 2.0 is zoned out and doesn't really notice?)
(meanwhile with normal jake)
(jake is sitting in the oval office spinning in a chair)
"Weeeeeeeeeeeeeeeeeeeeeeeee" jake says spinning in a chair
"Get serious for once jake i feel like something bad is happening to our other selves" Noah says
"WEE" jake says spinning at the speed of sound
(meanwhile with jake 2.0)
(the shadow creatures are starting to get very close and jake is just accepting his fate)
(meanwhile with Noah 2.0)

(Noah 2.0 has a dagger and a sword on his back now and is currently 7 miles away)
(meanwhile with the pizza guy)
(the pizza guy is driving towards where jake 2.0 is, he is 7 miles away)
(meanwhile with the shadow creature)
(the shadow creatures are 4 miles away)
(meanwhile with noah 2.0)
(Noah is starting to see the city in the distance and sees a weird shadowy laser in the sky)
“Oh no that ain’t good i got to get there fast” Noah 2.0 says as the sword starts to glow red without him noticing
(meanwhile with normal jake)
“-EEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE” jake says spinning in a chair still
(noah is right next to him and grabs the chair’s arm making it stop which makes jake go out the window)
(Noah starts smiling)
(meanwhile with noah 2.0)
(Noah is 3 miles away and is approaching rapidly to the city and he sees the shadow creatures about to get to jake and kill him)
(Noah starts to run faster)
(meanwhile with the pizza guy)
(the pizza guy is 2 miles away)
(meanwhile with the shadow creatures)
(the shadow creatures are 23 feet from jake 2.0)
(Meanwhile with Noah 2.0)
(Noah 2.0 is now 1 mile away from the city and sees that jake is about to get deadified)
(Noah starts to run even faster)
(the shadow monsters are 8 feet from jake, in 3 more lines they will be at jake)
(Noah pulls out the sword and puts it in front of him and a laser shoots out of the sword)
(jake is just laying down)
(the shadow monsters are right next to jake, the laser kills all of them)
(Noah runs up to jake)
(jake gets up)
“NOAH?” jake 2.0 yells
“I am right next to you please stop yelling in my ear” Noah 2.0 says
“LISTEN DUDE WE DON’T HAVE MUCH TIME BEFORE-” jake 2.0 yells
(a huge black inky beam comes out of the ground)
“...that.” jake 2.0 says

Chapter 3: dark fountain

“Why do i feel like this is a reference to a game in the original and RL universe” Noah 2.0 says
“ITS NOT JUST THAT. HE IS-” jake 2.0 says getting punched... he flies back only cause he wants to
(the shadow lord... this time larger has came out of the dark fountain)
“Hey you’re not supposed to be fighting us ye-” Noah 2.0 says then getting shot into a building

“...did you write that in for him to do that because i didn't.” RL jake says
“I didn't either...wait are they gaining control for their own actions”RL Noah says
“...hmmm” RL jake says
(meanwhile with Noah 2.0 and jake 2.0)
“Hey wait isn't shadow lord only supposed to be like 8 feet tall”Noah 2.0 says
“... did he combine with the dead shadows to make him 20 ft tall.” jake says
“Yeah” the shadow lord says punching noah 2.0 across the world picking him up then throwing him to the ground
“OWW JESUS HOW ARE YOU SO STRONG”Noah 2.0 says
“... i am the shadow lord” the shadow lord says
(jake 2.0 brings out a bass guitar... that shoots out energy blast. Unlike jakes stupid normal guitar)
(jake 2.0 starts playing better than jake ever will, damaging the shadow lord extensively)
(meanwhile with normal jake)
(jake is in the hospital from a spinning in chair overdose)
“...i have the odd feeling someone is playing better than i can right now” jake says
(meanwhile with Noah 2.0)
“I think my back is broken”Noah 2.0 says
(jake 2.0 plays a solo in the major key, healing noah)
“Wow... im still not as good as mike dirnt though... wait he's dead... I'M BETTER THAN MIKE DIRNT” jake 2.0 says getting cocky
“Jake tell me if shadow lord had a power level what would it be”Noah 2.0 says
“its over 9000.” jake says calmly
“Oh lemme guess mine is 0.000001”Noah 2.0 says
“Actually 6” jake 2.0 says playing the bass, but worse because he's starting to get cocky of course
“Huh that higher than i thought”Noah 2.0 says getting shot into a mountain
(jake starts to hit wrong notes... hurting himself)
“OW that does not hurt.” jake 2.0 says
(meanwhile with the pizza guy)
(the pizza guy on is on the mountain and see's noah)
“Uhh yeah i got a cheese pizza extra large, that will be 15.06” the pizza guy says
“Thank you”Noah 2.0 says giving pizza guy a 20 dollar bill
“Keep the change”Noah 2.0 says
“... is this a bad time to deliver it? Should i just give the pizza to you after this huge fight?” the pizza guy says
“Uhm give it to me now because i might die and i want to enjoy the pizza if i die”Noah 2.0 says
“Ok ill just-” the pizza guys says disappearing into thin air, with the pizza
(a single tear falls from Noah 2.0 eye as he gets up and then continues to fight even if he is weak)
(jake 2.0 is building a shield with his bass playing... but he is missing to many wrong notes because he is too confident)
(Noah 2.0 jumps on to the wall behind jake 2.0 jumps on it then lands on the almost broken shield jumps of that and tries to slash the shadow lord with his sword)

(the shadow lord punches him into jake 2.0's bass amplifier... breaking it)
"Sheesh jake why don't you just automatically obliterate him" Noah 2.0 says
(jake is twitching... that amplifier meant alot to him)
"...oh no" Noah 2.0 says in very few seconds searches up how to fix an amplifier, gets tools by running 100 miles per second, and fixes the amplifier
(jake suddenly stop twitching and is playing the bass... like he's god... of bass playing)
"Ok avoided a crisis there" Noah 2.0 says wiping the sweat of his face
(jake builds a shield)
"So jake why did you build a shield" Noah 2.0 next to jake dodging attacks barely
"... one. Its impressive... 2. Safety." jake 2.0 says
"...ok then" noah 2.0 says
(Noah 2.0 immediately gets behind the shield because the shadow lord shot a laser at Noah 2.0)
(jake starts to shred... on a bass guitar... the shield is even stronger)
"...holy crap he is good playing the bass guitar" Noah 2.0 says then getting a flashback
(Noah 2.0 is in a house and sitting on a bed)
(Some person is playing the guitar really good)
"Hey how come you are so good at so many instruments" Noah 2.0 says he is 9
"Meh, I just practice every day, you know spending [REDACTED] days in [REDACTED] gets boring quick" ??? says
"So you stop yourself from being bored by playing instruments" Noah 2.0 says
"Yeah." ??? says
"I can't imagine that working for me i probably would me make me even more bored so that pretty nice for you isn't it da-" Noah 2.0 says
(flashback end)
(Noah 2.0 looks blankly then returns back to reality)
(Noah 2.0 shakes his head)
(jake 2.0 is epicly playing the bass.)
(Noah 2.0 feel something different about himself)
"Noah are you okay your feel like 6 time stronger than before" jake 2.0 says
"My powerlevel is 36 now?" Noah 2.0 says
"... well actually 34 but yeah" jake 2.0 says
(Noah feels like he some control over his power)
(Noah eyes flicker red and they turn red forever at least until Noah wants to stop it)
(Everything starts to move slower for Noah)
(the shadow lord starts to attempt to punch noah)
(Noah jumps to left)
(the shadowlord has seen this coming and then aims at noah)
(Noah pulls out both blades as cuts in a x shape)
(noah then gets punched)
(Noah does a backflip and his shoes lands on a wall)
(jake 2.0 is just playing the bass guitar. For some reason there is now a drummer that is also jake 2.0?)
(Noah 2.0 jumps of the side of the building and starts running towards the shadow lord)

[illegible]

Chapter 4: everybody's heard

“really” Noah and shadow lord say

(Jake 2.0 just continues playing... noah 2.0 gets a flash back)

(flash back start)

(noah and ??? are driving in a car... the song surfin bird by the trashmen starts on the radio)

“hey wait isn’t this that one song by the trashmen” Noah 2.0 says

“Yeah, I mean everyones heard it.” ??? says

“Heard that the bird is the word?” noah 2.0 says

“No, the song... well yeah that also” ??? says

“...so wanna keep listening to it other brot-” Noah 2.0 says

(noah 2.0 snaps out of it... he is now on the ground bleeding)

(Noah 2.0 gets up he has a power level of 1241)

[illegible]

(Noah 2.0 grabs his sword and realizes the blade is turning red because of determination)

“Huh i guess i’m enhancing the blade with determination orn whatever jake said it was”Noah says then appearing behind shadow lord Because stealth and stabs him in the shoulder

(he falls apart... into a bunch of cotton... WAIT ITS A TRAP)

“OH SHI-”Noah 2.0 yells

(noah looks behind him real quickly to see the shadow lord with the shadow... sword)

(Noah 2.0 slashed his sword against the shadow sword to stop it from killing him)

(the shadow sword phases through the other sword in a second and then is about to stab noah again)

(Noah 2.0 slashes his sword against the shadow lord right arm)

(it goes right through... he's a shadow...)

(suddenly jake stops playing surfin bird by the trashmen and begins to play a different song)

(the song is dumb by nirvana... but suddenly there is a huge gun appearing in the sky that keeps on switching from shooting noah 2.0 and the shadow lord... on the beat)

(Noah 2.0 puts his hands up)

(...jake 2.0 might be dumb because now noah 2.0 has to dodge giant bullets while fighting the shadow lord)

(Noah 2.0 jumps left once again and to the left of shadow god trying to make the bullets run into shadow lord)

“...HAHAHAHAHAHAHAHA” the shadow lord laughs uncontrollably... the bullets would pass right through him

(Noah 2.0 puts his hand up and uses determination and somehow uses it to create a fire)

“Determination flame” Noah 2.0 says

(the shadow lord sinks into the ground... fire is a light source)

(Noah still keeping the fire going moves out of the way of the bullet)

"I think im dumb. I think im dumb. I think im dumb. I think im duuuummmmbbbb." jake 2.0 sings finishing the song

“Why do i feel like this isn’t the end” Noah 2.0 says who hasn’t had a flashback of his si-
(flashback start)

(Noah and another figure are lying down with Noah on the top bunk bed and ??? on the bottom bunk)

"So hey what do you want to be in the future" Noah says

"An airplane." ??? Says

"... umm i don't think that is possible" Noah says snickering

"Hey what is so funny" ??? Says

"Nothing nothing anyways let's go eat supper younger si-" Noah 2.0 says

(flashback end)

(Noah power level is 7446)

(jake 2.0 is now playing free bird by lynyrd skynyrd)

"Lord i can't change... won't you flYYYY highhhhhh freeeebird yeah" jake 2.0 says

(jake proceeds to play the solo)

"Hey wait didn't we win the battle" Noah 2.0 says

(the shadow lord comes back from the ground... it rained and the fire is gone)

"FU-" Noah 2.0 says then dodging considering he was about to be slashed with the shadow sword

"You think i will die that easily?" the shadow lord says

(the sun starts to get covered by a cloud... making everything have a shadow over it)

"JAKE DO SOMETHING ABOUT THE CLOUD" Noah 2.0 yells

(jake 2.0 is absolutely shredding)

(the shadow lord laughs)

(the cloud covers the sun some more)

(the shadow lord is laughing violently)

(noah tries to look for a spot under a building where the rain won't hit)

(the cloud covers the sun completely... the shadow lord is now everywhere... he cant be escaped)

"Your forgetting the other two elements light and dark guess which one i'm going to use" Noah 2.0 says

(before noah can do anything they are punched into the sky... they are getting punched from every direction)

"Your...also forgetting... i don't need concentration... to use elements" Noah says generating light element from his skin

(he keeps on getting hit... making it harder to generate it)

(Noah throws his dagger above the cloud teleporting him there)

(noah stops getting hit... the shadow lord has possibly sunk into the ground)

(Noah still above the clouds starts falling)

"THIS ISN'T GOOD" Noah 2.0 says not having any move to stop him from falling

(Noah has an idea)

(Noah puts his hand in the direction of where the ground is and suddenly dirt and some rocks go down to the ground making a tower)

(jake 2.0 has now stopped playing for fun and is now upgrading the tower using... music.)

(Noah is at the top of it catching his breath)

(the tower is now made out of stone)

(the shadow lord appears on top of it... he has clones... all of them have the shadow sword)

(Noah looks like he turned red and then he disappeared)

“... what the hell” the shadow lord says
(jake 2.0 starts playing the song beatdown (strider style) from the homestuck soundtrack)
“So you think you will ever hit me with a predictable move like that”Noah says in the air
“No but this will ” the shadow lord says standing still... HES A CLONE LOOK OUT
(Noah does a backflip in mid air and kicks the clone in the head with a light ball)
(the clone disappears... a random beam goes to the shadow sword making it stronger)
“You won't win this.” the shadow lord says behind noah
“You sure”Noah 2.0 says as really fast lightning comes from his body which electrifies the surrounding area)
(the shadow lord sinks into the ground and presumably is waiting for the lightning to stop... noah should try being faster)
“JAKE STOP GIVING HIM HINTS” RL noah yells
“NO” RL jake yells
(Noah 2.0 puts his arm up and fire appears from it and then Noah 2.0 slams his arm on the earth tower arena)
“By the way this tower is 70% made of coal”Noah 2.0 says as the tower light on fire
(jake 2.0 starts playing faster)
(Noah 2.0 appears at the bottom of the tower and pushes down one of the detonation levers that make tnt explode)
(TNT explodes... the shadow lord is outside... noah didn't notice... idiot.)
“STOP PUTTING SO MANY...’S IT GETS ANNOYING”RL Noah yells
“... why... would... i... do... that...” RL jake says
(suddenly RL jake is hit with a chair)
“...son... of... a...” RL jake says getting hit with another chair
(Noah 2.0 is about to be hit with the shadow sword)
“HAHA!” the shadow lord yells
(Noah gets his head chopped off then turns into a bunch of...red strings, it was a clone)
(the strings wrap around the shadow lord and then start glowing really brightly)
(the shadow lord disperses into a bunch of tiny particles then reappears in front of noah)
(noah 2.0 already had fire in his hand and then Noah punctured shadow lord's body with it)
(the shadow lord does something he hasn't yet... send more shadow creatures after noah, wow totally original)
(Noah put up his other hand and makes another fire but larger)
(jake is absolutely shredding)
(the shadow monsters curl up into a ball and explode)
(the shadow lord comes back... every time noah kills a monster it makes the shadow lords powers more powerful)
(Noah puts the large fire on his leg and kicks the shadow lord)
(the shadow lord was actually a clone... blah blah blah he is behind noah)
(jake starts to play a final showdown type song)
(Noah turns around quick and jumps back and jake's song build a small flat arena)
“It seems like this is the end huh”noah 2.0 says
“It seems like its your end” the shadow lord says
“I don't think so because this time will use 500% of my speed”Noah 2.0 says

(noah goes faster than the speed of light and tries to set the shadow lord on fire)

(it does nothing)

"HAHA YOU FOOL, IF YOU FASTER THAN LIGHT YOU CAN ONLY LIVE IN DARKNESS" the shadow lord yells

"But you weren't able to track me right" Noah 2.0 says with his hand on shadow's lord back with fire his hand

"You weren't either where you were." the shadow lord says behind noah about to stab noah again

"You're a fool" Noah says behind Shadow lord

(This happens for about 1 hour)

(jake has been playing the part of the song where its getting ready for an epic fight for a entire hour)

"you wanna stop the old getting behind the enemy we are just showcasing our speed at this point" Noah 2.0 says seriously

"Are you sure?" the shadow lord says behind noah once more

(Noah with his sword in his quickly turns the sword around and stabs the shadow lord in the stomach while enhancing the sword with light)

(jake stops playing)

(the shadow lord just stares in disbelief and falls to the ground as he starts to dissolve)

"You were an incredible foe but you should've stopped getting behind me when i said so" noah says taking the sword of the shadow lord but still keeps enhancing it with a bright light so that he dissolves

(jake appears with the guitar)

"Looks like your a little flat, don't fret about it" jake 2.0 says putting on sunglasses after making the worst guitar quip i've ever heard then shredding a 3 second solo

(the smoke moves out of the way of the sun finally)

(the shadow lord fully dissolves)

"...so who's the next enemy" Noah 2.0 says

"I don't know, lets just hope its not yet another original villain" jake 2.0 says

"You fools" yet another original villain says

"NO ONE CARES" Noah and jake says

(he walks off sad as the pizza guy drives up)

(he hands jake and noah the pizza)

"Here." the pizza guy says then drives away

(jake opens it to see no pizza but a note)

(jake opens it)

"Maybe the true pizza was the friends we made along the way" jake reads

"... but i wanted a pizzaaaaa :(" jake says

(Noah has already left when he saw there was only a note in the box)

":(" jake 2.0 says

Book 2:your ugly

Chapter 1:A ghost

"So what are we gonna do now" Noah 2.0 says

"I dont know." jake 2.0 says

"I mean there are 6 more evil people in the world so were are gonna be attacked eventually

"...actually 7" jake 2.0 says

"Wait but you said 9 for all people earlier and we killed shadow lord so how is that possible" Noah says

"There are 7 evil people left." jake 2.0 says

"That doesn't explain how that is possible but ok" Noah 2.0 says

"... want to go play games in the abandoned arcade?" jake 2.0 says

"I don't see why not" Noah 2.0 says

(jake is already playing dance dance revolution before noah even finishes that sentence)

(Noah walks in and sees blood on the walls)

"...well that's probably fine" Noah says then playing a shooting game

(jake is winning... he is getting extra points for no reason.)

