District Vision and Mission Statements

Mission

- **Ensure a safe and supportive learning environment, holding high expectations for student achievement, success, and civic responsibility. .**

Vision

- **Implement Systems of Support**
- **Establish a Collaborative Culture and Collective Efficacy**
- **Ensure a Focus on Results**

District Goals

Grades K-2: By June 2025, we will increase the percentage of students proficient in Literacy from 44% to **64%** or higher based upon the May 2025 K-2 ATLAS.

Grades 3-10: By June 2025, Searcy County School District will increase the percentage of students proficient in Literacy from **37%** to **49%** or higher based upon the 2025 end of year ATLAS summative assessment.

Grade 11: By the Spring of 2025, we will increase the 11th grade ACT Composite Score from 19.7 to 20.7

7-10 ELA 32% to 42%

4-6 ELA 42% to 54%

3 ELA 12% to 51%

Third grade ELA goal is based upon the beginning of year screener data and not the 2024 ATLAS summative results because the goal is based upon the current group of students. Second grade did not take the ATLAS. Baseline for third uses 2024 ATLAS results.

Leslie Intermediate School 2024-2025 Action Plan

LIS School Mission and Vision Statements

Mission: Leslie Intermediate School will ensure high expectations and support for every student and every staff member everyday to reach their full potential.

Vision: Leslie Intermediate School will ensure high expectations and support with focus on a growth mindset through continued collaboration

Data Analysis Narrative

Leslie Intermediate School serves a student population that is 94.1% White, 2.9% Hispanic or Latino, 0.6% Asian, 2.4% identifying as two or more races, and 0% African American. Of our 170 students, 52.9% are female and 47.1% are male. Notably, 79% of our students qualify for free or reduced-price lunch, indicating a high level of economic need. Additionally, 16% of our students receive special education services, and 5.9% are identified as Gifted and Talented.

Under the Arkansas Department of Education's new accountability formula, Leslie Intermediate School earned a total of 478.60 points, surpassing the state average of 415.84. As a result, our school's letter grade improved reflecting the continued efforts and commitment of our staff, students, and families toward academic growth and achievement.

We are proud to offer a variety of family engagement opportunities throughout the year, including Science Night, Literacy Night, Math Night, quarterly Awards Assemblies, grade-level Veterans Day Programs, the Mistletoe Mingle, and multiple field trips. Communication with families is frequent and multi-faceted, utilizing newsletters, emails, phone calls, text messages, face-to-face conferences, and written notes.

Our school is staffed by one principal, one dean of students, nine classroom teachers, one half-time counselor, one school nurse, two special education teachers, five paraprofessionals, one technology paraprofessional, one half-time librarian, one half-time physical education instructor, one half-time art teacher, one half-time music teacher, one school secretary, three therapists (speech, occupational, and physical) who provide services weekly, and one contracted prevention case manager. Together, this team works collaboratively to support the academic, behavioral, social, and emotional needs of all students at Leslie Intermediate School.

Leslie Intermediate School 2024-2025 Action Plan

Goals: Improve All Literacy in Reading, Writing, Science, Social Studies, and Mathematics performance by strengthening tier one instruction as we collaborate and share best practices. Improve the flow of RTI data through the use of PLCs

Data glows (what we are doing well)

Our summative test averages improved in reading and in math on the 2024 state test as compared to the year before. Our teacher growth scores were up significantly from the previous year. There are areas of improvement we will focus on for further improvement. We have designated 30 minutes of school wide tier 3 interventions, we also have time built in for teachers to utilize as tier 2 time. Teachers have their essential skills mapped out and have formative assessments built. Teachers have built pacing schedules that they will follow closely. We will continue to collaborate and research best practices to strengthen tier one instruction. Tier one time has increased in the schedule this year from 80 minutes to 100 minutes.
