What is an Academy team?

Academy scrimmages and games provide a dynamic platform for athletes to apply their skills in a game setting while fostering teamwork and sportsmanship. The experiences gained in these scrimmages contribute significantly to the overall development of our athletes. For further information or inquiries, please reach out to our program coordinators. We look forward to continued success and growth through these engaging scrimmage opportunities. Academy scrimmages offer a unique opportunity for athletes to

immerse themselves in real-game scenarios within a low-pressure environment. Here are the key details for your reference.

Local games

Please note that all academy games are hosted at local venues. This winter, we were excited to offer an exclusive opportunity for our advanced players in the level 3 and 4 travel league teams. Following the winter season, we will transition back to our academy team format. This is a great chance for our skilled players to showcase their talents and for all team members to prepare for the upcoming academy season.

Team Expectations:

PLAYERS:

1. ATTENDANCE AT PRACTICES AND SCRIMMAGES IS VERY IMPORTANT. practice 3 to 4 times more than the playing time that occurs during competitions.
2. Arrive at practice on time/early and be ready to start at the designated time.
3. No talking when: (i) any coach is talking, or (ii) any teammate is talking to the team or asking a question.
4. When a coach blows the whistle, stop what you are doing and listen.
5. Goofing off during practice is disruptive and unfair to your teammates and coaches – if you persist, be prepared for an appropriate penalty to be decided by your coach.
6. MISSED PRACTICES/UNEXCUSED ABSENCES: If missing o practices becomes an issue, playing time may be impacted per the decision of the coach.
7. EXCUSED ABSENCES: Illness, a family emergency, or school function may be considered excused if communicated at a reasonable time. Players should inform the coach at least 24 hours in advance of missing the team activity.
8. GAMES: Arrive at games and be ready (shoes and uniform on) at least 20 minutes before the scheduled game time.

PARENTS:

1. The basketball court and gym during practices is for the team only – no siblings or friends are allowed on the court. Permits and the liability insurance MHA holds is only for registered members and not any other persons.
2. Parents will be allowed to watch practices, but please no communication with any player during practice. **Please note, there may be practices that are closed to parents and will be at the coaches' discretion.**

3. If you have a concern about your child's development, playing time, health issues, etc., please contact the coach separately to discuss outside of practice or a game day. Emotions can run high on game day so we will not discuss my decisions or the game any earlier than 24 hours after the conclusion of the tournament, meaning, in most cases, no earlier than the Monday evening.
4. Be respectful to the coaching staff and other players on the team.
5. Players will have even playing time until the 4th quarter. After that the best players will play. Tournament games may vary
6. Pick up kids on time; Message the TS coach if running late. 2nd occurrence will result in a fine

FCS Tax

Support Our Program with Your Tax Dollars

You have the power to direct your Georgia state tax dollars to support our students directly through the CIMSSO Tax Credit Program. This opportunity allows you to support education at no additional cost to you. Friendship Christian is requesting tax donations.

✓ Facts to Reassure You:

1. Use Your Tax Money Directly for Education

Instead of your state taxes going into a general fund, you can allocate them directly to our school.

2. No Extra Cost to You

As long as your pledge is equal to or below your Georgia tax liability, you won't pay anything extra out of pocket.

3. Direct Impact on Students

Your contribution will be used locally and visibly to enhance student learning and school programs.

Warnings to Keep in Mind:

1. Don't Over-Pledge

If you pledge more than your total Georgia tax liability, you'll owe the difference. Use last year's tax return or consult a tax professional to guide your pledge amount.

2. Document Everything

Keep your pledge confirmation and CIMSSO receipt for tax filing and accountability.

Deadline to Pledge:

Tax credits are capped statewide and are first-come, first-served. Apply as early as possible — ideally by January 1 each year.

How to Pledge:

1. Visit <https://www.ssoinc.org/how-it-works>
 2. Submit the application online
 3. Wait for Georgia DOR approval
 4. Make your payment to CIMSSO
 5. Receive your tax credit receipt for filing
-

Who Can Participate:

- Georgia residents who pay state income tax
 - Individuals, married couples filing jointly, or businesses (S-Corps, LLCs)
-

Real-Life Example:

If you owed \$1,200 in state taxes last year, you can pledge up to \$1,200 this year. When you file your taxes, you receive a dollar-for-dollar credit—as if you already paid it to the state.

All you need to do is

1. Fill out this form cicmssso.com/tax-credit
 2. Wait for your approval letter in the mail
 3. Pledge that amount within 60 days(don't pledge more than you get approved for)
 4. File your taxes and include this credit