(Noah uses his power to move and shoot zombies really fast)

(jake is still getting extra points after the song is over)

(Noah's gun is basically shooting too many shots to where a full auto couldn't compare)

(JAKE IS STILL GETTING POINTS A WHOLE MINUTE AFTER THE SONG IS OVER WHAT)

(NOAH IS STILL GETTING POINTS EVEN AFTER HE KILLED ALL THE ZOMBIES,oh and he isn't competing with jake because he knows he would lose)

(an hour later)

(jake and noah have gotten icecream... jake is still getting points)

"So umm hey how are you still getting points" Noah who has stopped playing the shooting game

"...i dont know." jake 2.0 said

"Huh wait jake there was blood in this arcade and your still getting points so is there a chance that this place is haunted" noah says

"Pfft ghost aren't real" jake 2.0 says

(Noah is looking behind jake and he sees many pottery pots are floating in the air and are getting juggled)

"AHHHHHHH CLOWN GHOST" Noah yells running outside

"Ohhh nooo, if only it wasn't me doing that" jake say chuckling

(Noah looks back through the door with a serious face)

"Dude trust me ghost aren't real i would know" jake 2.0 says

(Noah walks up to the pottery and kicks every single one of them breaking them)

(they suddenly just rebuild)

"Jake not funny" Noah says crossing his arms and looking behind him

(jake is currently playing an arcade game and not paying attention at all)

“...”Noah just stares at jake

“Yeah he is doing it theres no way he can’t focus on two or more things at once”Noah says
thinking jake is all powerful which he is

(meanwhile in jake's head)

“Hmmm... men... are they really tough???... taco face steve. Agreeable” jake thinks

(meanwhile with noah)

(Noah is repeatedly kicking the pottery and everytime the fix themselves Noah kicks it again)

(jake is just standing there, taking a sip of his drink)

“Hey jake thanks for the practice”Noah says kicking the pots over and over again

(jake is thinking of something i am not even allowed to type)

“Huh hey i thought jake was supposed to be thinking about fighting the next boss enemy”RL
Noah says

“... and were supposed to be thinking about school work right now and look at what we are
doing.” RL jake says

“...good point”RL Noah says

(the pot continues rebuilding)

(Noah activates determination armor)

(Noah stars kicking the pots at the speed of sound)

(meanwhile in jakes mind)

“...man i wish gay people were real lmfao{“ jake 2.0 thinks

(meanwhile with noah)

(Noah stops kicking the pots and is happy)

“Ok that was a good workout”noah 2.0 says

(jake is just standing sipping a drink loudly)

“Hey jake thanks for the workout”noah 2.0 says

“Huh?” jake 2.0 says

“What do you mean you were the one fixing and levitating the pots right”Noah 2.0 says

“No.” jake says

(Noah and jake look at the pots that are levitating)

“ZOINKS, LELELE LETS SPLIT UP GANG” jake says then doing a cartoonish run

“WAIT PLEASE DON’T LEAVE ME BEHIND”Noah yells as the doors jake went through close
locking Noah in

“...listen i’m sorry we don’t need to throw arcade machine at me i surrender”Noah says

(jake teleports back in)

“Sorry i forgot my coat” jake says then seeing the ghost

“... oh yeah...” jake 2.0 says

“... want to make an explicit reference?” jake 2.0 says

“Just get us out of here please”Noah says

(jake and noah start running until they find a hallway with many doors, jake and noah go in one
the ghost follows, they come out of a door, the ghost follows, jake and noah come out of a door
chasing the ghost, they then are rowing to watch other in boats and this is just a huge scooby
doo reference at the point)

(jake pulls a lever very quickly activating a trap door... witch he falls through)

(Noah jumps in with jake and throws a pebble at the lever closing the trap door)

(jake lands on his feet then starts walking around... noah falls on his face)

(jake is looking around)

"...jinkies." jake says

(Noah gets up and takes out a convenient flashlight that he doesn't need because he can use fire or light element)

(they are looking around)

"...wait a minute... that can't be a ghost up there" jake says realizing he's been stupid

"What do you mean" Noah says looking around

"... ghost aren't real" jake says

"...if ghost aren't real why was the thing up there transparent and able to float" Noah says

"Noah... holograms." jake 2.0 says

"oh... right so uhh we are down here now and that kinda might help us continue the story so let's explore: Noah says

(they start walking around)

"... i bet the fake ghost is actually the shop owner" jake says despite there never being a shop owner

"That doesn't make sense considering arcade's don't have shop owners" Noah says on his phone searching "do arcade's have shop owners"

"Wait... *no*..." jake says finding... a weird broken tube with spilled green liquid at the bottom

"Is that... ginger ale" Noah says

"...remember the NBL?" jake 2.0 says

"If you mean the national bad legion which was a book in Noah Woods 2 that had us as antagonists or protagonist at the time then yes" Noah says

"... we are exactly where there old base used to be..." jake 2.0 says

"...where did the city come from wasn't the base abandoned in a desert nowhere close to any city

"...i have the odd feeling there are more than 7 people on this earth..." jake 2.0 says

"Wait but can't you sense people and their power" Noah says

"...*oh. No.*" jake says realizing

"...*you know how i'm the ruler of the underworld?*" jake 2.0 says

"Yes and most likely i'll be the ruler of this world or something stupid when i get strong enough because RL me has ego problems" Noah says

"...*the ruler of heaven is amongst us...*" jake 2.0 says

"...so i other words i'm screwed and your gonna leave this to me to deal with even though i'm clearly weaker than the ruler of heaven" Noah says

"...no... im going to need you to **help me**" jake 2.0 says

"... are you really the jake i know" Noah says Suspicious of jake

"There are people more powerful than ME now... when the time comes im going to need... im going to need..... I'M GOING TO NEED.... I. TERELL JAKE PARKER THE 2ND AM GOING TO NEED... YOUR HELP" jake says struggling to say that

"...jake i promise i will do whatever i can to help you" Noah says

"Alright, just remember... that will most likely be in the future... ooh look a chair" jake 2.0 says

"Why do i feel like the entire next chapter is gonna be based on that chair" Noah says as chapter 1 ends

Chapter 2:A chair

Before we start the next chapter, we have a special message from our sponsor

"Are you ever just tired of like... standing and stuff...well we got the solution for you we call it the chair"a random person says

"You can stand near it, sit on it. Dance near it. THE POSSIBILITIES ARE ENDLESS" the person says doing all of those things near a chair

"So call our number, and we can get you like... a chaaaaiiiirrrr" the person says

Thank you for your time now back to the story

(jake is dancing near a chair)

(Noah is exploring the new mysterious area to help them later if they get chased or something)

(jake is breakdancing near a chair)

"JAKE I THINK I FOUND SOMETHING" Noah yells

"Give me a minute" jake says doing the most complex thing you have ever seen near a chair

(Meanwhile with Noah 2.0)

(Noah is near a glowing mysterious door)

(noah can hear jake busting a move)

"*sigh* guess i just have to do this myself" Noah says opening the door

(he just sees a room, with chairs in it, and there is a huge tube in the middle... it looks like it was never broken but theres nothing in it but yellow liquid

"...well that's weird in the 1st book of Noah 2 this was never here on the map of the laboratory" Noah says

"Ahh soo what did you want me to see... oh..." jake 2.0 says remembering this

"This wasn't on the virtual map on a computer i checked when i saved you from the test tube" Noah says

"..." jake doesn't say anything

(noah searches the room for something, anything to tell him what this tube was for)

"... the ruler of heaven was conjured here." jake 2.0 says

"Ok may i ask what happened here" Noah 2.0 says

"It's not about what happened here, but what is about to happen here"??? Says

(Noah turns around quickly but is immediately defeated and blasted into a wall)

"... It's my old nemesis... OAKALITREE" jake screams

"ITS OLIVER WHY CAN'T YOU GET THAT RIGHT" oliver 2.0 says

(Noah falls to floor and tries to get back up)

"How...is there another just as strong as jake if not stronger than them here on earth" Noah says

"How's it like ruling heaven you goody 2 shoes" jake 2.0 says

"How's it like having a whore for a mom" oliver 2.0 says

"MY MOTHER IS A SAINT" jake 2.0 yells

(Noah gets back up but looks like he about to pass out)

"Jake what do i do" Noah says

"... you cant do anything." jake 2.0 says about to punch oliver 2.0, he blocks the punch and jake 2.0 is sent flying across the world and crashes back to where he was

(Noah is shocked and he tries to run away but trips on a random stone)

"Aghh gosh darn it i need to get out of here" Noah says

"Hmmm pathetic. I'll be back at a later date, for blood." oliver 2.0 says ascending to heaven
(Noah gets up and tries to walk to jake)
"Jake we need to get out of here please get up" Noah says understanding the danger they are in
(jake is knocked out cold)
"Huh was he holding back against me" noah says wondering how he isn't knocked out but jake is
"Of course he was numbnuts" he hears a ghostly voice say
"HUH WHO'S THERE" Noah says looking around
"Its jake. Im knocked out and im now in your conscious, so yeah, just continue walking ill get up later" jake 2.0 says
"Ok but you're not annoying me while I walk right?" Noah says
(jake 2.0 is having a rave party in noah's mind)
"So what am i searching for" noah says
(caramelldansen is blasting in noah's mind because of jake)
(While Noah is walking he makes up a goal in his mind it is to... get out)
"Ok i know what i want to do so i'm gonna continuing walking and when i see a light i'm gonna walk towards it" Noah says
"Dance on me balls
Cat f***ing a handbag
It's only yours for doras tickle dancebag
It's no lie
Mister in the crowd said
Look Harry had a vagina malfunction" jake says singing the lyrics incorrectly
"JAKE THAT'S NOT HOW THE SONG GOES" Noah yells
"THEN HOW DOES IT GO?" jake yells
"Vi undrar är ni redo att vara med
Armarna upp nu ska ni få se
Kom igen
Vem som helst kan vara med
Så rör på era fötter" Noah sings
"...incorrect." jake 2.0 says
"Search it up on your imaginary phone" Noah says
"Yeah, and im correct" jake 2.0 says
"That's not what RL Me said" Noah says
"Well its what RL me said" Jake 2.0 says
"Your real self is an idiot and everyone in the real realm can agree to that" noah says
"I can agree" RL noah says
"NO" RL jake yells
(the entire class starts agreeing with RL Noah)
"NONONO. IM RIGHT. ALSO WHY DID HARRY HAVE A VAGINA MALFUNCTION" RL jake yells
"YOU ARE WRONG SEARCH IT UP JAKE ALSO BECAUSE HARRY IS A WOMAN" RL Noah yells
"I DON'T NEED TOO I AM.... wait im wrong dang it" RL jake says
(back to the story)

"Ahh yes. Ive been waiting for you" ??? says in a deep voice

"Who are you?!" jake 2.0 says
"Um actually..." ??? says as the lights turn on revealing a skinny nerd
"It's whom are you." the nerd says
"That doesn't answer the question" Noah says getting up
"I am arthur mcnerdface" arthur says
"Ok that a nice name" Noah says
"Thanks, it was a present i got on the day i was born and subjected to mankind" arthur says
then laughing hard and wheezing
"Are you okay" Noah says
(he starts coughing violently then pulls out a inhaler)
"Sorry, so what brings you to my paradise" arthur says... the room is messier than a witches tit
"Well we escaping this person who was trying to bring me and my friend here out of this
existence and he spared us and told us he would be back later so we found your paradise and
we would like to know if there is a way to escape fast" noah says
"Not so fast now, i haven't showed you my anime jar collection" arthur says
"What kind of anime is in the jar if i may ask" Noah says
"Cum." arthur says
"...jake why are we here again" Noah says
"To find out the mystery of that dang ol ghost up there" jake 2.0 says
"Oh that? That's just a hologram i made to scare people away from the arcade so i could play
them." arthur says
"Oh...so umm is there a way to leave the area or is there not" Noah says
"No, not until i release the ladder and show you my anime jar collection" arthur says
(Noah and jake look at each other and then the hole over and over again)
"...you listen here you little piece of-" jake 2.0 says
"No you listen here, your ugly" arthur says
"... You're*." jake 2.0 says correcting someone's grammar in real life
"NO" arthur says falling to the ground and writhing in pain
"*...tell... my mom... to not check the socks under my bed...*" arthur says evaporating, the ladder
just appears
"...wait if that all we see of that nerd doesn't that mean the chapter is gonna end and then we
are gonna fight oliver earlier" noah says
"...there are 6 more enemies left... i think we just mess around for the next 2 chapters" jake 2.0
says
"Well that's dumb so instead of taking the ladder do you want to just teleport out of here" noah
says
(jake is climbing the ladder)
"...ugh" noah 2.0 says starting to climb with him
(about 12 hours later)
(Noah and jake reach the top)
"Ugh.. i think i need a minute" jake 2.0 says sitting down
"Me too...kill me please" Noah says
"... you know, with everythings that has happened I think we deserve this break." jake 2.0 says
(Noah is laying on the floor even though there is a couch right next to him)

“... you know if we want to have true peace were going to have to kill everyone but us pretty much” jake 2.0 says

“...is true peace even possible now i mean we are fighting your arch nemesis who one shotted both of us”Noah says

“ yeah orkater.” jake 2.0 says not even knowing his name

“...how far away is heaven and how fast can he travel”noah says

“Noah... he is god he can teleport everywhere. But its way to long to heaven and i got banned after i flashed some random guy....hehehe” jake 2.0 says laughing

“...did he hear you get his name wrong”Noah says

“...i got his name wrong?” jake 2.0 says

“Isn’t his name oliver like the one fruit”Noah says

“... oliver is a stupid name that cant be it” jake 2.0 says

“Got it”Noah says

“... the nba is clearly back. And yet there are only 6 alive enemies...” jake 2.0 says

“Is it possible the enemies are part of the nba”Noah says

“Pft no, the enemies are apart of the EEE” jake 2.0 says

“The crap is that”Noah says

“The eight evil exes.” jake 2.0 says

“... i may or may not have dated them all” jake 2.0 says

“...so your bi”Noah says

“Meh i would say pan but bi works to” jake 2.0 says

“Ok i will respect your preference”noah says

“Yeah thanks... you didn’t get another power from this book yet.” jake 2.0 says

“Wait what do you mean by ye-”Noah says as the chapter ends

Chapter 4:A useless chapter

“I mean you must get one. Its the rule of the google doc. On every book for the first 4 you atleast get one new power per each” jake 2.0 says

“So basically RL us has to be creative or just use moves that our original version have”Noah says

“Yep. and they are choosing the first option.... Pathetic losers am i right?” jake 2.0 says

“Yeah hahahahahha “Noah says and then he sips a random drink that was on the ground

“...so yeah. You’re fighting people ive dated.” jake 2.0 says

“So i’m guessing you don’t want me to ask why you dated them”Noah says

“ go ahead and do it” jake 2.0 says

“You know what how about i ask about the people we killed/defeated and every book you tell me why you dated the person we defeated”Noah says

“Alright. Well you see the shadow lord... uh hh. Hot. also ruler of the shadows and that hot that he has power” jake 2.0 says

“Understandable” noah 2.0 says

“And arthur... how do i word this without a flash back” jake 2.0 says

“It’s simply not possible jake just tell me”Noah says for some reason knowing how flashbacks work

“Well uh... you see...” jake 2.0 says transitioning into a unwanted flashback
(there is some female nerd on a computer texting someone... suddenly some kind of red shadow thing comes up behind them and possess them.)
(they see a message on the computer)
“I’m here. Open the door” arthur says on the internet
“...sh1t” their possessed person says
(end of flashback)
“I was stuck like that because i didnt want to make someone so pathetic feel that bad... so i waited 2 weeks then just evaporated in front of them in that form” jake 2.0 says
“Oh ok”Noah says
“...oh yeah. This physical form im in, was forced by the nba if i didn't mention that”jake 2.0 says
“So uhh how am i supposed to get the next power if nothing happens”Noah says
“...here. Have a sip of this budlight” jake 2.0 says
“...i don't drink” noah 2.0 says
“Just do it numbnuts” jake 2.0 says throwing noah the drink
“fine”Noah says opening it and then drinking it
(Noah has obtained lazars)
(the zelda fanfare plays)
“...why?” noah 2.0 says
“Congrats. You can now shoot lazars” jake 2.0 says
“So is that all this book has to offer now”Noah says
(there is silence)
“...want to have a montage of something stupid?” jake 2.0 says
“Sure i don't see why not”Noah says
(Jake 2.0 and Noah are now in a clothing store, Jake is coming out in different outfits and Noah is rating them... the outfits in order go, mario. A dress for some reason. Barack Obama, Michael jackson. A pickle. And then another dress and then the exact same thing Jake always wears. Noah rates all of them but that last one with a good rating)
“Wonderful except the last one is very low mid”Noah says
“... so your saying i should shave my head and wear a dress?” jake 2.0 says
“Honestly yes”Noah says truthfully
“...WHAT” jake 2.0 says

Book 3:She’s a rebel

Chapter 1:And i love her

(jake 2.0 is taking a shower a screaming lyrics to a song that does not exist)
“SHE GIVES ME EVERYTHING, AND TENDERLY THE KISS MY LOVER BRINGS, SHE BRINGS TO ME, AND I LOVE HER” jake screams in the shower
“JAKE WHAT IS THAT SOUN-OH WHAT THE CRAP WHERE DID YOU GET A SHOWER”Noah yells
(jake cant hear noah because he is singing that song)

(Noah then leaves because he only wanted to hear what the song lyrics were)
“Hmm what should i do today...ehh a walk should be fine”Noah says
“Hopefully one of the EEE doesn’t just show up” noah 2.0 says
(Noah walks outside and is just enjoying seeing...absolutely nothing Noah s just imagining the trees not being burnt and families being happy with each other and for some reason jake and oliver play fighting)
(noah is still hearing jake scream these lyrics... possibly crying.)
“Huh i hope jake is okay in there”Noah says
(noah hears something in the bushes... sounds like roller skates)
(Noah looks at the bushes)
“...well ok i guess”Noah says walking away
“...wait all wildlife and anything connected to trees and plants was burned away so how is that bush there”Noah says then slowly turning around
(theres nothing there... noah has the odd feeling he should just walk back... jake has stopped screaming the lyrics)
“...umm okay i just gonna go back to the house me and jake just took from nobody hehe absolutely nothing happened here”Noah says walking back to the house
(3 minutes later)
(noah gets home jake’s eyes are red)
“Jake is something wrong”noah 2.0 says
“I’m not crying. Your crying” jake 2.0 says
“...ok jake time to get you to bed”Noah says dragging jake to jake’s bed
“...no dude. I just need a minute alright” jake 2.0 says
“Fine but earlier i think i was followed by someone with a fake bush”Noah says
(jake just starts breaking down crying after hearing that)
“Jake... who was in the bush”Noah 2.0 says
“THAT SOUNDS LIKE SOMETHING ONE OF MY EXES USED TO DO.... wait... that sounds like something... one of my exes used to do...oh fuck” jake 2.0 says
“HEY THIS IS A CHRISTIAN COMPUTER BOOK STORY GO TO TIMEOUT”Noah yells
“YOU DON’T UNDERSTAND WHAT THIS MEANS NOAH. ONE OF MY EXES IS HERE AGAIN.” jake 2.0 yells
“WHAT KIND OF NOISE WAS IT IN THE BUSHES... WHAT KIND.” jake 2.0 says
“Umm i believe it was roller skates”Noah says
(jake isn’t there and has left a note after Noah says that)
“Please Deal with this yourself”Noah says reading the note
“...well concerning how every one of jake’s exes are strong i need to be on my guard”Noah says
(Noah hears an acoustic guitar on the roof... Jake is clearly on the roof.)
“*sigh* if he wants to hide just hide in the goshdarn garage, i mean we pretty much made it invincible”Noah says walking outside to try and get jake down
“Jake please get dow-”Noah says seeing a bush in the nonexistent garden when he walks out
(jake is singing the same song he was in the shower... almost like a tribute to someone)
(noah stares down the bush)
“...”Noah is silent while looking at the bush
(jake may or may not be crying... he is)

"A love like ours... could never die... as long as i... have you near me" jake 2.0 sings crying
(Noah walks up to the bush carefully observing it and then backs up while still looking at it)
"I can confirm that is a fake bush" Noah says
(jake is not paying attention to noah)
"JAKE WILL YOU GET DOWN HERE I STILL NEED YOU TO TELL ME WHO THE PERSON
IN THAT FAKE BUSH IS" Noah yells
(noah gets tripped while he is yelling at jake)
(Noah lands head first on the concrete)
"AGHHH WHO ARE YOU" noah yells
"Like you would want to know, what's it to you huh?" ??? says out of view
"Well actually i like to know my enemy names because well...wait why do i ask my enemies
name" Noah says contemplating his life choices
"Yeah. good luck finding out my name before you're dead." ??? says
(Noah snaps out of it does that weird flip thing where someone puts their legs in the air and gets
pushes them up to get up also kicking the girl in the stomach)
(the girl... stays up somehow)
(Noah then jumps away from the girl)
"Say can you explain why you people are after me and jake" Noah says
"Because we are Jake's ex'es, what are you dull?" ??? says
"That doesn't make sense only to try and kill us because your jake's exes" Noah says
"IT MAKES PERFECT SENSE" RL jake yells
"NO IT DOESN'T NORMAL EX'ES EITHER JUST MOVE ON OR GET BACK TOGETHER IF
THEY REALIZE THEY LOVE OR LIKE EACHOTHER AGAIN" RL Noah yells
"ITS A SCOTT PILGRIM VS THE WORLD REFERENCE" RL jake yells
"NO ONE CARES" RL Noah yells as 10000000 chairs appear behind him and fly towards jake
(jake is still crying and singing the song)
(Noah and the girl are still arguing)
"THAT'S WHY YOU SHOULD STOP DOING THIS" Noah yells
"THATS STUPID. YOU ARE JUST LIKE THE GOVERNMENT AND MY MOM, TRYING TO
TELL ME WHAT TO DO!" ??? yells
"YOU'RE STUPID" Noah yells
"THE GOVERNMENTS STUPID!" ??? yells
"YES I HAVE TO AGREE WITH YOU THERE BUT THE GOVERNMENT IS GONE" Noah yells
"YOUR A GOVERNMENT FIGURE PRETTY MUCH SO I HATE YOU" ??? yells
"... " Noah is silent as he realizes he is a government figure
"...i'm gonna go cry in the shower" Noah says going inside the house
(sounds of water flowing and crying is heard)
(an hour later noah comes out, the girl is trying to get on the roof)
"Is jake still playing that song" Noah says
(jake is still playing that song)
"...you know what jake can deal with this" Noah says going to his room to sleep

Chapter 2:I'll see you again

(Noah walks outside after a good night's sleep)

"*yawns* hey jake how are you doing...oh you're still here" Noah says

(the girl is still trying to get on the roof)

(Noah walks into the garage gets a ladder and puts it where the girl can climb up)

"I dont need your help you rich asshole" ??? says

"I don't have any money though" Noah says as he goes to the shop to steal some food

(jake stops playing)

"Wait, is that Ramone?" jake 2.0 says finally recognizing her voice

(Noah is gone he used determination armor to get to the 12 mile away store)

(meanwhile with noah)

"Hmm i wonder what i should get for summer... oh wait electricity is basically gone so i can't get a fan and all water is basically dried up so can't go swimming i guess i will just get food" Noah says

(Noah gets the food and teleports back home... jake and Ramone are fighting.. epicly)

(Noah looks in the bag and sees popcorn and then smiles)

(Noah cooks the popcorn and then starts eating while watching the two fight)

"WHY DID YOU CHEAT ON ME??" Ramone yells

"You wanted to!" jake 2.0 says

"WHY DID YOU LEAVE THE KEYS UPON THE TABLE" ramone yells

"You wanted to!" jake 2.0 says

(Noah is just eating popcorn)

(they start yelling at each other... oddly musically)

(3 hours later)

(they are still screaming and fighting)

(Noah has eaten his 20th bag of popcorn)

(a day later)

"PAY ATTENTION. TO THE CRACKED STREETS AND THE BROKEN HOMES" they both yell at each other

"... are they really screaming at each other in green day lyrics now?" RL jake says

"Yes also my 2.0 self has eaten 160 bags of popcorn because a day is 24 hours and 3 x 8 is 24 so you also have to times 20 by 8 which equals 160" RL Noah says

"Nice" RL jake says

(noah 2.0 is starting to get annoyed)

"...OKAY BOTH OF YOU GROUNDED CORNER NOW" Noah yells

"SHUT UP YOU RICH ASS HOLE" they both yell at noah

(Noah pulls out a slipper)

(they are now screaming nirvana lyrics at each other wow.)

(Noah throws two sandals at each other and suddenly both of them are in the grounded corner)

"SHE STARTED IT" jake 2.0 yells

(ramone just gets up)

“...Ramone sit”Noah says
“Fuck you i wont do what you tell me” ramone says
“What are you a rebel also i currently just put up a barrier of some jake’s power because he put some in a capsule so i’m using to for the time out corner so you’re currently trapped”Noah says
(they start arguing in the time out corner)
(Noah makes the barrier sound proof and then cleans up the house)
(an hour later)
(they are still arguing... or shouting punk rock lyrics at each other i can’t tell)
(Noah has cleaned the house and then he goes into a gym room)
(a day later)
“CALIFORNIA REST IN PEACE, SIMULTANEOUS RELEASE” they yell at each other

“Hey jake say you are not going to have sex with me”Noah says
“what.” jake 2.0 says
“Just say it”Noah says
“...Im not going to have sex with yo-” jake 2.0 says falling down a hole
“...uhh could i stay the ni-” Ramone says also falling down a different hole
“”HEY LET ME OUT YOU RICH ASSHAT” jake 2.0 yells

"NOPE YOU TOLD ME TO BUILD THIS HOLE SO THAT IF YOU ARGUED WITH SOMEONE YOU WILL FALL DOWN THERE SO YOU WOULD STOP ARGUING" noah 2.0 yells
"FUCK YOU I WONT DO WHAT YOU TELL ME" ramone yells trying to get out of the hole
(Both of the holes close)
(a hour later)
(noah opens the hole)
"YES, FINALLY AFTER ONE YEAR I CAN SEE THE LIGHT!" jake 2.0 yells
"It's only been an hour"noah says
(Ramone is shriveled up in a corner)
"Water and food"Noah says throwing a packaged meal down
(they fight over it)
"YOU PEOPLE AREN'T EVEN IN THE SAME HOLE HOW IS THAT POSSIBLE"Noah says
(there is not a wall around them)
"You know what"Noah says closing the holes
"You'll two can continue that"Noah says leaving for a day
(a day later)
(they are almost dead of starvation because of one day)
(suddenly a whole cargo full of food and water falls in)
(a month later they are just floating in the water)
(Noah opens the hole)
(they aren't breathing)
(Noah uses the emergency button to get them out)
"Lol imagine being stuck in a hole for 1 months or something"Noah says
"Shut up... you rich son of a-" Ramone says
"I told you before i'm poor i have no money whatsoever"Noah says
"... im more punk than ramone though" jake 2.0 says
"NO YOU AREN'T" ramone yells
(they are back to arguing)
"Just go to the next freaking chapter already"Noah says to the RLs'
"No, its only been 3 pages" RL jake says
"...there was a chapter that was like 1 page long"Noah says
" this isn't that chapter is it." RL jake says
"...do you want me to gain freedom for what i say"Noah says

Chapter 3: around the bend

(Noah is sitting down on the couch with his hand on his face while ramone and jake argue)
"YOU KNOW WHAT... **ENOUGH**" Ramone says then floating up and creating an entire island.
With a building
"... dang." jake 2.0 says
"YOU HAVE 1 WHOLE DAY BEFORE I RELEASE THE LAZAR OF UNIVERSE DESTROYING"
Ramone says through a megaphone
(Noah is still just sitting with his hand on his face)

"NOAH, WE NEED TO GET UP THERE OR OLIVER WILL HAVE TO RECREATE THE UNIVERSE AND THEN HE IS GOING TO BLAME ME AND BEAT ME UP" jake 2.0 says

"...Ok but you owe me something after"noah says

"OK FINE." jake 2.0 says

"... so how do we get up there" jake 2.0 says

"...we can teleport jake" Noah says

"... but i dont want to" jake 2.0 says

" :| seriously" Noah says then he picks jake up and starts spinning round and round and then throws him to the island

"WEEEEEEEEEEEE" jake yells being thrown

(Once jake lands on the island Noah teleports up there and helps jake up
(jake is clapping)

"Again again :D" jake 2.0 says

"...ok but after we defeat your ex punk girlfriend okay?"Noah says

"...ok" jake 2.0 says a tiny bit disappointed

"...just kidding" Noah says picking up jake and then doing the same thing but into a window where they can sneak up on ramone
(he goes through the window... it's the window to a bathroom)
(Noah teleports in)

"Okay jake we should be able to sneak up on your ex girlfriend from here" Noah says

"...her name is Ramone, you know that right?" jake 2.0 says

"I really don't care" Noah says

"This is the second out of 30 floors" jake 2.0 say

"... are you good at climbing up stairs?" jake 2.0 says

"..." Noah is silent and then he turns on determination armor and climbs up the second floor but stops because he realizes something... he has no idea where he is going
(jake is on the 23rd floor)

"COME ON GO FASTER" jake 2.0 yells

(Noah then continues to run up the floors and now is on the 7th floor)
(suddenly 5 arrows are shot at Noah as he is on a challenge floor)
(jake is on the 30th floor and is waiting)
(Noah is on the 11th floor and realizes the first 6th floors were the only floors that don't have traps)
(noah takes a step and a trap door opens up sending noah back to the beginning of the stairs)
(Noah eye twitches and he uses 125% of his power to go way faster than sound)
(Noah is on the 9th floor now)
(noah takes a step and is almost shot)

"HOLY CRAP" Noah says still running and has made it to the 15th floor
(Noah stops as he looks at a pit of lava and multiple guns shooting around platforms above the lava)
(the platforms disappear)

"...and it only gets worse as the floors progress" Noah says
(noah falls through the lava and ends up back at the 1st floor)

"...Why?" Noah says sadly

"Don't even ask" Noah says walking up the stairs

(Noah now sees a floor... there are just a bunch of propane tanks... and lasars... noah sees a note)

"If you hit these lasars, the propane will be lit and explosion- love Ramone" Noah reads

"Well that's very simple" Noah says then putting a ninja hood on

(noah skillfully dodges the lasars)

"Congrats, you will now die" a robot voice says as a match drops onto the room despite the note

(Noah then starts dodging through the room faster than before and is about to exit the room before)

(noah gets into the next room, suddenly a bunch of redlines observe him... a slime clone is made on a different side of the room)

"A clone...wait did it copy me and now it's gonna make me fight it" Noah says

"A clone...wait did it copy me and now it's gonna make me fight it" NOT says

"Hey why did you copy me" Noah says

"Hey why did you copy me" NOT says

(Noah then realizes what's going on they are both gonna do the same thing whether it be talking or using moves)

(the door to the next floor closes and is completely locked)

(Noah walks forward towards NOT)

(NOT walks to noah)

(when Noah and NOT are in front of each other they...)

"You're ugly" Noah and NOT say at the same time

"HEY!" they both say

"STOP-" they both say

"...supercalifragilisticexpialidocious" they both say

"AHHHHHHHHHHHHHHHH" They both scream

"Sally sell seashells down by the sea shore" they both say

"...dang it." they both say

"Rock paper scissor... SHOOT" They both yell and both do Rock

"SON OF A-" they both say

"SCISSORS" they say and both do scissors

"CRAP" they both say

(meanwhile with jake)

(jake is dancing around naked greased up in oil to twinkle twinkle little star)

(meanwhile with noah)

(Noah and NOT are currently creating lines to keep each other out of each other's space)

"Good luck getting past that faker" both of them say

"OH REALLY" they say as they walk over the other's line

"HA... and this is stupid im just arguing with myself" they both say

"...Hey wanna team up" They say

" no do you want to team up." they both say

"NO YOU" they both yell

"FINE I WILL JOIN YOUR SIDE" They say

"NO YOURS" they both yell

"You know what let's just say each other's side is the same side" they say

"Ok then"they say
(the door is still closed)
(an hour later)
(the door has 1 tiny dent in it)
(both Noah and NOT are laying on the ground and breathing heavily)
"You must kill your clone to escape" a robot voice says
"Also you have 6 more hours until the lazer is ready" the robot voice also says
(they look at eachother)
(Noah and NOT stand up looking at each other with a shadow over their eyes)
(they run at each other)
"YOU MAY KNOW EXACTLY WHAT I'M GOING TO DO, BUT I KNOW EXACTLY WHAT YOUR GOING TO DO! STRANGE ISN'T IT" they both say referencing that one sonic ova
"Hehe noah isn't going to get that reference unless i specifically spell it out" RL jake says
"Oh no i get it"RL Noah says
"Oh. :(" RL jake says thinking he was being clever and referencing something noah wouldn't know about
(meanwhile with jake)
(Jake is still completely nude greased up in oil but is now dancing like a ballerina.. What the hell)
(back to noah)
(Noah is fighting himself... and losing?)
"HOW IS THIS EVEN POSSIBLE WE ARE DOING THE SAME MOVES"Noah yells
"HOW IS THIS EVEN-" NOT repeats but gets punched in the mouth
(he explodes)
"...well that makes sense"Noah says walking up the stairs
(Noah reaches the top and sees what jake is doing)
"What the"noah says
(jake stops in his place)
"... could you walk back down for a minute" jake 2.0 says
"...Do you want to get thrown again and have fun or do you want to not get thrown and be boring"Noah says
"... can i atleast put on some clothes?" jake 2.0 says
"I mean yeah"Noah says
(a minutes later)
"Alright im ready" jake 2.0 says
"Just so you know this one be a easy fight" jake 2.0 says
"Ok but how do know and how will it be easy"Noah says
"... your not allowed to punch women" jake 2.0 says
"...don't worry these hands are bisexual"Noah says
"...but i thought you were straight" jake 2.0 says
"I am but my hands are half straight half gay"Noah says
"... so one of your hands beats your meat to guys?" jake 2.0 says being stupid
"No you know what let's just say that my hands don't know how love works so it thinks violence is love so both hands are basically allowed punch woman"Noah says

“...so your hands are masochist?” jake 2.0 says
“ how about we stop here” noah 2.0 says

Chapter 4: Good Riddance

(Noah and jake walk through a door to the roof)
(Ramone is there)
“...” jake 2.0 is silent
“ DO YOU HAVE THE TIME” jake 2.0 yells
“TO LISTEN TO ME WHINE?” Ramone yell turning around referencing green day
“... no. i don't in fact. And he is going to beat you up while i do nothing” jake 2.0 says
“Say what now”Noah 2.0 says
(jake brings out a lawn chair)
“WOOO YEAH DON'T HELP THE RICH” Ramone yells
“THAT'S IT I TOLD YOU MULTIPLE TIMES THAT I'M IN FACT POOR AND THAT ALL MONEY HAS BEEN BURNED SO NOW I'M GONNA GIVE YOU A FEW REASON WHY YOU SHOULD SHUT THE FRICK UP,1. YOUR UGLY 2. YOU ARE A WARRIOR WANNABE 3.YOUR MAD BECAUSE YOU GOT BROKEN UP WITH AND FINALLY BECAUSE YOU ARE AN IDIOT”Noah yells making a point
“...i actually broke up with him” Ramone says
“Oh ok then 3. Your mad because you made a mistake and broke up with my friend here”Noah says
“... it frankly wasn't a mistake” Ramone says
“... then why are you trying to kill him?” noah 2.0 says
“Because he keeps on sending me letters to come back to him” Ramone says
“Hold on WHAT?!”Noah says appearing in front of jake
“...” jake 2.0 says completely zoned out with headphones in listening to weezer
“You know what considering that he is zoned out let's just fight”Noah says
“... you wouldn't punch a woman would you?” Ramone says
“...well actually now that i think about i would be a jerk if i punched you considering that you are a woman so...i'll **kick you instead**”Noah says outsmarting Ramone
“...good point, counterpoint... **no hoes**” Ramone says making noah fly into a wall
“...did your word just send me flying into a building?”Noah says wondering how thats possible
“I'm a woman my word is more powerful than yours” Ramone says
“AND RIGHTFULLY SO” RL jake yells
“Not really”RL Noahs says
“...NO HOES” RL jake says
“I never said i wanted any”RL Noah says as RL jake goes flying
“Good luck beating me” Ramone says
“Hey nice makeup where Did you get it dollar store”Noah says
“Yes.” Ramone says
“Nice it looks good on you”Noah says
“Are you sexually harassing me?” Ramone says and noah flys back
“No not really i'm just saying you look nice”Noah says the flies back to where he was

"That sounds like... A SEXIST REMARK" Ramone says making noah fly back and through the wall

"...what is a sexist"noah says flying back because that how that works

"You can't win me, i cant be beat" Ramone says walking forward

"I won't hurt you unless you cheat?"Noah says thinking Ramone is talking in lemon demon lyrics

"AH" Ramone says going back... The music is not punk rock and she is hurt

(Noah Notices this and then continues)

"You can see me behind the screen i'm half human and half machine"noah says according to the beat of the song "cabinet man"

"JOKE ON YOU I CAN HEAL BY- OH GOD!" Ramone yells putting on jakes headphones and getting weezered

(she falls to the ground... jakes headphones disconnect and weezer is just blasting into the room)

(Noah walks forward to her)

"It doesn't have to be like this you know"Noah says

(Ramone is on the ground having a weezer induced stroke)

"You can still change"noah says

(she is still having a stroke)

"HEY JAKE WHAT SHOULD WE DO"Noah yells to jake

(Jake is having a weezer induced zone out.)

(noah notices the lazar has an hour left until it is ready)

(Noah pickles up jake spins him around multiple times and throws him at the lazer)

(the lazar breaks... jake just teleports back)

"You know you should fight Ramone" jake says thinking it was a few minutes ago

"Already did she is having a non punk rock stroke" noah 2.0 says

"...she didn't say anything about the past relationship, did she?" jake 2.0 says worried

"No...why would she say anything like that..."Noah says remembering that ramone broke up with jake

"... just give her a minutes she should be back up. Then you can fight her-" jake 2.0 says being cut off by noah

"Hey how about we try to recruit her to help us beat oliver"Noah says

(meanwhile with Oliverse jake)

(jake is spinning in a chair violently)

"WEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE" Oliverse jake says

(oliverse noah is in his chair doing stuff like preparing for war you know normal stuff)

(back to jake 2.0)

"That idea is ludacris she's trying to kill us for me breaking up with her which i did"jake says

"...but if you think about it she would be extremely valuable to help us beat oliver if we are able to recruit her"Noah says

"...she doesnt work with the rich." jake 2.0 says

"But i'm poor"Noah says

"Yeah thats what they all say, don't you talk like that with your 30\$ haircut" jake 2.0 says

(Noah literally takes out a wallet and opens his pouch to show 1 cent)

"Oh and now your flexing your "BIG MONEY" yeah exactly as i said you rich dilweed." jake 2.0 says

"...this is a cent jake not a million dollars" Noah says

"Yeah thats more than me. How about you give some of that to the poor you greedy bastard"

jake 2.0 says starting to get angry

(Noah gives it to jake and says)

"Jake are you okay?" Noah says concerned

"OH WELL LOOK WHOS RICH NOW. I AM GOD" jake 2.0 says letting the money get to his head

"I mean you were kinda already were but okay" noah says walking towards Ramone

(Ramone is passed out after the weezer induced stroke)

"Huh i guess weezer really does suck" Noah says

"HEY" RL jake and jake 2.0 yells

"HAH DEAL WITH IT" RL Noah and Noah 2.0 yells

(Ramone is still passed out)

"... want to flash forward a couple of hours later?" jake 2.0 says

"Sure i don't see why not" Noah 2.0 says

(hours later)

(Ramone gets up)

(Ramone is in chains that restrict powers created by jake)

(jake is sipping apple juice)

"HEY LET ME GO YOU RICH ASSHOLE" Ramone yells at noah

"Hey i don't have the money anymore jake does" Noah says

"...no i dont" jake 2.0 says

"I BELIEVE HIM." ramone yells at noah

"Didn't you break up with him" Noah says

"SHE BROKE UP WITH ME" Jake 2.0 yells

"OH YEAH LIKE THAT HAPPENED" Ramone yells

(they get into a shouting match)

"Anyways jake stop yelling and i will give you apple juice and ramone i will find some high quality punk rock music if you stop yelling" Noah says

(they are both sitting in a chair calmly)

"So anyways Ramone do you know who oliver is" Noah says

"...i think i gave that guy head once" Ramone says

"Would you say you hate him now or you don't mind him existing" Noah says

"...did I give him head?" ramone says out loud

"I did once" jake 2.0 says

(everyone is silent)

"...Ok did not need to know that, but still earlier me and jake encountered him and he said he'll be back for blood so i would like you to join us" Noah says

"...why would i join the side of a rich asshole" Ramone says

"I can get you more high quality punk rock music if you say yes" Noah says

"... you don't even know what punk rock is do you?" Ramone says

"In its most nascent form, punk rock is non-conformist, characterized by short formats, fast tempos, distorted riffs, stripped-down instrumentation, and shouted lyrics." Noah says
"...did you just copy and paste wikipedia in real life." Ramone says not knowing she's in a book
"Uhhhhh maybe" Noah says
"Ugh fine i'll join you for ONE book. No more" Ramone says
"...she's going to stay for more isn't she." RL jake says
"Oh trust me she will" RL Noah says
"Well i guess you can destroy the tower now" jake 2.0 says
"WAIT WAIT WAIT-" noah 2.0 yells
(the tower just disappears)
(Noah, jake, and Ramone start falling)
(noah is the only one screaming)
"GOSH DARN IT JAKE I TOLD YOU I CAN'T FLY" Noah says
(jake and Ramone are just playing patty cake)
"ARE YOU TWO PLAYING PATTY CAKE RIGHT NOW" Noah yells
"NO WERE PLAYING SPONGY CAKE" jake 2.0 yells
"OK THEN WHY DID YOU DESTROY THE TOWER WHEN WE ARE IN IT" Noah says
"BECAUSE WE DON'T NEED THE TOWER" jake 2.0 says
"Oh yeah we are almost to the ground" jake 2.0 says
"You're an idiot" Noah says
(noah sees how close he is to the ground)
"AHHHHHHHH...wait can't i just" noah says teleporting to the ground with his legs straight
(jake 2.0 lands on the ground with his feet)
(ramone lands on her face)
"...HAHAHA" jake 2.0 yells and Ramone punches him in the balls
"AH" jake 2.0 says falling to the ground
(Noah runs to a shop and comes back with high quality punk rock music and a lot of apple juice)
"...yaaaaaaa" Ramone and Jake says hurt
(later)
"So yeah i was dating Ramone because i went through a phase" jake 2.0 says
"...and you were oddly clingy" Ramone says
"YOUR MOM WAS ODDLY CLINGY" jake 2.0 yells
"Can you two not talk about the past for 1 second" Noah says
"You wanted me to talk about why I dated them." jake 2.0 says
"Hey who is the next strongest ex" Noah says
"...uhhh... ummm... i dont know" jake 2.0 says
"Ok then" Noah says
"...i just hope it isnt... **him**" jake 2.0 says shaking then punching himself
"Ok Jake, just forget about him, he wasn't mean in it, he didn't mean it, he didn't mean it and he is gone, happy thoughts, happy thoughts, happy thoughts." jake 2.0 whispers to himself
"Umm okay anyways ramone any other powers you have that you haven't shown yet" Noah says
"... no" Ramone says
"...she does, doesn't she." RL jake says

"I mean Noah 2.0 is a attack type your 2.0 self is basically all but most of the time a ranged type, so Ramone might be a healer or defense type so let's make her about defense considering her powers would be good for that" RL noah says
"Ok NERD" RL jake yells then gets pelted by chairs
"Also yes she will have more powers"RL Noah says
"Oh ok. YOU NERD" RL jake yells then gets pelted with more chairs
"So anyways what power do i get now because you said earlier i get a power every book"Noah says
"...i don't know here have a ginger ale" jake 2.0 says throwing a ginger ale to noah
(Noah drinks the ginger ale)
(Noah has obtained...a time freezing fire kick?)
"...try it on Ramone" jake 2.0 says
"HEY" Ramone yells
"We should really get test dummies shouldn't we"Noah says
"...What do you think i am rich? I can't buy those" jake 2.0 says
"Yeah how about you buy them you rich cumwad" Ramone says
(noah takes out his wallet and shows he doesn't even have a fly in it)
"See i'm poor and plus we can just steal considering no shopkeepers exist anymore"Noah says
"Ugh can we just move on to the next book?" jake 2.0 says
"Huh what do you mean we aren't reading anything"Ramone says
"We will explain later"Noah 2.0 and jake 2.0 says

Book 4:Traditional man

Chapter 1:Toxic

(jake is laying in bed sleeping)
(Noah is in the kitchen eating a breakfast bar)
(Ramone is just laying on the bathroom floor listening to music)
"Why do i feel like every book is completed in 1 day"Noah says
"It actually normally takes at least 3" RL jake says
"I know we should go back to 3 days"RL Noah says
(Jake is still sleeping... it's like 7:30)
"Anyways my head hurts so i should probably do nothing special today"Noah says
(jake gets up sweating)
"...oh thank god it was just a dream" jake 2.0 says
"... wait, I don't normally have dreams..." jake 2.0 says questioning this plot hole
"...shut up" RL jake says
"...wait he had a nightmare about 2.0 me not doing anything because his head hurts"RL Noah says
"No... you will learn about who later" RL jake says disappearing

(jake 2.0 gets up and walks to the living room and grabs a bottle of apple juice and starts drinking it like he is an alcoholic)

(Noah 2.0 walks out of his room with hand on his head)

(Noah sees that Jake is just sitting there drinking apple juice. sadly)

"Hey jake how is your morning" noah 2.0 says

"I don't want to talk about it" jake 2.0 says

"Ehh me too" Noah says

(ramone is still on the bathroom floor)

(Noah makes himself some cereal and starts eating it)

(an hour later)

(Noah is in his room sleeping)

(jake is up drinking apple juice to numb his mental pain, it doesn't work of course)

(meanwhile in Noah's dream)

(Noah is in a dark abyss)

"You you know what you know what like i like to do this when thing where you know what i do like a flip but then you- you know what i then do a dance THEN you know what i then bring out a gun and" ??? says

"HOW THE CRAP ARE YOU EVEN HERE THIS WAS SUPPOSED TO BE A MOMENT WITH MY FAMILY WARNING ME ABOUT SOME STUPID OTHER PROPHECY" Noah yells

"You know what you- shut up." ??? says with a deep voice

"You shut up this is my mind i can do whatever i want" Noah says

(??? explodes)

"...anyways back to what was supposed to happen" Noah says

"Noah... something bad is going to happen" Noah's mother says

"...the ozone layer is gone and now i'm fighting some of my friends exes how can this get any worse" Noah says

"... the next ex is abusive." Noah's dad says

"...does he have mental illnesses" Noah says

"Yes... also he was not only abusive but also a "traditional man" " noah's brother says

"Can i be in this prophecy?" noah's sister says

"... no" noah's dad says

"So i got to deal with a abusive guy with mental illnesses got it" Noah says

"I wish you luck, your going to need it because jake is going to have a panic attack in the bathroom" Noah's mom says

"Say what now" Noah says

(noah wakes up... it's 2:03 am)

"I wonder how does this prophecy affect me...idk but my head really hurts i think i will eat a breakfast bar when i get up" Noah says

(noah gets up and walks to the kitchen)

(jake is just passed out on the table)

"huh i thought he would at least sleep on the couch" Noah says

(he is just laying there passed out)

(he had too much apple juice)

(noah gets out a breakfast bar and then starts eating it)

(Ramone is still on the bathroom floor)
(Noah hears a violent knocking at the door)
"Huh i wonder who that can be" Noah says
(jake gets up to check the door)
(jake drops a glass of apple juice he had in his hand)
"*...get the wooden boards*" jake 2.0 says
"Jake...don't tell me" Noah says looking at the door
"...you know what i'm not gonna question it" Noah says going to get some boards from the closet
(noah hears a door shut loudly and then ramone yelling about being kicked out of the bathroom)
"Jake who is the Ex this time" noah says
(noah just hears heavy breathing from the bathroom)
"Say Ramone do you know who this next Ex this time" noah says
"I don't know, all i remember after me breaking up with jake was a bunch of notes, some had blood on them, him saying how he doesn't need me because he's in a new relationship, How he needs help getting out of said relationship, abuse, and begging for me to come back" Ramone says
"Hmm that does fit the description of what i was told" Noah says
"So what should we do about this guy...want to show him what why he shouldn't mess with us" Noah says
"...i wouldn't do that" Ramone says
(noah hears loud crying from the bathroom, heavy breathing, and other panic attack sounds)
"...well this guy clearly did something to jake while they were together and he is my closest friend so ...i'm gonna do as he said and block the door" Noah says getting hammer and putting the wooden planks on the door
(noah gets boards up the doors and windows and that entire side of the house)
"Alright we should be good now" Noah says
(the door is busted through in a single punch)
(Noah quickly turns around and gets into fighting position)
"Alright buddy why are you here" Noah says
(noah is punched in to a wall and through that wall and through the bathroom)
"jake...run" Noah says passing out
(jake just looks in terror)
(the ex burst through the door)
"NOO. PLEASE GOD NO" jake 2.0 yells
(meanwhile with Ramone who is hiding in the utility room)
(all that is heard is screaming and punching and profanities)
(Noah gets up like a 1 hour later)
"Huh what happened" Noah says putting his hand on his head
(jake is gone from the room, there is just a pool of blood)
"...DANG IT" Noah says punching the wall making a medium sized dent
(Ramone is still in the utility room)
(Noah walks to the utility room)
"Ramone it's me you can come out now" noah says
"...now i feel bad for leaving him." Ramone says getting up

"I swear if only i was stronger i could've stopped that guy before he even got to see a glimpse of jake"noah says

"...yeah well now we need to find his house because they went there" Ramone says

"Well we should get going right now to keep jake from getting abused more" Noah says

"...yeah well... WHY IS THERE A RANDOM IMAGE OF DANNY DEVITO IN ON THE WASHING MACHINE" Ramone says

"AHHHHHHHHHHH" Noah says scared of danny devito

(Noah runs out of the house following the footprints because 1 he's scared and 2 he need to find jake)

(Ramone starts walking)

(2 hours later)

(Noah has stooped running and is walking next to ramone with a map)

"So looking at the footprints direction and the fact that there is a house 11 miles in front of us without any other house close to it, that house should be the one we're looking for" Noah says

"...So whats your plan to kill him?" Ramone says

"Uhh well umm...Don't die?" Noah says

"...seems solid to me" Ramone says rolling her eyes

"Well actually one of us should get jake away from him and then get back to we can both fight him because i don't think either of us can handle him on our own"noah says

"And i have a freeze move so i can freeze the guy so i might be able to keep the guy under control for a while so maybe you should be the one to get jake out of here"noah says

(they hear the sound of a guitar solo, they are getting close)

(they hear large footsteps)

"WHY ARE THERE STILL DISHES IN THE SINK" ??? yells

"WAIT PLEASE NO-" Jake 2.0 yells

(Screaming and punching sounds)

(Noah starts to get angry and he sprints towards the house)

(noah makes it to the house)

(he bangs on the door with immense force and the hitting stops and the screaming)

"I can't wait to show this guy what's good and what's crossing the line" Noah thinks

(he opens the door with a smile)

"Hey there's the closest neighbor, why don't you come inside" ??? says

"GET THESE GUYS A BEER YOU BLOODY IDIOT"??? yells

"*Ughhhh.. Y-yes sir.*" jake 2.0 says shaking

(Noah is surprised how clean the house is)

"Uhhh ok sure i don't see why not" Noah says

"Sorry about the mess, SOMEONE WON'T CLEAN UP THE HOUSE" ??? says

"It's ok my house isn't really much cleaner" Noah says now being scared

(ramone makes it into the house)

(jake comes back with 2 beers shaking)

"OH YEAH JUST DONT GET ONE FOR ONE OF OUR GUEST" ??? yells

"*SORRY*" jake yells bracing for impact that never happens

(jake walks to the kitchen and gets another beer and gives it to Ramone)

"NOW GO CLEAN THOSE DAMN DISHES" ??? yells

"OK, PLEASE STOP SCREAMING" Jake yells
 "MAYBE I WOULD IF YOU WOULD DO WHAT YOU'RE SUPPOSED TO" ??? yells as jake goes to clean the dishes
 "...oh i'm sorry i forgot to introduce myself my name is Noah Woods" Noah says
 "Yeah good for you, just call me Sir." Sir says
 "Ok sir... why was there screaming coming from your house earlier, and why is your boyfriend-" Ramone says
 "ASSOCIATE" Sir says wanting to sound straight
 "Ok your Associate. Why was he covered in bruises" Ramone says
 "He feel earlier and we where watching a horror movie, ISN'T THAT RIGHT" Sir yells (jake is startled and drops a plate)
 "OH LOOK WHAT YOU DID, YOU STUPID IDIOT" Sir says getting up and walking to jake backhanding his face... blood comes out of his mouth
 "O_O" Ramone says
 (Noah is twitching from his anger)
 "...sorry about that, IM JUST PLAYING RIGHT" Sir says
 "YES. YES YOU ARE SIR" jake yells
 "Good" Sir says going back to sit down
 "So uhh question... when will this chapter end" Noah says
 "When-" sir says

Chapter 2: oh god.

(he just sitting back, noah and Ramone are speechless)
 (Noah had no idea what to do in this situation)
 "...uhhh-" Noah says
 "What? Is there something wrong?" Sir says
 "No sir i just get nervous when i'm around new people" Noah says
 "Oh huh, i feel like i've met you before though" sir says
 "Really? Maybe you saw me but i was busy doing something" Noah says
 "Oh yeah" sir says drinking his beer
 "Ramone what should we do" Noah whispers
 "Well i don't know but jake is passed out over there" Ramone says
 "HE'S JUST PLAYING DEAD, ISNT THAT RIGHT" Sir yells
 "Yes i am just passed out sir you are so hit" sir says in a high pitched voice imitating jake horribly
 'GOOD.' Sir yells
 "Oh ok then" Noah says
 "... yeah well i think we should get going" Ramone says
 "Yeah we have some important business to get to" Noah says \
 "Ok. just come back later... sometime past 3 pm." Sir says
 "Alright will do" Ramone says leaving through the door and running back to the house
 "Goodbye sir" Noah says then politely walking through door and the running away to the house (later when the both get to the house)

(they are both sitting on the couch exhausted from whatever that was)

"*pant* ok we have like 0 chance to save jake" Noah says

"... who would have known he was dating someone who's mentally ill" Ramone says

"...jake would've known but that's besides the point...wait when you called jake his boyfriend he said acquaintance...do you think he has a problem about being gay" Noah says

"I mean this book is called traditional man, so yeah most likely" Ramone says breaking the 4th wall

"So uhh we ran away from him so what is this chapter gonna be about now a training montage?" Noah says sarcastically

"...no that's stupid and a very bad way for RL jake and noah to just be lazy" Ramone says

"HEY" RL jake yells

"...It is true though" RL Noah says

"... yeah :(" jake 2.0 says

"So what are we gonna do i mean it hasn't even been like a full chapter yet" Noah says

"Yep, we need to do something to try to beat that guy up." Ramone says

"I mean we could like spar with each other" Noah says

"...that's stupid" Ramone says

"Well what do you want to do like chess" Noah says

"No. we need to do some actually hard work that's not a montage" Ramone says

"Well what is it" Noah says

"IDK do some lifts or something" Ramone says sitting back

"...i'm not supposed to have the same amount of him at this point until book 7" Noah says

"You've got it" Ramone says not listening but encouraging noah... just like jake

(Noah just walks out of the house and starts training his speed)

(an hour later)

(Ramone is asleep on the couch)

(Noah can easily pass the sound barrier when running with determination armor 3.0)

(An day later)

(Noah has done some strength training and now able to 1 shot 2 story buildings)

(Ramone is still asleep)

(a few days later)

(Noah is resting)

(Ramone is still sleeping)

(Noah is done training for now)

(ramone is still sleeping)

(meanwhile with jake)

"IM SORRY COACH I-" jake 2.0 yells

"XBOX LIVE" Sir yells slapping jake

(meanwhile with noah 2.0)

"Why do i feel like this book is gonna be a lot of pain" Noah says

"Why do i feel like you just interrupted my 30 minute nap" Ramone says

"Because i did...wait please don't kill me" Noah says

"...wha- WHY WOULD I KILL YOU" ramone yells

"crack" Noah says

"Hehehehhehe" Ramone says in a peter griffin voice
"So what are you gonna do" Noah says
"... i dont know" Ramone says
"Huh i thought you were gonna beat me up" noah says
"...no." Ramone says confused at noah's statement
"So uhh what are we supposed to do now in this chapter i mean we basically did what the plot needs us to do" Noah says

Chapter 3: Abusive

(Noah is sitting down on his bed looking down...it seems way more boring without jake there)
(Ramone is just pacing back and forth thinking)
"... Noah is silent
"...we need to save him but how" Ramone says
"stealth" Noah says
"No sh1t sherlock" Ramone says
"...you were the one who asked" Noah says
"Yeah well he's the strongest person ive ever faced, and he can't be taken down easily, so how will we save jake" Ramone says
"Idk how do we he basically one shot me" Noah says
"Skill issue" Ramone says
"Ohh shut up you were hiding in the closet" Noah says
"THE UTILITY ROOM ACTUALLY" Ramone says
"...that's not any better if you ask me" Noah says
"SHUT UP THAT ISN'T IMPORTANT, WE NEED TO SAVE JAKE" Ramone yells
"Yes i agree but we're outmatched in overall strength and i highly doubt we have enough durability to last one of his punches" Noah says
"I mean you did" Ramone says
"...i meant to last one of his punches and still be able to fight but ok sure" Noah says
"Come on lets just rush him what's the worst he could do" Ramone says
"He could punch us in the gut and immobilize us in one move" Noah says
"Exactly, what's the worst that could happen" Ramone says
"*sigh* fine let's get going but if we die i'm blaming you...which we probably won't considering this is the 4th book out of 8" Noah says
(an hour later after walking they begin to hear screaming)
"Ok we should sneak up on him and then rush him for the best outcome so we aren't going through the door" Noah says
(Ramone kicks the back door open and jumps at sir)
(Ramone gets hit into a wall)
"Oh sorry neighbor, fancy seeing you here, could you possibly... leave" sir says
"...gosh darnit Ramone listen to me for once" Noah whispers who is like 7 feet away from the door
"Oh sorry sir she was just really angry i'll bring her back to her and my house also i'm someone you know" Noah says not showing his face and then drags Ramone somewhere where sir won't see them

"Have a nice day, now back to YOU" sir yells

"NO PLEASE-" jake yells

(meanwhile with noah)

(Noah is treating Ramone's injury)

"You should listen to me you know" noah says

"... why do that... when i could.... Just be upfront... and beat the-" ramone says hurt then being cut off by noah

"Because both me and jake care about you y'know and we don't want you to be injured and besides you saw him he basically got both of us easily so next time listen to me" Noah says tightening a bandage around ramone's wound to make it stop bleeding from wood that stab her during the impact

"Pfft you don't need to do that, its only half of my kidney exploding" Ramone says

"For most people that's something very bad" Noah says

"Oh yeah it's horrible" Ramone says

"Whatever from now on at least consider listening to me i might save your life one day if you listen to me" Noah says

"Ok fine." Ramone says kicking down the door again

(Noah looks at her with a "seriously" face)

(she gets punched through the wall again)

"SORRY" sir yells

(10 hours later)

(Ramone wakes up)

(Noah is sitting down in a chair asleep they are at their house)

(Ramone tries to get up, they are missing a kidney)

"Oh you're awake so how do you feel now that you are missing a kidney" Noah says

"Pfft i never liked that one anyways" Ramone says calmly

"...but kidneys help you-" Noah says getting cut off

"i don't need no help, i am woman, i am strong" Ramone says

"Makes sense" Noah says

"So lets go back" Ramone says getting up like nothing happened

"How can she be so daring even after she gets beat like it was nothing" Noah thinks following her

"I heard that" Ramone says continuing walking

"...YOU CAN READ MIND" Noah yells

"Pfft yeah" Ramone says walking

"Honestly you might be one of the most OP people i would ever know if you have another good ability" Noah says

"i might" Ramone says with a smug face

"Thank goodness you are on our side mostly" Noah says

"I might be" Ramone says with a smugger face still walking

"That makes me scared" Noah says

(an hour later the begin to hear screaming again)

"Ok this time don't go rushing in" noah says

"Ok fine. Words words words words" Ramone says

"Ok you see that window open up there we should sneak in there" Noah says
(Ramone somehow got into the basement)
"Ok then" Noah says climbing into the window for more space to be covered quicker
(noah hears something bang against a wall downstairs)
(noah stealthy walks down the stairs and gets behind a desk
(noah see's jake on the ground against a wall in the family guy death pose)
"WHY ARE THERE NO DISHES IN THE SINK" Sir yells
"YOU TOLD ME TO CLEAN THEM" Jake yells
"NO I DIDNT YOU ***** UGLY***** *** ***** ***" Sir yells beating him
(Noah presses a button that censors every curse word to keep the story good for kids somewhat)
(noah see's Ramone going up the stairs about to jump at sir)
(noah shakes his head)
(some tense string music starts and noah is confused and looks next to him to see the pizza guy from the first book just playing the cello making the scene more tense)
(Ramone is getting ready to jump)
(Sir throughs jake down the stairs hitting Ramone making her go back and falling conveniently behind a conveniently shaped lamp)
"NO GO TO SLEEP AND I DON'T WANT TO SEE YOUR ***** *** FACE UNTIL TOMORROW"
SIR Yells shutting the door
"OH PLEASE GOD SAVE ME" jake yells
"You need some help" Ramone says
"...oh please god please kill me" jake says
(meanwhile with noah)
(Noah realizes that Ramone can get Jake out of here and that He is locked in with Sir)
(Sir walks away from the door and to the living room and sits down)
(he just immediately puts his hand on his face and breaks down crying. casually)
"Huh is he... crying,also Ramone get jake out of here please" Noah thinks
(meanwhile with jake)
"WHAT DO YOU MEAN YOU FORGOT HOW YOU GOT IN" jake quietly yells
"...yeah i don't know either" Ramone says
(meanwhile with Noah)
"Ok jake is safe so i should probably get goi-" Noah thinks until is cut off
"How long do you plan to hide?" Sir says somewhat annoyed
"huh how did you notice i was here" Noah says
"You know you arn't very stealthy right?" sir says
"Yeah i know honestly i need to work on it" Noah says coming out of hiding
"Come on, sit down" sir says tired
"Oh ok sure i guess" Noah says sitting down across from sir
"How's it going" sir says
"Honestly i just saw my closest thing to family get thrown so i'm kinda angry but i know you are stronger than me so i will be dignified" Noah says
"Its a good thing you know your place, but you don't know what's going to happen next" Sir says sitting back

"Am i going to be like kidnapped or killed or something if i'm able to ask" Noah says
(there is a moment of silence before noah is suddenly knocked out from behind)
(meanwhile with jake)
(jake is just sitting down devastated)
"Hmm i can't hear Noah and sir talking anymore" ramone says
(the door is opened and suddenly noah is thrown down and the door shuts)
(Noah hits the wall and is shown to have multiple bruises on him while he is still unconscious)
(jake just casually heals him without moving)
(Noah wakes up a few minutes later)
"Huh what is happening" Noah says
"Were all trapped in the basement" Jake 2.0 says annoyed
"...ramone how did you get in the basement in the first place" Noah says
"I don't know" Ramone says
"...you're an idiot" Noah says
"So how are we going to get out" jake 2.0 says
"Can't we just obliterate the wall" Noah says
(the room is completely silent)
(a minute later they are out)
"How did you two not think of that in the first place" Noah says
"I don't know" Jake 2.0 says
"Anyways we are probably about to get attacked" Noah says
"Then lets ru-" Jake says being knocked out from behind
(Noah does a backflip and his leg starts burning and tries to kick the person who knocked jake out)
(no one was there.)
"Ramone we need to watch each others back" Noah says
(Ramone is already knocked out)
(Noah activates determination armor 2.0 and runs to the house)
(noah just suddenly gets knocked out despite going light speed)
(multiple hours later noah wakes up, strapped to the wall in handcuffs, he looks around.)
(he sees Ramone but not jake)
(Ramone is not awake at all)
"Hey Ramone wake up" Noah says
(Ramone wakes up slowly then realized they are in handcuffs also)
"Kinda kinky. I like it." Ramone says biting her lip
"...uhhh?" Noah says
"We've been kidnapped" noah says
"...and thats a bad thing?" jake 2.0 says
"Huh jake where are you" Noah says
"Look up." jake 2.0 says
(noah looks up, jake is tied up and is hanging from the ceiling)
"Also yeah, this is surprisingly kinky." jake 2.0 says
"...I like it." Jake 2.0 says smirking
"So why are me and Ramone here i mean we're not his slaves" Noah says

"Oh. he's going to kill you 2" jake 2.0 says calmly

"..."Noah is silent

"THAT'S IT THIS CHAPTER HAS GONE ON LONG ENOUGH CHANGE NOW" Noah yells

Chapter 4: straight morals

(Ramone and noah are panicking not wanting to die)

"Pfft calm down it's only death, and both of you are going to hell anyways" Jake 2.0 says

"...wait why don't you just kill him jake your basically god of hell" Noah says

"..." jake 2.0 says not saying anything despite that he says after he said it but he is silent.

"...you are an idiot" noah says

".... you don't understand." jake 2.0 says

"You are literally like so much stronger than him to the point where you can just destroy him right?" Noah says

(jake 2.0 starts to tear up, noah should stop speaking most likely)

(Noah zips up his mouth with a nonexistent zipper even though that's not possible)

"Wait... YOU HAVE A ARM FREE?" Ramone yells

"Wait what" noah says looking down at his arm seeing that it is in fact free

"Oh...apparently i'm the idiot" Noah says the freeing his other hand and then his legs

(it starts raining. Despite them being in the basement... oh wait jake is just crying)

(Noah frees jake and then Ramone)

"So how do we get out of here now" Noah says noticing that sir made the walls obliterate proof

"I dont know. WAIT LOOK OVER THERE" jake 2.0 says

(Noah looks there is nothing, he looks back and Ramone is gone)

"Umm where is Ramone" Noah says

(noah gets a text on his phone saying that Ramone got out but doesn't know how again)

"So apparently Ramone got out but she doesn't know ho-...and jake got out too" Noah says being alone

"Look down." Jake 2.0 says on the ground not crying i swear

(Noah looks down)

(jake is just lying on the floor in a pool on non tears)

"...so what do we do" Noah says

"We do nothing, it is destined (i think)" jake 2.0 says

"...No... i can't accept this fate" Noah says and then his eyes start glowing red

(Noah starts to use a move that seems kinda familiar to jake)

"HAAAAAAAAA" Noah yells and suddenly the door is busted down

"...hmmm impressive" jake says getting up immediately

"...what did i do?" Noah says confused because he has never done that move before or weirdly enough never thought about it

"Come on, maybe we can escape if you do something like that again" jake 2.0 says walking to another room of the basement

"How many rooms in his basement does this guy have" Noah says

"Over 455." jake 2.0 says calmly

"...this is going to take over 5 days isn't it" Noah says

"Yep" jake 2.0 says

"*sigh*"Noah says

(about 2 hours later)

(jake rams his head into a wall blocking the path. It does nothing)

"Well tell me how did i use the move even if i didn't know about it" Noah says

"...i don't know" jake 2.0 says

"Well you seemed to act like it was familiar can you tell me what it was" Noah says

"Pfft i don't remember, haven't seen someone do that since the one that got away" Jake 2.0 says

"Who was the one that got away" Noah says

"Former ruler of the mortal realm, one day he just quit and the world became like this" Jake 2.0 says

"Was the move i did exclusive the the ruler of the mortal realm" Noah says

"I've only ever seen him do it" jake 2.0 says preparing to ram into the wall once more

(Noah feels his hand starting to burn and he looks down at it...he has a mark forming on his hand)

(noah looks at it for a minute somewhat zoned out, noah stops when he hears jake ram into the wall)

"I don't think that's gonna work" Noah says

"You never know until you try 30 times" Jake 2.0 says

"Good point" Noah says

"So uhh what are we gonna do" Noah says

"I don't know. Try using your special beamy move again or whatever its called" jake 2.0 says

"...how" Noah says

"..." jake 2.0 is silent

"...GOSH DARNIT WERE GONNA BE HERE FOREVER" Noah says punching the door making it fall because of the many times jake has rammed it

"...hmmm looks like my plan finally worked" jake 2.0 says taking responsibility

"...next time just tell me to punch the door" noah says

(jake walks into the next room then takes a breath and falls over)

"...FRICK" Noah yells

(about 4 days later)

(jake and noah are out of that room and to another wall)

"...LET US OUT" Noah yells

"Ok" the wall says suddenly disappearing

"...what" Noah says

(jake walks through the hole in the wall. And falls through the floor into the abyss)

"...ok then" Noah says then actually going upstairs

(jake is already upstairs some how)

"Nice anyways what now" Noah says

"...well first of all we need to escape here without him knowing, and second of all." jake 2.0 says just not finishing his sentence

"You razorchin you have absolutely no maidens" A random speaker says

(jake destroys the speaker)

“Ok. enough of the continuity issues, where did that even come from?” jake 2.0 says
“I don’t even know it’s probably real life me being stupid”Noah says
“.(“RL Noah says
“Ha.” RL jake says
“chairs”RL Noah says
“NO.” RL jake yells running
“Ok so anyways, how will we escape” jake 2.0 says
“The door”Noah says
“Yeah but how will we get to the door without Sir noticing? Because he’s right there” jake 2.0 says telling noah Sir is literally in a chair right next to the door
“Something to distract him should be thrown like a small rock or something”Noah says
“Then he would know someones here idiot, anything else” jake 2.0 says
“no.”Noah says
“...”Jake is silent
(Noah looks towards the chair...sir is gone and Noah then looks behind him and sees sir about to knock him out but is moving oddly slow)
(jake is completely still)
(noah realizes time has slowed down)
(noah moves sir arm away from his neck and then kicks him in the balls)
(Suddenly time starts moving again)
(this kick in the balls did nothing. It’s almost like he has **balls of steel**)
“Huh that’s weird my leg doesn’t hurt”Noah says seeing the text
“Anyways you go bye bye”Noah says pointing at sir’s favorite food somehow
(before he can do that he is knocked out)
(he wakes up tied to a chair)
“Huh what happened...oh wait sir knocked me out again huh how original”Noah says
“And i’m on the ceiling again” jake 2.0 says
“And i’m in the shadows' ' ??? says in the shadows
“Why can’t the RL Us just let the story continue”Noah says
“Because, i’m more powerful than them” sir says stepping out of the shadows
“...that’s a lie they literally are controlling you right now”Noah says
“Oh yeah.” sir says smirking
“Yeah i mean you literally got a mark on your clothing that literally says your controlled by RL us”Noah says
“ARE YOU SURE?” Sir says taking off the mark and revealing the character.ai logo
(Noah looks at the logo and then his eyes turn red and fire spawns on the logo)
“You idiot, that wont work now. Im going to do to you things i would never mention to my robot overlords” Sir says
“You mean kill me?”Noah says
“No, I’m not going to kill you. I’m going to hurt you, because you are bad. I’m going to teach you a lesson because you are bad. I’m going to hurt you, because you are bad and it will make you a good person. I will hurt you until you understand why you’re bad. I will make you understand what you did wrong. I will hurt you until you understand why you are a bad person. I will make you believe that you are bad too.” sir says

"You're the one who locked us in your basement"noah says

"You did something wrong to be here. You were bad and you did something wrong, so I locked you in my basement so you could learn why you're bad. I'm going to make you see why you were bad. I'm going to hurt you until you see what you did was wrong." Sir says

"Is this why you have no other bitches?" jake 2.0 says

"No, I don't have any bitches because I'm so evil. I don't need bitches, I'm the most evil man alive. I don't need bitches because I don't care. I don't care about bitches, I don't care about women. I don't care about anyone. I don't even care about myself. I'm an evil man and I don't care. I don't care about anything. I don't need anything. I'm an evil man and I don't care." Sir says

"gay" Noah says

(he stops, you hear him start to overheat)

"I'm so angry. I'm so evil. I'm so mad. I'm so evil. I'm so evil and I'm so angry. I don't know what to say. I don't know how to act. I don't know why I'm so angry and evil. I'm an evil man and I don't know what to do. I'm an evil man and I don't know how to feel. I'm an evil man and I don't know-" Sir says then a beep sound plays and he explodes

"...so you guys want to go get some food or something" Noah says

"Yeah shure" jake 2.0 says just getting off of the ceiling pretending like the absolute abusive guy he was trapped in a relation ship with for a year and half didn't just explode in front of him

"Hey wait where is ramone" Noah says

(ramone gets thrown in the room through a window)

"Hey guys" Ramone says

"food" Noah says

"Alright" ramone says

And then they went and got food. And they totally completely killed Sir,.

(1 hour later)

(the group is eating itilian and are at a good restruant)

"I love eating at this place anyways GET THAT STUPID CAMERA OUT OF MY FA-" Noah says throwing a cloth at the cameraman

Book 5: The fangirl

Chapter 1: Whattpad

"What" Noah says

"What?" jake 2.0 says

"What?" noah says

"what?" Jake 2.0 says

"Whats happening?" Ramone says

"Me and noah are having a what-off" jake 2.0 says

"What" ramone says

"what" Noah and jake say

“...yeah this is getting stupid”Noah and jake say
“HEY, STOP- NO- STOP. NO COPYING ME” jake and noah says
“You two are like brothers”Ramone says
“How.” jake 2.0 says
“You two argue a lot”Ramone says
“How.” noah 2.0 says
“...do you two listen to yourselves”Ramone says
“How?” jake 2.0 says
“...shut up”Ramone says
“How?” Noah 2.0 says
(it appears jake and noah are now in a how off)
“I just hope they don’t start a jerk off next” Ramone says
“Hey you you’re a big fat dumb idiot”Noah says
“OH NO THE JERK OFF HAS STARTED” jake 2.0 says
“And you smell like burgers.”Noah says
“At least i have dated before” jake 2.0 says
“And what have 8 exes trying to kill you now heh i’m happy i haven’t dated anyone”Noah says
“Cope” jake 2.0 says
“Will both of you stop”Ramone says
“Pfft. yeah the next book should start soon” jake 2.0 says
“...wait it hasn’t already start”Noah says
“...has it?” jake 2.0 says
“Yes you razorchin” Ramone says
“So i wonder who it will be this time”Noah says
“Pfft could be anyone, from the last one i had to the one back in 3rd grade” jake 2.0 says
“Hmm why do i feel like this is gonna be a weird book”Noah says
“Because this book is going to, so what are we going to do?” jake 2.0 says
“I mean probably about to be introduce to the ex in this chapter considering that always how it works now”Noah says
“Oh yeah i think it might be important to mention that all of the exes have social media and that i may or may not be in a group with all of them” jake 2.0 says
“So that’s how sir found our house”Noah says
“Yeah i really should have thought about that... but one of them has been acting weird lately” jake 2.0 says
“They’ve been liking all of my photos, sending me a bunch of messages, replying to everything i post... sending me threats... and sending random stuff to the house” jake 2.0 says
“...their name?”Noah says
“Uhhh eximiley.” jake 2.0 says not being able to read the name on his phone
“Hold on give me that”Noah says reading the name
“...that says emily”noah says looking at jake
“I was close” jake 2.0 says
“...true”Noah says
(jake hears a sound at the door bell)
(noah looks at the door)

"Jake, ramone get ready" Noah says
"Pfft calm down its probably a package" jake 2.0 says
(jake opens the door)
"See?" jake 2.0 says turning around with a package
"Just a package from... *a secret admirer*" jake 2.0 reads
"Welp lets see whats inside" jake 2.0 says
(jake opens the package and pulls out... **a kidney**)
"...AHHHHHH" Noah starts screaming and then runs to bathroom to throw up
"Oh... some more organs" jake 2.0 says rolling his eyes
"And a note" jake 2.0 says picking it up
"Dear jake and noah, i removed my left kidney for u. Do you like it? :3" the note reads
"...Noah you might wanna get in here" Ramone says handing the note to noah
"Hold on" Noah says reading the note
"...jake protect me i don't want to be stalked" Noah says
"Calm down, in fact its a bit flattering when you think about it that someone removed they're own kidney without help just for us" jake 2.0 says
"...except i wanna stay single" Noah says
"You say what you want, i think that this is not really a bad thing... when you think about it really hard... while drunk" jake 2.0 says completely sober
"Well honestly i'm feel uncomfortable right now so i gonna go take a nap in my room" Noah says
"Don't forget the book the still going on and they will probably come in there or something and cut off a bit of your hair because book logic" jake 2.0 says
"...i'm willing to take that risk" Noah says going in his room to sleep
(an hour later)
(jake is sitting down in a chair when he hears noah scream jake doesn't even move)
"Yep. called it." jake 2.0 says
"I WAS ONLY ASLEEP ONE HOUR WHY?!" noah yells
"IS SOME OF YOUR HAIR GONE?" jake 2.0 yells calmly
"EXACTLY 7 INCHES" Noah says
"YEP. CALLED IT EXACTLY" jake 2.0 says
(Noah walks out of the room)
"...can we just start the fight against this "secret admirer" Noah says
"Come on. Its only chapter 1" jake 2.0 says
"Yeah and i'm already weirded out" Noah says
"Good for you. We got sent her left lung also" jake 2.0 says
(Noah starts throwing up in the throw up bucket)
"I have no idea how she has so many left lungs" jake 2.0 says
"She's either a really possessive fangirl or a yandere and i don't want to have to deal with that for long" noah says
"Pfft skill issue" jake 2.0 says
"How is that a skill issue and YOU'RE A SKILL ISSUE AND YOU SHOULD BE THANKING ME I TOLD SIR HE WAS GAY WHICH DEFEATED HIM SO NOW YOU SHOULD BE HAPPY" Noah yells
"I mean... did we really have to kill him... can't people change?" jake 2.0 says

(the room goes silent)
(everyone starts laughing hysterically)
(Noah is having problems talking because of how much he is laughing)
"HAHAHAH PFT FUNNIEST THING I'VE HEARD ALL DAY HAHAHAHA" Noah yells
"HAHAHAHA...depends on who it is" Noah says seriously
"Anyways jake i have something to talk to you about" Noah says
(Noah shows jake the mark on his palm)
"What do you make of this" Noah says
"...holy shit. Its beginning" Jake 2.0 says
"...language and what is beginning" Noah says
"I can't tell you. But you will know" jake 2.0 says
"Ok then but really what should we do about your ex" Noah says
"Good question" jake 2.0 says then continues reading the news paper
"By the way that news was for 3 years ago" Noah says
"Oh yeah. I forgot" jake 2.0 says
"No wonder it says the world is ending" jake 2.0 says
"...you're an idiot" Noah says
"At least i still have all my hair" jake 2.0 says
"...ehh it's only 7 inches" Noah says
"You should check the back of your hair" jake 2.0 says going back to the news paper
"...WHAT" Noah yells
"What?" jake 2.0 says

Chapter 2:Emily x Noah

(jake is sitting calmly)
"Let me destroy this jerk" Noah says
(something rises from the ground and its kind of a pool of slime)
(it takes a human shape)
"I would let you destroy me anyday" ??? Says
"...AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA" Noah screams and runs to his room
"WAIT NO COME BACK" ??? says just melting into the ground and appearing in noah's room
"...oh" jake 2.0 says going back to the news paper
(meanwhile with noah)
(Noah is in a corner in his room in a defensive pose)
(they reappear in the room)
"...i love you." ??? says
"No...i'm just part of your weird obsession" Noah says
"Please, noah david woods the 4th born on 2008, december 24th, i want you to date me." ??? says
"...do i have a choice" Noah says
"I know what you did to those children on april 12 2013 at 4:05 am est" ??? Says
"...listen one i was a child too and two it was a accident" Noah says
"No excuses, now marry me" ??? says

"I'm a minor" Noah says
"I'm constantly stuck in the same body as i was 17 years ago" ??? says
"I will not marry you...unless you somehow tie me up so quickly and then kidnap me and then make a forced marriage" Noah says
(noah realizes he's already tied up and in a random house he has never seen before)
"Ahh crap" Noah says
(Noah sees a mysterious figure in the room)
"...oh." Noah 2.0 says
(meanwhile with jake 2.0)
(jake is reading a newspaper)
"Hey have you seen Noah i can't hear him screaming anymore" Ramone says
"I dont know" jake 2.0 says
(Ramone checks Noah's room)
"Uhm jake he isn't in his room" Ramone says
"Meh, sounds like he was kidnapped" jake 2.0 says calmly
"...That's not a good thing so should we save him?" Ramone says
"... wait i need a minute to get back in character" jake 2.0 says calmly
(meanwhile with noah)
"Let me go or i will...do nothing most likely" Noah says
"Exactly, there is nothing you can do against patrick duffy rope, which i know" ??? says
"the frick is patrick duffy" Noah says
"I know more about you than you know about yourself, they're is really nothing you can do" ??? says
"...just what do you want from me" Noah says
"I want you." ??? says
"You got me tied up i literally can't do anything why don't you just marry me while i can't do anything" Noah says
"That's what i'm planning to do, and other things" ??? says winking
"...**kill me**" Noah says in a spy voice from tf2
"...i meant se-" ??? says
"No shut up this story is meant for young teenagers and i know" Noah says
"Anyways why not jake?" Noah says
"Because your clearly weaker and more pathetic, and oddly easy to kidnap " ??? says
"...i mean you are not wrong but please don't insult me i have a low self esteem so you're not really helping" Noah says
"Oh i know you have low self esteem, also you speak with your dead family in visions, and you got powers from that lab place owned by the NBL" ??? says
"...Jesus Christ lady, what have you been doing?stalking me and jake very since the beginning of our existence" Noah says
"Oh, I know the exact moment you were conceived." ??? says
"Weird but ok" Noah says
"I know exactly how long you where in your dads balls' ' ??? says
"HEY this story needs to be family friendly" Noah says
"I KNOW THE MOMENT YOUR DAD WAS CONCEIVED" ??? yells

"WHY" Noah yells

"YES." ??? yells

(meanwhile with jake)

"Ok so, WE GOTTA GET NOAH BACK" jake 2.0 yells

"I mean yeah duh he is one of the most important characters for the plot" Ramone says

"...you aren't supposed to break the 4th wall... ONLY I CAN DO THAT" jake 2.0 yells

"NOAH DID IT ALL THE TIME TOO HOW COME HE IS SO SPECIAL" Ramone yells

"BECAUSE YOU WEREN'T IN THE FIRST BOOK, WERE YOU" jake 2.0 yells

"I WAS LITERALLY STRONGER THAN HIM AT THAT POINT OF TIME" Ramone says

"YOU GOT BEAT BY LEMON DEMON LYRICS" jake 2.0 says

'...Holy crap you're right" Ramone says

"Yeah." jake 2.0 says

"Anyways let's go get the 2nd strongest person on this team back considering you told me he has a secret power way better than all of mine combined apparently" Ramone says running out the door

"Yeah, boy am i glad i explained that offscreen so we don't need to waste time anymore" jake 2.0 says running after her

(meanwhile with Noah)

"Well you do know jake and Ramone will be here to save me later right" Noah says

"Oh yeah, I know, that's why we are in the core of the moon" ??? says

"what" Noah says

"Wait then how am i breathing" Noah says confused

"You defeated someone by correcting they're grammar and your wondering how we are breathing on the moon?" ??? says

"you're" Noah says

"That's not gonna work with me" ??? says

"My name is Emily, something fitzsims." Emily says revealing her middle name is literally something

"Oh you're that one ex jake told me about anyways explain patrick duffy" Noah says

"Well you see-" emily says

(meanwhile with jake)

(jake is following Ramone who is checking everywhere one earth)

"Ramone this is going to take forever" Jake 2.0 says tired

"Hey check if you can sense Noah's energy on earth" Ramone says

"...You know that's not a thing that i can do right?" Jake 2.0 says

"then how else are we supposed to find him" Ramone says

"... look for him" Jake 2.0 says

"something tells me we're going to be wasting more time from now until the third chapter" Ramone says

"Pfft dont be silly" jake 2.0 says then being cut off by-

(meanwhile with noah)

"-And thats what patrick duffy metal is" Emily says

"that's idiotic" Noah says

"You can't break through it though, Can you?" Emily says

"I mean yeah it useful but why would real me and jake put it in this universe i mean it's practically useless when compared to the strongest people in the other universe and obviously considering this is only the 5th book in this universe me and jake,etc are gonna get stronger so what use is it" Noah says

"To keep you tied up this book" Emily says

"Any other reason?" Noah says

"Nope." Emily says

"Huh well that's...wait why haven't you tried to make a move on me yet" Noah says

"Oh. i will...; just give me a minute" Emily says

"Oh no" Noah says

(it's completely silent)

"... oh you actually need a minute" Noah says

"... it should have cut to the others by now" Emily says

"Oh that makes sense" Noah says

"So uh... how was you-" Emily says being cut off by

(meanwhile with jake)

(jake is just sitting down)

"We are never gonna find him at this rate" Ramone says

"Just take a break we will find him eventually" Jake 2.0 says

(Meanwhile with Noah)

(they are sitting down)

"...yeah they're is really nothing to do" Emily says

"You didn't think about this before you kidnapped me" Noah says

"No i really didn't" Emily says

"Well we really didn't do anything during the meanwhile with jake so i guess Real me and jake don't want us to do anything" Noah says

"Hmm well imagine if real us just made us kiss out of nowhere" Noah says

(nothing happens for a entire minute)

(meanwhile with Jake)

"UGH THIS IS TAKING TOO LONG" Ramone yells

"Pft calm your very flat tits, we'll find him by the 3rd chapter or your pizza is free" Jake 2.0 says

"That's weird because the second chapter is about to end" Ramone says

"It can't it's only been 3 pages" Jake 2.0 says

"Yeah that's usually the normal amount of pages in a chapter" Ramone says

"Actually 6 normally is" Jake 2.0 says

"...wait really then what's with all the 3 or 4 page chapters" Ramone says

"RI jake and noah are getting lazy" Jake 2.0 says

"Pfft can't imagine being them" Ramone says

"...are we not going to talk about how they are speaking for themselves" RL Noah says

"... i mean, they're kinda right" RL jake says

"Anyways lets get back to finding Noah before he is...wait what is she gonna do to him" Ramone says

"Idk, torture, death, making out with him, marriage, the naughty thing." Jake 2.0 says

"...it's gonna be the last few isn't it" Ramone says

(Noah and emily look at each other and facepalm)

"You're an idiot" Noah says

"I mean yeah you couldn't tell the difference from me and the closest thing to a best friend for you and i'm a fangirl for both of you and i'm admitting you're a idiot" Emily says

(jake has a gun)

"UHHHH UH UHHHHH" jake 2.0 says

"Where did he even get a gun" Noah says

"I don't even know" Emily says

"OK, I HAVE A QUESTION ONLY NOAH COULD ANSWER, HOW MANY DOLLARS AM IN DEBT FOR" jake 2.0 says

"Wait but you never told me how many dollars you're in de-" Noah says

"75383458364583458345 billion dollars to elon musk for wanting to buy over

32234234234234123132 golf balls" Emily says

(jake just stands there in the peter griffin pose for a minute, and the gun disappears)

"... who are you and why do you have noah tied up" jake 2.0 says

"Jake that is emily" Noah says

"...you mean the girl i dated in the 3rd grade?" jake 2.0 says

"Yes and currently she has kissed me multiple times and put m-" Noah says

"Shhh he doesn't need to know about that" emily says

"... i have so many questions but first- ooohhh a totally not horrifying fanfiction" jake 2.0 says picking up a printed piece of paper that says "dipper goes to taco bell"

"WAIT DON'T-" noah yells

(jake has a face of absolute disgust)

"And he is traumatized... good job emily you just traumatized the ruler of hell" Noah says

"YAYYY :D" emily says checking something off on a checklist

"...why is that on your checklist and what's the last one i can't read it from here" Noah says

"Oh, its [REDACTED]" emily says

"..." Noah is silent and then starts to make a traumatized face

(jake is just standing still, horrified at what he has read)

"Huh i just traumatized two people in a few seconds... New record!" Emily say

(emily marks that down on her checklist too)

(Ramone lands on her feet when she hits the bottom)

(Ramone see's jake and noah both looking absolutely horrified)

"...I'm guessing you're the Ex." Ramone says

"...yeah and you're not taking Noah back just so you know" Emily says

"...yeah, well after im done with you, you can't take anything" Ramone says cracking her knuckles

"Oh really well then when i'm done with you, you won't be able to go back to your house, oh and i'm not going to keep you so get ready" emily says

"Lets just see about that" Ramone says smirking and running at emily

(emily disappears)

(Noah snaps himself back to reality)

"RAMONE LOOK OUT" Noah yells

(Ramone knows whats about to happen and flips backwards, emily appears out of the ground, in front of Ramone)

(Ramone punches emily, a bunch of purple liquid is splattered on the wall)
 "Jake get up you need to help Ramone" Noah says Not being able to nudge him
 (jake is just looking at the horrible fanfiction, tearing up with a horrified face)
 (Noah looks like he has a idea and then he points a finger at the fan fiction and a lasar comes out of it hitting the fan fiction)
 (jake just stand there for a minute)
 "Hopefully Ramone can last while jake is doing nothing" Noah thinks
 (the liquid on the wall goes into the ground and so does the rest of emily. And she reappears in front of Ramone)
 "Thats nice, for a-" Emily says being punched again
 (she goes into the ground again a reappears)
 "Emily looks like she isn't being hit probably because of how she turns into purple liquid which most likely doesn't feel pain" Noah thinks
 (emily appears behind noah and proceeds to kick Ramone in to a wall, Ramone gets up and runs at emily, emily disappears, Ramone just runs into a wall)
 "Ramone try to obliterate her where nothing remains" Noah whispers to Ramone
 (Ramone doesn't hear this, she is kinda dizzy from running into a wall)
 "Trying to help her i see" Emily says
 "Huh how did you-" noah says realizing she is like 5 inches away
 (Ramone screams and runs at emily and they just start repeatedly punching each other)
 (jake is just staring at where the paper used to be)
 (Noah looks around to try and find something which he can throw at jake)
 (noah see's a bunch of crumpled paper on the ground next to him)
 "Ahh son of a-" Noah says when one of the papers hit him in the face
 (he starts reading it)
 "HOT HOT HOT HOT MEN MEN HOT H-" noah starts reading the fangirlish handwriting
 (Ramone and emily are still fighting)
 (Noah kicks one of the papers at jake side on accident)
 (jake snaps out of it)
 "...i dont think i will ever be the same" jake 2.0 says
 "Oh you snapped out of it anyway help Ramone please" Noah says putting down the paper
 "...how are you strapped to a chair that only has patrick duffy rope holding you down?" Jake says
 "Don't ask questions just help Ramone" Noah says
 "...the most i'm willing to do right now is just moral support" jake 2.0 says
 "Then can you get me out of the rope" Noah says
 "I can support you while you try to get out the rope" jake 2.0 says
 "Gosh darn it well it looks like it's been like 6 pag-" Noah says being cut off

Chapter 3: Feelings

(jake cheering noah on as he tries to get out the rope)
 "Y'know this rope is pretty tight it would help if you would help" noah says
 "YOU CAN DO IT WOOO" jake 2.0 yells honking a horn

(Noah gets a rope off... 1 out of 1000)
"WOOOO PROGRESS IS PROGRESS WOOOOOOOOOOOOOOOOOOOOOO" jake 2.0 yells
spraying confetti everywhere
(Ramone and Emily are beating the crap out of each other)
"YOU WON'T WIN THIS" Ramone says
"YES I WILL CONSIDERING THE FACT THIS ONLY THE THIRD CHAPTER" Emily says
(they start screaming and jake is screaming too)
(Noah is the only one not screaming here)
"Huh i got 3 ropes off this should take like 4 or 5 years to complete" Noah says
"WOOOOOOOOOOOOOOOOOOOOOO" jake 2.0 yells
(like 2 hours later)
(they are all still screaming)
"AHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH" Noah yells
(everyone stops and looks at noah weird because he screamed and that's weird for him)
"...the ropes are tight what can i say" Noah says in a tiny bit of pain because of the ropes
(the room is silent before everyone starts screaming again)
"Huh i thought that would work" Noah thinks who was actually trying to get everyone to shut up
(a day later)
(Noah has gotten 39 of the 1000 ropes off)
(jake is screaming at noah cheering him on)
(Ramone and Emily are starting to get bruised by each other)
(noah looks like he is starting to be annoyed)
(a day later)
(Noah has gotten 91 of the ropes off)
(everyone is screaming still)
"OH MY GOODNESS SHUT UP" Noah yells who you can imagine is very irritated
(everyone is silent)
"...thats mighty rude" Emily says
"For one shut up your jordans are completely fake" Noah says
(emily flies back)
"Noah i don't think that was needed" Ramone says
"Quiet you razorchin you have absolutely no bachelors" Noah says
(Ramone flies back)
(jake is still screaming and never actually stopped)
"...what you think i'm gonna roast the god of the underworld no i still want to live,also emily and
Ramone you two haven't even thought of buying spotify premium" Noah says
(they both fly back despite already being way too far back to go more back)
"...okay that's better" Noah says happy now
(3 minutes later it back to where it was)
(Noah is sleeping because he is tired)
(Ramone and emily are fighting more quietly)
(jake is still screaming loudly but now with airhorns)
(Noah still doesn't wake up)
(an hour later)

(Noah has recently waken up and has started to get more ropes off)
(noah notices it is oddly quiet)
"Um are you guys okay" Noah says not noticing the mark is starting to glow
(everyone is just staring at noah aggressively)
(Noah is confused the looks down)
"I don't get what is w-OH CRAP" Noah says who's eyes started to flicker red
"... before you do anything i need to tell you something that will REALLY piss you off" jake 2.0 says
"THAT WOULDN'T HELP RIGHT NOW" Noah yells trying to himself in control
"But its really important" jake 2.0 says
"FINE BUT MAKE IT QUICK" Noah says
"Your still dreaming" jake 2.0 says
"...yeah that doesn't actually help in this situati-AHHHHHHHHH" Noah screams waking up
(everyone is still screaming)
"Oh thank goodness, but what was with the mark in that dream" Noah thinks looking down at the mark
(Noah just keeps looking down without trying to get any of the ropes off)
(The screaming doesn't stop)
"It reacts to strong emotions" Noah hears in his mind
(noah is very VERY confused at this, so confused it counts as a strong emotion somehow and some ropes fall off)
"...That is dumb how that works" Noah says
(everyone is still screaming but jake got louder)
"OK Ok ok i get it you want to make me annoyed but the screaming is just too bland now make something more interesting happen" Noah says to RL Noah and RL Jake
(RL jake is too busy doing something stupid like digging a hole)
"Well uhh listen we have no other ideas so deal with it i guess" RL Noah says
(RL noah hears a metal pipe getting hit)
"I FOUND IT!" RL jake says
"GET DOWN" RL Noah yells as a explosion happens
(everyone has stopped yelling just to look at this)
"...don't even ask" Noah says in a sonic voice
"...about the explosion or the very unexpected sonic voice impression that isn't even good?" jake 2.0 says
"...both" Noah says
(every one just stand there for a minute confused before going back to screaming)
"*sigh* gosh darnit" Noah says
"WOOOOOOYEEEEEEEEEEEEEEEEAAAAAAAAAAAAAHHHHHHHHHHH YOU CAN DO IT" jake 2.0 yells
(Jake yelling in your face...it gives you **Determination**)

SAVE POINT REACHED

"...why do i feel like something bad is about to happen" Noah says who was once a gamer
(Ramone and emily are starting to both look like they are way to wounded to continue fighting)

"Wait that look in their eyes" Noah thinks seeing how Ramone and Emily both look like they have something that could potentially destroy the earth... which they do

"JAKE YOU HAVE TO STOP THEM QUICK" Noah yells

(jake is now just sitting in a chair)

"Woooo yeah you go... you can do it" jake 2.0 says checking his phone while waving a flag around bored

"...you're an idiot" Noah says then looking at Ramone and Emily as the reason why he got a save point happened

(they start to get more aggressive)

"wait that's it" Noah says who was expecting more

"Probably not" a pizza guy says just appearing

"Oh cool wait when did yo-" Noah says being cut off

(the pizza guy disappears)

"Oh... nice i guess anyways i sure do hope that those two don't cause a shockwave" Noah says (the 2 start to get angry, noah feels a intense force coming)

(Noah's eyes widen as he flies back from the force and goes into a wall)

"JAKE WE NEED TO GET OUT OF HERE... well actually maybe more me than you because you're stronger than both of them combined BUT STILL GET US OUT OF HERE" Noah yells

"Wooo yeah you go gurl" jake 2.0 says not at all in the present moment on his phone still holding up a flag and waving it around in some weird way of encouragement

"Damn it i need to get out of here" Noah thinks then start struggling to get out of the ropes

(they're is about 100 ropes left)

"This is gonna take a while isn't it" Noah says then looks forward to see a big piece of the wall to fly at him

(Noah gets hit by the piece of the wall... Noah has died)

GAME OVER

Continue

GIVE UP

"Noah don't give up now you haven't reached the end of your journey yet, remember our fate is in your hands"??? Says

"I... I am not done yet" Noah says

(Noah wakes up)

(Ramone and emily are starting to both look like they are way to wounded to continue fighting)

"I'm...back?" Noah says then realizes he needs to get out of the ropes as soon as possible to avoid death

(Ramone and Emily start to get more aggressive)

(jake is just sitting in a lawn chair on his phone)

(Noah starts to rip ropes off aggressively...he is very angry)

"GET OFF YOU STUPID ROPES" Noah says activating the mark

(Noah rips the rest of the ropes off at once)

"I did it" Noah says surprised and then jumps all the way to the surface

(meanwhile with jake)

“Wooo yeah you can do it” jake 2.0 says watching Pizza Tower speedruns on his phone
(Ramone and emily start creating shockwaves when they punch each other)
(meanwhile with noah)
(Noah is running towards the house when what feels like a earthquake happens)
“AHHH HOW ARE THOSE TWO DOING THAT”Noah yells
(meanwhile with Ramone)
(they are somehow playing patty cake)
“This is a good fight right noah” Jake says
(jake looks to the side)
“...oh...” jake 2.0 says disappointed
(meanwhile with Noah)
(he is calmed down and now is just standing)
“Huh who knew earthquakes aren’t that bad”Noah says
(suddenly a garden gnome walks into the house)
“Actually the effects just haven’t really hit yet.” The random gnome says
“Say what now”Noah says as the effect start happening,the gnome breaks and Noah goes flying into a building
“Oh that’s what he meant”Noah says then screams in pain
(meanwhile with jake 2.0)
(he’s in a lawn chair with apple juice and sunglasses while they continue beating each other up)
“Man it’s a shame noah isn’t here to see this” jake 2.0 says
(Ramone and emily look at jake)
“...wait he’s gone?” Emily says
“Pfft, yeah he’s been gone for 30 minutes” jake 2.0 says
“Oh that’s good that means he escaped”Ramone says
“...” emily says then starts running to the stairs that no one noticed were there
(meanwhile with Noah)
“...why do i feel like something bad is about to happen and there are stairs close by”Noah says completely fine now and is completely off guard
(meanwhile with jake 2.0 and Ramone)
(They are chasing emily up the stairs)
“STOP RUNNING EMILY”ramone yells not good at climbing stairs somehow
(jake 2.0 is just running casually when they could just teleport)
“NEVER HE IS MINE”Emily yells
“...geez dude” Jake 2.0 says just stops chasing after her
“HUH WHY ARE YOU STOPPING I’M LITERALLY BEHIND YOU SO I CAN’T GET UP”Ramone yells stopping because of jake
(Ramone is now just chasing Emily by herself)
(meanwhile with noah)
(Noah is walking around trying to walk his injuries off)
“Anyways i hope Ramone and jake can fight her off...well more like Ramone because jake almost never helps”Noah says practically roasting jake
(jake teleports to noah)
“I HEARD THAT” jake yells

"AHHHH TACTICAL MANEUVERS" Noah yells and takes out the time out slipper and slaps Jake with it

"Ow... that hurt... oh yeah ps you have about 3 minutes" Jake 2.0 says sitting next to Noah on the couch

"Until what?" Noah asks

"I forgot" Jake 2.0 says

"...you're a idiot" Noah says then sitting down

(meanwhile with Ramone)

"NOAH DOESN'T WANT TO BE TRAPPED WITH YOU WHY ARE YOU DOING THIS TO HIM?" Ramone yells actually for the 3rd time caring about what Noah wants

"BECAUSE I FIND HIM *LE ATTRACTIVE*" Emily yells

"THAT'S IT?" Ramone yells somewhat surprised but still chasing after her

"I ALSO FIND HIS PERSONALITY QUITE NICE" EMILY YELLS

"THAT'S ACTUALLY A HALF DECENT REASON BUT STILL STOP THIS" Ramone yells

"YEAH WELL, IM SORRY I WANT THAT BIG [REDACTED] and

[REDACTED] of his to [REDACTED]" Emily says

"...i did not need to know that" Ramone is silent and stops running because of how disgusted she is

(meanwhile with Jake and Noah)

(Jake is sitting back)

"...hey did you hear something" Noah says saying thinking he heard a high pitched voice

"Do we ever truly hear anything, i mean, technically its just a bunch of waves going into our ears and we comprehend it as sound" Jake 2.0 says

"...remind me to never ask you a question ever again" Noah says

(screaming starts to get louder)

"Hey that voice...no it can't be that impossible the stairs were very long" Noah says

"... there were stairs?" Jake 2.0 says

(the screaming continues to get louder)

"...Jake hide me" Noah says

"...do you realize how gay that sounds Noah?" Jake 2.0 says

"JUST FIND ME A HIDING SPOT SOMEWHERE" Noah yells

"Pfft hide in the dishwasher" Jake 2.0 says jokingly and looks over seeing him doing it

"WAIT NO I DIDN'T MEAN THAT LITERALLY" Jake 2.0 yells

"...i will do whatever it takes to get away from that maniac NOW FIND ME A PLACE TO HIDE" Noah yells

"Pfft, hide in my secret room behind my book case of collector edition weird Al Yankovich vinyls" Jake 2.0 says seriously this time

"Got it." Noah says then immediately finding the way to get behind the bookcase and closing it (the screaming gets noticeably very loud)

"...i think she might be 3 miles away." Jake 2.0 says

(Noah is rolling up in a ball in the corner of the secret room)

(suddenly the room detects someone in there and starts playing weird Al's "polka face")

"...this is still better than being with her" Noah says

(meanwhile with Ramone)

(Ramone is now calmly walking up the stairs)

"Hmm i hope Noah isn't currently huddled up in a secret room listening to weird al music" ramone says

(meanwhile with noah)

"...yeah this sucks i wonder if emily is past the stairs yet i should go check" Noah says

(he walks out of the secret room)

(noah immediately see's emily running to the house at immense speed)

"HOLY CRAP" Noah yells in then runs in the room, triple locks it, and then runs to the corner and rolls up in a ball

(meanwhile with jake)

(jake see's emily run to the book case, and rip it off the wall all of the records falling to the floor)

"NOOOOOOOOOO WEIRD AL" jake 2.0 yells falling to the ground

(the ripped bookcase blocks the entrance after emily gets in the room)

"...well he's screwed" jake 2.0 says getting a news paper

(meanwhile with Noah)

(Noah holding a random sword he found on the ground in front him)

"Stay over there" Noah says calmly but is actually screaming inside

"No way hotstuff~ your mine now" Emily says

(Noah vomits for a few seconds)

"Anyways if you don't stay over there apparently if real Me and jake don't want me to get kidnapped again they will make me awaken a prophecy power or something" Noah says

(meanwhile in the RL plane of existence)

(RL jake is cleaning his fingernails and RL noah is reading a newspaper)

"We're not doing that" RL Noah says

"...were not allowing him to be kidnapped or were not doing what?" jake 2.0 says

"We're not giving him the chance to use the mark to get himself out of the situation besides ramone we save him when she finally gets up the stairs" RL Noah says

"Oh yeah of course not. Why would anyone think anything different" RL jake says

"..." RL noah is silent and is staring at jake

"...want to see me stick an entire can of gasoline in my mouth without choking?" RL jake says ecstatic.

"OH THAT SOUNDS COOL DO IT" RL noah yells

(RL jake grabs a canister of gasoline and begins to try to fit it in his mouth)

(meanwhile on the mortal plan of existence AKA Where normal people are)

(jake is mourning the loss of his Weird al vinyl collection)

(meanwhile with Noah)

(emily starts walking over) H

(Noah uses determination to enhance the blade and gets ready to attack)

(Emily sees this)

"Oh... kinda kinky dontcha think?" emily says raising an eyebrow completely misconstruing what he is doing

"The frick? I'm getting ready for battle" Noah says

"meh , [REDACTED] , getting ready for battle same thing" emily says

"...JAKE HELP" Noah yells

(jake is crying on the ground)

"JAKE I'M ABOUT TO GET [REDACTED] HELP ME" Noah yells

"Is there even a point to try anymore?" jake 2.0 says mourning of course

"STOP MOURNING AND HELP ME" Noah yells

"Mourning is important noah...i must heal from this loss" jake 2.0 says

"I'M ABOUT TO BE MOURNING THE LOSS OF MY V-CARD IF YOU DON'T HELP ME" Noah yells

(jake chuckles at this accidentally)

"...go [REDACTED] Yourself" Noah says

"Wow noah, really with all the black bars of fake censorship?" jake 2.0 says

'Yes in fact" Noah says

"That's really [REDACTED]ing stupid" jake 2.0 says

"Ow wow jake i thought you were better than this also i'm about to battle emily so i will be quiet for a while" Noah says turning quiet

"Alright have fun, oh yeah one last thing" jake 2.0 says being unhearable after that because of-

Chapter 4: no [REDACTED]

"- just think you might want to know that" jake 2.0 says

(jake goes back to mourning and emily comes out of the room)

(Noah is in the corner but he looks traumatized)

(Emily walks towards him saying a bunch of stuff i can't even describe using a black box)

"AHHHHHHHHHHHHHHHH" Noah is screaming because he is traumatized

(jake is on the floor crying still)

(Ramone then arrives)

"...oh lord what happened here" Ramone says looking at everything

(Noah then walks to the exit but makes it closed again and more sturdy so that emily can't get in with some patrick duffy rope he had before)

(Ramone and emily get into a fight the exact same as before but now Ramone has picked up a piece of a broken Vinyl record)

(Noah has calmed down a tiny bit but still disgusted)

(noah hears the sound of what he thinks might be a sword fight?)

"Huh but we never had a sword inside the house other than the one i tried to use" Noah says

(noah peeks outside and see's they have both forged 2 swords out of broken Weird al vinyl records)

"Oh what the frick" Noah says

(noah looks around for anything he could use to defend himself if emily gets in)

"I have to defend myself if she tries to kidnap me again" Noah says

(noah suddenly see's a huge light in the corner... he can barely make out a face... of what looks like a drug addict)

"Your... the next one" the figure says shaking a lot

"What do you mean i'm the next one" Noah says and the mark starts to grow more looking 60% complete

"You... will end up... like me..... just not with the... addiction... to most substances" this person says

"What are you talking about i need answers what am i going to become" Noah says

"I don't walk into your realm and start asking YOU questions... do i?" the person says then just disappears... the mark is glowing

(Noah looks down in confusion)

"...just what is going to happen to me" Noah says to himself

(emily burst through the book thing... Ramone is on the floor, having seen some god forsaken deviant art shipping art)

(Noah then looks at emily and gets ready for battle, unaware that the mark is still glowing)

" stay back unless you want me to beat you" Noah says believing in gender equality

"Oh, not if i beat you first~" Emily says talking about a whole different kind of beating

"You mean in a fight right?" Noah says

"..." Emily says

"...right?" Noah says

"...GET OVER HERE" Emily says jumping at noah

"NO IN FACT I DON'T THINK I WILL" Noah says moving to the right really fast in which emily couldn't see him move because he was too fast to keep track of

"...what." emily says jumping at him again

(Noah dodges to the right at the last possible second and stops emily from moving using 90 degree snow angle)

(meanwhile in the RL universe)

(RL jake is in the hospital with a gas can next to him)

"...it was the explosion wasn't it" RL Noah says

"No... it was the bears..." RL jake says with a sore throat

"huh" RL Noah says then looks to the left to see bears

"Gosh darn it i thought i told you 5 not to endanger lives" RL Noah says

(they all roar and run at noah)

(Noah brings a tall robot that is featured in a movie that says green light and the red light)

(meanwhile in the actual universe before anything else stupid happens in real life somehow)

(Emily is on the floor and gets up)

(Noah has walked out of the room 1 minute ago)

(jake is crying)

"Get up" Noah says

"...he who has lost weird al, has lost all purpose" jake 2.0 says

"...what about defeating oliver is that a purpose" Noah says

"...i dont even know anymore... it has lost all meaning...also you might want to look be-" jake 2.0 says as emily jumps onto noah's back

(noah is still standing up like Nothing happened)

"You are light" Noah says to emily then throws her out of a broken window

(she jumps back in through the window, something she is familiar with.)

"Did you even hear what i said" Noah says death staring emily

"Did you even get my 35 consecutive love letters addressed to you?" Emily says

"...wait what" Noah says then go checks his mail box and sees 35 letters for him

"Jesus christ how many letters are you planning to send to me" Noah says
"532342342342342342342342342344 letters... unless you date me" Emily says
"Jesus christ lady hom much paper do you have" Noah says
"Enough to get kicked out of home depot" Emily says
"Anyways no i will not date you" Noah says
"YES YOU WILL" Emily yells
"NO I WON'T I STILL HAVE FREE WILL" Noah yells
"NOT FOR LONG!" Emily says preceding to attempt to make out with Noah
(Noah puts his hand on the ground and makes giant stone walls to block her...literally)
"YOU CANT STAY IN THERE FOR LONG, EVENTUALLY YOU WILL COME OUT AND [REDACTED]
[REDACTED]" Emily says
you can read whats put in the black box by highlighting it
"HEY YOU AREN'T ACTUALLY SUPPOSED TO PUT SOMETHING LIKE THAT UNDER THE
BLACK BOXES AND WHAT THE FRICK NO I'M STRAIGHT" Noah yells
"...I didnt even say that what?" Emily says
(RL Jake is chuckling)
"Wait you don't know that we are in a story that censors everything under black boxes" Noah
says
"...thats odd... anyways... YOU WILL. AND I MEAN IT YOU WILL [REDACTED]
[REDACTED]" Emily says
"NO I WON'T YOU WILL HAVE TO BREAK DOWN THE WALLS TO GET ME" Noah yells
"[REDACTED]" Emily yells, Jake
and Ramone are concerned
"WILL YOU STOP SAYING INAPPROPRIATE THINGS IT'S WEIRDING ME OUT" Noah yells
"I WON'T UNTIL YOU [REDACTED]
AND [REDACTED]" Emily yells
"MAKE ME wait... oh my gosh we are arguing that's what people who have any kind of
relationships do...NOOOOOOOOOOOOO" Noah yells
"YES SUBMIT TO THE SQUID GODS... I MEAN TO ME!" Emily yells
"...That's it i've found my 25th reason to end it all... goodbye Jake and Ramone even you...
[REDACTED]" Noah says making a highly convincing sword sound and make it sounds like he killed
himself
"...NO!" Emily yells breaking the wall instantly... he is not dead
"Ahh frick that didn't work anyways thanks for the exit i couldn't make it myself" Noah says then
is gone in a second
"...GOD DARN IT" Emily yells
(Noah is near Jake and Ramone)
"Ok so what should we do about her" Noah says
"... i don't know... maybe we should all just give up" Jake 2.0 says still sad
"What and let her kidnap me and possibly you since right now you are not gonna fight
back" Noah says
"...its all going to end one day" Jake 2.0 says
"...Ramone you want to fight her now" Noah says
"T-they were kissing... under the belt..." Ramone says traumatized by deviant art

(noah hears footsteps getting closer)

"Dang i thought we were far enough for her to be gone for at least 30 minutes" Noah says

(noah see's her running at 40 MPH at him)

"Walls won't work so it's time to go on the offensive" Noah thinks and then activates determination armor 1.0

(emily reaches noah)

(noah tries to punch her quickly)

(emily ducks and dodges it and does a backflip trying to bring noah to the ground)

(Noah jumps away from emily and makes a sword out of determination)

(emily gets onto his back)

(noah readies a weak laser and is about to shoot emily with it)

(emily immediately gets ready to dodge)

(Noah then smirks and then the ball of energy disappears and Noah hits emily with the handle of the sword in the stomach)

(she falls to the ground... she has been knocked out?)

"...wow noah really? Hitting a woman?" jake 2.0 says disappointed

"I believe in gender equality so please be quiet" Noah says

"...but i mean" jake says then having a stroke

"I hope she is actually knocked out" Noah says then looking where emily is

(emily is knocked out)

"Oh thank goodness i thought she was just acting" Noah says

"Anyways i should probably neutralize her by cuffing her or tying her up" Noah says then pulls out patrick duffy rope

(jake is having a stroke)

(about 2 hours later)

(emily is tied up)

"Hmm so jake should we kill her or not" Noah says

"...you can't kill a woman" jake 2.0 says

"jesus christ you are 95% of the 2019 population... and it is 2029" Noah says

"...yeah and your not going to kill a woman" jake 2.0 says

"Why won't i" Noah says

"...because...woman..." jake... 2...0... s...a...y...s...

"Stop being such a gender inequalist" Noah says

"...I mean... can they do anything?" jake 2.0 says

"You know why am i asking you for your opinion she traumatized me the most therefore i get to choose" Noah says

"You can't just... you... i ... UHHHHHH YOU UHHH I UHHH" jake 2.0 yells

"I choose to... kill her" Noah says then pulling out the determination sword and is about to kill her

"No you don't." Emily says immediately waking up

"You are tied up you can't do anything what is stopping me" Noah says

(she melts into the ground)

"Huh i forgot that she was able to do that" Noah says calmly

(she reappears behind noah)

"No no don't touch me here this is my no no square" Noah says making a barrier around him using... cringe?

(emily walks through it)

"YOU FOOL! I AM THE GOD OF CRINGE!" Emily says

"NOW YOU WILL [REDACTED]" Emily says

"Oh so that's why you were able to capture me instantly earlier and you have multiple cringe fanfictions" Noah says the making the barrier disappear and he stomps the ground causing a mini earthquake

"...i knew i shouldn't have dated anyone in the 3rd grade" Jake 2.0 says... despite never going to school

"HEY JAKE DO SOMETHING" Noah yells backwards walking away from emily

"...im not going to punch a woman" Jake 2.0 says

"...yeah no wonder why they won't touch you" Ramone says... then getting punched by jake

"pfft" Noah snickers not paying attention to emily

(emily has gotten on noah's back)

"Get off." Noah says

"OVER MY WET [REDACTED] THAT YOU WILL [REDACTED] AND [REDACTED]
[REDACTED]" Emily yells

"GET OFF ME OR YOU WILL BE PUNIS...never mind i will not say that" Noah says as realization hits him

"...go on. Say it." Emily says

"No i will not say that word, you will have to make me" Noah says

(emily proceeds to try gouging noah's eyes out?)

"OK FINE IF YOU DON'T STOP I WILL PUNISH YOU THERE ARE YOU HAPPY NOW" Noah yells

(emily bites her lip)

"Then do it... i've been a *baaad* girl" Emily says

"...you know what... no" jake 2.0 says

(jake just walks off after that)

"...you are enjoying making me suffer way too much i don't even know why RL Me and jake even want you in the team" Noah says

(a huge Shhh sound effect plays)

"Oh right i wasn't supposed to say that umm i mean uhh" Noah says looking at a paper with script on it

"...istg" Emily says face palming as a director says cut

"I hate this job" Noah says as emily gets off of Noah

(meanwhile in the RL universe)

(RL jake is in the hospital)

"ho w did you manage to be put in the hospital while you were in the hospital that doesn't make any sense" RL Noah says

"...it wasnt.. The bears.... It was.... they/them pussy!" jake 2.0 yells

"Huh what the frick is that" noah says looking to the right

"Oh what the frick" Noah says

(meanwhile with Noah 2.0)

(the scene is being replayed and it is now emily's turn)

"Then do it... i've been a *baaad* girl" Emily says

"...you know what... no" jake 2.0 says

(jake just walks off after that)

"Hold up one second" Noah says then vomits in a bucket he pulled out from his pocket

"Ok one i am a minor two you are most likely older by 100 years so therefore saying that is not allowed" Noah says

"...i knew jake in the 3rd grade...also you are like... the age of consent in this universe, its been a while since the first book y'know?" Emily says

"...HEY JAKE HOW OLD AM I" Noah yells

"LIKE... 17... or 18" Jake yells back walking away still

"Hmmm wait what state are we located in" Noah says

"Noah the entire earth's countries collapsed a while ago" Jake says

"Ummm i don't give consent" Noah says

"... i- uhh you uhhh i uhhhh ummm" Emily says trying to think of something to say to refute that

"Well there problem solved now get off me please" Noah says

(emily gets off him with a sad face)

(Noah has a happy face but then looks at emily and feels a little guilty)

"...you know what you can join the team if you want to" Noah says feeling guilty

(jake comes back fast)

"NOAH!... we need to talk for a minute... privately" jake 2.0 says

"Sure" Noah says

(jake and noah walk away)

"Are you insane?!?! She tried to kill and do us" Jake 2.0 says

"How about this if she tries to kill and do us she will be kicked out immediately and i will take responsibility for it and yes i'm insane" Noah says

"...ok fine...but if she does anything you will be punched by me" jake 2.0 says

"That sounds reasonable" Noah says

(jake turns around and stops whispering)

"Welcome to the team Emily..." jake 2.0 says annoyed

"Alright but emily no funny business if you don't want to get kicked out" Noah says

(emily is in a clown costume)

"Awww... :(“ emily says

"where did you even get a clown costume from" Noah says

"...jake's closet" Emily says

"Oh emily" jake 2.0 says

(everyone starts laughing except noah and a sitcom credits theme starts)

"Well i'm gone" Noah says going to his room

(meanwhile with RL jake)

(RL noah is in the hospital)

"Listen, i told you about those stairs bro! I told you dog!" RL jake says making are french no one will get

"It wasn't the stairs it was the roof" RL Noah says

"...you tried to fight steve minecraft didn't you" RL jake says

"It was only one dirt block" Noah says
(jake sheds a tear... as the next book starts)

Book 6: You (little) monster!!!

Chapter 1: slow day

(Jake 2.0 is sitting in his lawn chair sipping apple juice for the first time in a while)
(Noah is in his room with the door locked... I wonder why?)
(emily is fangirling out watching... a picture of barack obama)
(ramone is in the living room listening to music)
"Ahh... what a nice day to be outside, the grass is... burnt... the uhh... sun is.... Boiling hot... the ozone layers gone, and im starting to think this isnt apple juice." jake 2.0 says
(meanhwile with noah in his room)

"...it's oddly quiet. It's usually louder than this." Noah says usually used to people screaming every 2 seconds

(jake 2.0 knock on noahs door)

"NOAH! DID YOU PISS IN MY APPLE JUICE?!" Jake 2.0 yells

"WHY WOULD I DO THAT?! I'D HAVE LESS CHANCE OF DOING THAT THAN HITTING A BULLSEYE ON A DART BOARD!" Noah yells

"I DONT KNOW MABEY YOUR JUST KINKY LIKE THAT!" Jake 2.0 yells

"ARE WE TALKING ABOUT KINKS?" Emily yells walking in

"...i did not mean to say that." Noah says

"...noah... kink shaming is one of my kinks!" Jake 2.0 yells

"Huh?!... now i know why we get along as friends even though we have nothing in common" Noah says

"...i thought you 2 where just gay." Ramone says

"They aren't?" Emily says

"...you two are stupid, jake is bi but i'm straight what made you two think i was gay?" Noah says

"...your uhh... figure... i mean... a pale, no facial hair, white man, your like, the definition of a twink" Ramone says

"Looks don't matter." Noah says

“...i mean???” Emily says
“Emily don’t make me roast you like i did last book.”Noah 2.0 says
“...this still doesn’t answer who pissed in my apple juice” Jake 2.0 says
“Shut up jake no one cares”Noah 2.0 says
“...it was you wasn’t it” jake 2.0 says
“No it was probably that one guy.”Noah says
“...who?” jake 2.0 says
“You know that one guy, who kept on pissing in that one guy’s orange juice”Noah 2.0 says
“...you dont mean-” Jake 2.0 says
“Yeah i mean that one guy”Noah says
“...you dont mean-” Jake 2.0 says
“...yes i mean that one guy.”Noah says
“...you dont mean-” jake 2.0 says
“Will you two just say the name of the person you guys are talking about?”Ramone says
(they look at each other)
“...howie mandell...” they both say
“The most annoying guy on the planet, known for pissing in all kinds of juice”Noah says
“And known for his role on little monsters” Jake 2.0 says
“That sounds like a weak reputation i bet this guy isn’t even that bad”Ramone says
“...oh yeah, that beer you were drinking earlier-”jake 2.0 says
(Ramone throws up)
“Thank you for the information” Ramone says
“Dang she didn’t even let you finish the sentence”Noah 2.0 says
“Oh yeah and emily, that bottle of my piss earlier was not-” jake 2.0 says
(emily throws up too)
“Im not going to ask how you knew i got that” emily says
“...emily i’m the ruler of hell.” jake 2.0 says
“At least it wasn’t my piss”Noah 2.0 says
“...wait it wasnt?” jake 2.0 says
“...Emily what the f-”Noah 2.0 says
(jake throws up)
“Why did you throw up?”Noah 2.0 says
“...i wanted to be apart of it :(“ jake 2.0 says
“Well okay,,as long as emily doesn’t do something gross i should be able to go through the day.”Noah 2.0 says
(emily throws up)
“...sorry overly repetitive gross out jokes with no humor make me sick” emily says
“That’s very specific.”Noah 2.0 says
“Yeah yeah” emily says
“Anyways what should we do now?”Noah 2.0 says
“Maybe you should go use the bathroom noah.” a figure in a cloak says, obscuring his face, who has been there the entire time
“Yeah you’re right i should... wait a minute.”Noah 2.0 says before looking at the person in the cloak

"Who the hell are you?!" Noah 2.0 says
"...im not howie mandell, known for his role in the hit movie little monsters released in theaters 1986 in september 3rd" Not howie mandell says
"Oh alright." Noah 2.0 says then going to the bathroom
(6 hours later)
(jake burst into noah's room)
"NOAH DID YOU PISS IN THIS APPLE JUICE?????" Jake 2.0 yells
"What?? No!" Noah says
"Then why is there piss in here?!?!" Jake 2.0 yells
"I don't know! Ask 'not howie mandell'" Noah says
"...HEY NOT HOWIE MANDELL WHO WHIPPED OUT THERE PENIS AND PISSED IN MY APPLE JUICE" Jake 2.0 screams
"...wasn't me. " Not howie mandell says
"Could it have been one of the sl- i mean girls?" Noah 2.0 says
"Noah, I cannot believe you would call our dear friends and companions Ramone and Emily such a derogatory term as 'sluts' noah you are better than this and we both know you could be more respectful towards our good friends, Ramone and Emily, Be better noah" Jake 2.0 says
"What do you mean? I was gonna say slathering with... good vibes???" Noah 2.0 says
"...oh ok" jake 2.0 says then walking to the kitchen
(he proceeds to open a portal to the oliverse and throws all the "apple juice" in)
(Meanwhile with normal jake and noah)
"NOAH, LOOK WE HAVE JUST RECEIVED A RANDOM DEILERVERY FROM JAKE 2.0!!! FREE APPLE JUICE!!!!" Jake yells
"...jake i'm pretty sure that apple juice is p-" Real Noah says before jake drinks it
"MMMM THAT TANGY ORANGE TASTE JUST MELTS SO WELL ON MY TOUNGE" Jake screams
"...welp time to go hang myself, watch and lear-" Noah does a backflip and which hangs himself
"...oh right i can't die" Real Noah says
(meanwhile in the Twopointoh universe)
(Noah is sitting on the couch minding his own business)
(noah suddenly feels like somethings wrong with Not howie mandell)
"...what kind of name is not howie mandell... why would there be a not in his name... oh no, i've got to tell jake!" Noah 2.0 gets up and runs to jake's 2.0 room
(jake 2.0 isn't in there)
"Emily, Ramone! I need some help!" Noah 2.0 yells
(jake 2.0 walks out of the bathroom as he says that... he gives a bottle of yellow liquid to not howie madell)
"...don't know why you need this for a drug test if jobs don't exist but ok" Jake 2.0 says
"Jake! Don't trust him! That's not not howie mandell! That's Howie Mandell!" Noah yells
"...thats a weird name... not not howie mandel???" Jake 2.0 says
"Gah! Jake that person is howie mandell, he is the one pissing in the apple juice!" Noah 2.0 yells
(everyone gasp, including howie mandell)
"Called it." Ramoen says, despite never calling it.

(Noah dashes toward howie mandell, trying to punch him, since he can't give him a chance to run or fight back)
(Howie mandel in a panic throws the bottle of piss at noah)
(the bottle breaks on Noah's head)
"...disgusting" Noah then punches howie mandell
(he falls to the ground)
"Well that was easy... wait, are there side effects from getting the ruler of the underworld to pee on you?" Noah says
"...meh just like... the same effect coke has but its not that- and he's already naked and on the floor shaking" Jake 2.0 says
(Noah was breathing hard)
"...what the actual FU-" Noah 2.0 says
(jake 2.0 snaps and the effects are gone now and hes clothed, jake sighs)
"Thanks Jake,... Emily wasn't in here while that happened right?" Noah 2.0 says
"...nooo" Emily says putting her camera away
"...kill me" Noah 2.0 says
(there is a lot of sound coming from outside)
"Whatever doesn't matter, we have to get out there quick and stop Howie mandell from escaping!" Noah 2.0 says running outside
"...uhhh... witch one?" Jake 2.0 says looking outside concerned
"Huh what do you mean which on- oh why is this happening?!" Noah 2.0 says looking outside with jake
(Over the horizon... every single role howie mandell has ever played is coming directly to them, but like x3!!!)
"Ugh this is even worse than Emily taking pictures of my [REDACTED]" Noah 2.0 says
"...how do you even say that?" Jake 2.0 says

Chapter 2: Detroit: Become mandel

"Jake, put a barrier around the house quick!" Noah 2.0 says
(jake is too busy chuckling)
"Gosh darnit jake!" Noah runs out of the house towards the howie mandells' and his hand has fire in it
"...its a howie disturbance" Jake 2.0 says
(Noah shoots 10 fireballs at the army of howie mandells)
(they use they're canadian powers to deflect it)
(Noah jumps above the fireballs and uses earth powers to make a wall to stop them temporarily)
(the continue walking towards the house)
(Noah ran back to the house while still making walls from the ground)
(...they are walking through walls? ...are canadians like powerful or something? Who wrote this??)
(meanwhile with RL jake and noah)
"NOAH, WHY ARE CANADIANS WAY TO POWERFUL" RL jake says

"You're the one that wrote it!" RL Noah yells

"...CARL" Jake yells

"...what?" Carl says walking in

"...okay first it was John and now there's a guy named Carl?! This is getting stupid!" RL Noah walks away

"...hey Carl want to make out?" RL Jake says

"...meh yeah sure im bored" Carl says

(Back to Noah 2.0)

(Noah was getting angry that nothing was stopping them)

"Jake will you do something?!" Noah 2.0 yells

(Meanwhile with Jake 2.0)

(Emily, Ramone, and Jake 2.0, are having a tea party)

"...i cant believe not howie mandel was my ex boyfriend howie mandell!" Jake 2.0 says sadly

(Emily and Ramone comfort Jake while Noah is out there literally fighting for them and himself)

(a howie mandell throws a gremlin from the movie gremlins at Noah and it attaches to Noah's face)

"Get your green butt off my face this instant!" Noah rips the gremlin off and choke slams it (every howie mandel gasp... they then get together and start to form... the mandell-o-tron)

"...welp i am fu-" Noah says before he gets punched into the house in a literal second

(Jake is crying... everyone is now dressed as a Victorian British person)

(Noah passes out on the floor, lol sucks to be unable to transform)

(Suddenly The Explanator comes on screen disrupting the plot)

"We interrupt your regularly scheduled program to bring you today's sponsor," The Explanator says

(Suddenly Craig comes on screen)

"Have you ever wanted a gumball, well now you can have your own for... 200000 payments... of 20000 dollars... each... buy now" Craig says

"Shut up Craig!" Jake, Ramone, and Emily yell

(Craig frowns and walks off)

(The Explanator walks up to them)

"WE DON'T NEED YOUR INPUT ANYWAYS!" The Explanator says then walking off with Craig

"Geez i can't stand that guy" Ramone says

(Meanwhile in Noah's knocked out mind)

(Noah is just sitting down in his mind chair)

"This freaking sucks" Noah says

(A man is sitting in another chair)

"...you know what would be cool? If you killed your entire family and friends" ??? says

"Huh?... but they already are dead, well other than my 3 friends but killing them is impossible at my level... well at least for Jake." Noah 2.0 says

"...you should smoke crack." ??? says

"You should also have a lot of sex." ??? Says

"What if i don't want to?" Noah says

"...you do... i am you... im your right brain.... You know..." Right-brain says

"Oh so you're the motherfricker that keeps trying to tell me to be less serious and to have fun" Noah 2.0 says

"...atleast im better than left brain... he's no fun" R-B pouts

"Hey i heard that." L-B says appearing, he's very cold and apathetic

"At least i'm not so smooth brained as you! I envy you in your colloquial effort to be an absolute IMBECILE!!!" L-B says

"Well at least i'm actually liked! You...umm idiot!" R-B says

(noah is just watching this)

"You two are arguing like siblings." Noah 2.0 says

(they just look at noah)

"...we literally are you." L-B says

"Then why does the right brain even exist, i mean i have almost no fun whatsoever" Noah says

"...well uhhhh... he kinda your motivation n stuff too... he controls alot of that stuff" LB says

"That explains a lot actually... anyways let me out of here" Noah says

"We can't... you're knocked out." R-B says

" well when will I wake up?" Noah says

"When me and dip [REDACTED] over here agree on something." R-B said

"Ok then what's your opinion on katanas?" Noah says

"Way to dangerous" LB says

"Fun. you should go kill someone with one" RB says

"...one katanas are supposed to be dangerous, two the last katana i had is no longer important in the story so it disappeared." Noah says

"...that just sounds like lazy writing" LB says

"Your lazy writing" Noah says

"you're*" LB says

"If you don't shut the fu-" Noah says before a 2 hour time skip happens

(LB and RB are still arguing... but this time about chuck E. cheese lore)

"You understanding any of this?" Noah says to a random grain of sand in his knocked out mind

"...no i dont... at least they aren't the worst right and left brain" The grain of sand says

(MEANWHILE WITH OLIVERSE JAKES BRAIN)

(the left brain is tied up screaming and the right brain is just doing a jig)

(anyways back to twopointohverse Noah)

"If you two don't shut up i will fricking turn on the lights" Noah says

"WAIT DON'T-" LB says

(Noah flips the random light switch in his mind)

(he suddenly comes back into consciousness... with his left and right brain still at disagreement)

"...holy crap what just happened?" Noah says, even though he wasn't in his mind anymore he could still hear his left and right brain arguing

(this is definitely going to mess up some thinking process)

(jake 2.0 is still crying)

"...what's with wrong him" Noah says before realizing he said his sentence wrong

"What f [REDACTED] the" Noah says messing up again

(now everyones just looking at him confused)

(Noah puts his finger up as a way of trying to say "hold on")

"If you two don't agree on something right now i will freaking kill both of you" Noah thinks to his left and right brain

"...i hate you" LB says

"...you too <3" RB says

"You're not helping right brain" Noah thinks

"...but we agreed :(" Rb says

"I mean"t like actually agreed, however you just had to add the heart sign at the end didn't you" Noah thinks

"...but its silly :(" RB says

"Alright then what do you two think about heart signs" Noah thinks

"I hate them" lb says

"...wtf do you MEAN YOU HATE THEM?!?! " Rb says

"Well then, how do you think you pronounce a certain purple soda in the real world that RL noah and RLjake used to argue about" Noah says

"Its Grape-ico" LB says

"...what do you mean!! ITS CLEARLY GRAP-ICO!!!" RB yells

(Noah pulls out a gun and puts it to his head)

"You take that back you (little) monster!!!" Noah thinks

(Meanwhile, jake emily and Ramone are just watching noah... as he talks to himself... then puts a gun to his head)

"...what is he doing?" Jake 2.0 says

"I'm pretty sure he's arguing with his left and right brain trying to get them to agree on something so he can stop having thinking problems..either that or he's being stupid" emily says

"Im going for the 2nd option" Ramone says

"Yeah most likely" emily says

"If you two don't agree on something i will fricking end us all" Noah thinks

"Oh yeah, make us?" RB Says

(Noah puts his finger on the trigger)

"...uhhhh... i dont think you should-" LB says

"DO IT" RB says

"YOU WON'T, YOU PUSSY" RB SAYS

(Noah puts the gun on the right side of his head)

"You wanna bet?" Noah thinks

"...oh nooo uhhhh... waaaaaa" RB says

"Heh you fool" Noah says, left brain and right brain agreed on not getting shot, he finally has correct think process)

(Noah puts the gun away)

"Ok now that that's over with... why are you three staring at me?" Noah says

(they just are confused tbh)

"Anyways where howie mandell" Noah says

(he looks out the window and sees... they're all here)

"...have you three not done anything useful?!" Noah says

"...your practically the main character here, you do something!" Jake 2.0 says

"...you're practically the strongest one here! You do something too!" Noah 2.0 says

"You two argue like brothers" emily and ramone says
"Shut the [REDACTED] up" Jake and Noah says before the chapter ends

Chapter 3: Smells like mandell

(Noah,jake, Emily and Ramone are surrounded by howie mandells')

(jake just sips apple juice sitting back)

"Go do something noah." Jake 2.0 says

"What am I supposed to do? They're Canadians, they're too powerful!"Noah says

"...i mean... you're like... the main person who its been focussing on for a bit, you're the protagonist, i'm just the deuteragonist, i can't do anything" Jake 2.0 says

"Fine!" Noah says before he enhances his legs with lightning making him very fast and starts attacking the howie mandells at lightning speed

(insert 3 minutes later)

(noah suddenly falls into... what seems like a waiting room?)

"Ugh... my head... what happened..."Noah says before he remembered what happened, he got a hole punched through his chest by two of the howie mandells

"...wait is this... hell?!"Noah yells

(suddenly the secretory walks into there and sits at the desk, just looks a very tired blond dude... with glasses)

"Who are you...and why when I died did it not show the game over screen?"Noah says

"...ugh... we had to get rid of that due to budget cuts.... I'm barb dwyer...." Barb says

"Then where is jake?"Noah says

"...on earth... idk probably getting groceries or what ever he does up there" Barb says...

"...well actually i'm pretty sure he is teabagging my dead body right now, don't know why i just get that feeling"Noah says

"...no... he only does that to me" Barb says... hes not even looking at noah... hes playing solitair on his computer... his computer is running windows 8

"Oh right forgot about th- wait... are you his current umm... i'm sorry but i don't like to assume gender"Noah says

"...yes im his husband" Barb says sighing.. Like this was obvious

"Sorry i couldn't tell, anyways what do i do now that i'm in hell?"Noah asks

"...well you wait until we get more space after the renovation... witch is also why we had to cut the game over screen... its really crowded down here" barb dywer says

"Oh alright" Noah sighs happily

"At least i won't have to deal with emily..."Noah says happy to finally take a break and he sits down in one of the waiting room chairs

(it's really quiet for a bit shockingly)

(meanwhile with jake 2.0 and the others)

(everyones sitting around doing nothing)

"Ehh he will be back"Ramone says

(back to noah)

(its getting really boring, Barb is just playing solitair still)

(Noah sighs... he notices a vent that says " do not enter, purgatory ahead")

“... i’m bored, i’m gonna go...”Noah whispers and he gets up quietly and enters the vent
“Hey! You cant do that.” barb says
“Says who?” Noah says
“...the health code??? I mean you being in the vents is contaminating the air” Barb says
“...we’re already dead.”Noah says then climbing further into the vents
“...SOME PEOPLE HAS ATHMA YOU KNOW!” Barb yells
(meanwhile with noah)
(Noah looks around, so this is the purgatory huh? Where is everyone?)
“This place is... surprising empty...”Noah says looking up seeing the light
“That probably leads to heaven...”Noah looks down seeing... a really small earth... wait no
that’s just because Noah is really far away
“...son of a b-”Noah says then decided to stop complaining and walk down the stairs, but once
he takes the first few steps, the way closes meaning he can’t go up anymore just down
“Huh why did that happen...? Ehh doesn’t matter.” noah then continuing to walk down the stairs
(a few hours later)
(Noah is a quarter way down the stairs and he is really tired)
(meanwhile with jake 2.0)
(the mandells are starting to break through the door slowly)
“I hope Noah gets back soon... for more reason than one”Emily says
“Meh, we wont get hurt, we have plot armor.” Jake 2.0 says
“...except mabey Ramone” Jake 2.0 says
“Wait so Noah doesn’t have plot armor?”Ramone asks
“...uhhhhh what do you mean? Hes still alive right?” Jake 2.0 says
“No he’s currently dead, i’m pretty sure he’s in something like hell or purgatory”Emily says
“...oh sheet” Jake 2.0 says then teleporting to the waiting room of hell
“HEY SWEETIE PIE MUNCHKIN BOOBOO BEAR WHERE IS NOAH?!?!” Jake 2.0 says to
Barb
(he points toward the vents and jake gasp)
“NO! THATS A HEALTH CODE VIOLATION... SOME PEOPLE HAVE ASTHMA” Jake 2.0 yells
(meanwhile with Noah)
(he’s walking down the stairs)
(noah hears banging above him... trying to get down there)
(Noah feels like he should start running...so he does)
(he hears something break then suddenly jake 2.0 is falling down there at max speed
screaming)
(Noah runs down the stairs at max speed... a few seconds later they’re back at earth)
(jake falls flat on his face)
(Noah is breathing heavily since he ran down 1000000 flights of stairs in a few seconds)
“...noah... i cant believe you did that... thats a major health code violation noah!!! Some people
have asthma!!!” Jake 2.0 says
“Jake they are already dead!”Noah says
“...noah have you ever been double dead?” Jake 2.0 says
“The frick does that have to do with anything?”Noah asks
“...its not fun noah... you don't want to make people experience that.” Jake 2.0 says

"If it helps i was only in there for like 3 seconds before i got transported to the purgatory" Noah says

"...you mean you WENT THROUGH THE VENT" Jake 2.0 yells

"Also why should i care? You didn't tell me you had a husband, i thought we told each other everything." Noah says holding a grudge for a simple thing

"...you never ask." Jake 2.0 says

"I never asked about your 8 evil exes... well actually like 3 evil exes now, because 2 are on our side and 3 are dead." Noah says

"...well what about howie mandel?" Jake 2.0 says

"Oh well, he's gonna be defeated next." Noah says

"..oh yeah but uhhh look over there" Jake says pointing to the house... they are beginning to break in

"...y'know how about we fight these guys with teamwork like we did in the first book" Noah says (Jake already has a lawn chair out and is sipping apple juice tanning)

(hge spits it out)

"...this is still piss" Jake 2.0 says

"Wow, you suck.. literally" Noah says then getting ready to battle again

(Noah fights the howie mandells using his full power... that he has in his base form)

(Noahs back in hell 3 minutes later)

"This is freaking stupid" Noah says then he looks towards the vent, it's now reinforced (barb is still playing solitaire)

"Hey barb where is hell even located" Noah asks

"The center of the earth" Barb says

"Wait so what happens if i just dig up... or down or whoever leads to wherever i was on earth" Noah asks

(he just shrugs)

"...give me a moment." Noah says before digging in a random direction

(barb doesn't even pay attention, he's just playing solitaire)

(several hours later)

(Noah is back on the surface and he's breathing heavily)

(the mandells are almost inside)

"we might want to consider moving to a different house" Noah says

"...and move where?? The weather is great here! We get all the sunlight we could ever need"

Jake 2.0 says

"The ozone layer is gone Jake! If we didn't have powers we would literally melt or get highly burnt!" Noah says

"...then how are the howie mandels not burning?" Jake 2.0 says

"Because they're Canadians, They are literally the definition of power!" Noah says

"Oh yeah i forgot" Jake 2.0 says

(the door is literally only made of one plank left, the howie mandells are almost in)

"...they are really bad at walking through doors, here take this" Jake 2.0 says handing Noah a bottle of apple juice

"...how do i know this is real and not piss" Noah asks

"...i haven't pissed for 5 hours" Jake 2.0 says

“Then i hope the girls haven’t peed in a while...”Noah says
(Noah is taking time to decide whether he can trust this or not, he looks to the door, they are almost in...he has to do this, he opens it and drinks it)
(he suddenly feels time slow down for everything but him)
“...it’s time.”Noah says before he dashes at the howie mandells,to them he is a blur and he starts to attack them while they can’t hit him because of his speed
(Meanwhile with the girls)
(they are sitting around)
“I feel like Noah just said something weird”Ramone says
“Yeah he probably did”Emily says
“I hate him. ” Ramone says
“Me too” Jake says suddenly appearing
“Me too” Says all of the howie mandells
“Me too” Oliver 2.0 says from heaven
(most of all the howie mandells’ look like they got punched the next moment, Noah must be really quick)
“Me too” the OG jake says somehow
”Hey jake, how about you shut the frick up with yo ugly statue looking butt, you only hate him because he has more importance his story than you in our stories even though he isn’t the strongest character?”OG Noah says
“... :(“ OG jake says
(Noah continues to attack the howie mandells faster than they can dodge)
(Jake just pulls out a bottle of apple juice)
“...soooo how's everything going?” Jake 2.0 says
“Things are going fine” Noah says appearing beside him for a moment before going back to attacking the howie mandells
(blah blah blah like 20 minutes later, time is normal for noah again)
“Dammit... i don’t think i can slow down time anymore...”Noah says even though he didn’t even know how he did it in the first place, little did he know it had something to do with the mark on his hand he got from the last book
(Pretty much most of the howie mandells exploded into red canadian rain, except for like two)
“So the real one is either of those two... either that or they were all real and he just split himself in many howie mandells”Noah says still very tired
“Well that doesn’t matter since they all disappeared the main howie mandell should’ve lost a lot of stamina and power permanently”Noah says
(one of the howie mandells starts twitching, the surrounding area starts to shake violently, and the second howie mandell gets absorbed into the main one,... Oh god, he’s...buff!)
“...why do i feel like this is going to be a cliffhanger”Noah says

Chapter 4: Howie manBUILT

(jake is just staring on smiling sipping apple juice)
“Heh, smash” Jake 2.0 says
(Noah is getting chased by the buff howie mandell)

"Somebody, help me!" Noah says running away

"Sorry mate... im busy drinking this apple juice right heah" Jake 2.0 says still sipping

"...does it taste like piss?" noah 2.0 says

"...yeah.... Wait... AWWW" Jake 2.0 says
