Voter Registration Toolkit

Goal: Register 25,000 Black voters before the 2026 Midterm Election: ***Join the GroupMe***

The Mission

In response to the Supreme Court decision to gut Section 2 of the Voting Rights Act, we are launching a national campaign to register Black voters. We're meeting our people where they are, and making our voices too loud to ignore.

*Mail In Ballot Education

Our 8 Priority States

Alabama · North Carolina · Louisiana · Mississippi · Georgia · South Carolina · Tennessee · Texas.

These are the states most affected by the Supreme Court ruling, but also where the unregistered Black voter pool is large enough to change the outcome of key races. If you live in one of these states, now is the time to activate.

Not in one of these states? Recruit someone who is. Share the toolkit. Post the registration link. Amplification is activation.

Where We Show Up

We show up in spaces Black people already occupy - salons and barbershops, churches, trail rides Juneteenth celebrations, cookouts and block parties, and college campuses.

Your Three Jobs

1. **Ask first.** Ask the people in your life if they're registered to vote.
2. **Find a space.** Find a space in your city to show up and register voters. Post it in your state GroupMe.
3. **Recruit.** Recruit one more person. Share this toolkit. Drop the GroupMe link. Bring someone in.

Online: ncsbe.gov/registering · Paper: county Board of Elections · Check status: vt.ncsbe.gov/RegLkup

Watch: Pending bill H 127 would restrict third-party drives from distributing paper forms. NOT law yet. Monitor for updates.

Photo ID required at polls: NC driver's license, U.S. passport, military ID, or free voter ID from county Board of Elections.

LA — Louisiana

Registration deadline: October 5, 2026

⚠ ORG MUST REGISTER FIRST

⛔ **READ BEFORE ANY LOUISIANA DRIVE**

Louisiana law requires third-party organizations to register with the SoS before collecting paper forms. Penalty: up to $2,000 fine or up to two years imprisonment.

To register: Email outreach@sos.la.gov — submit the Voter Registration Drive Contact Form before any paper drives.

Easiest path — online-only drives: Louisiana law explicitly exempts online-only drives. Bring a tablet, let people register themselves at geauxvote.com — no org registration needed.

If collecting paper forms: submit to parish Registrar of Voters within 30 days.
Photo ID required at polls: LA driver's license, state ID, U.S. passport, or military ID.

MS Mississippi

Registration deadline: October 3, 2026 — EARLIEST DEADLINE

✓ OPEN — PAPER FORMS ONLY

OPEN — BUT NO ONLINE REGISTRATION IN MISSISSIPPI

Anyone can help. No restrictions. But Mississippi has no online voter registration — every person must fill out a paper form.

Always bring physical forms: Download at sos.ms.gov before every drive.

Submit completed forms to the local Circuit Clerk's office. Mississippi closes October 3 — the earliest of all 8 states. Start early.

Photo ID required at polls: MS driver's license, state ID, military ID, U.S. passport, or free MS Voter ID card from the circuit clerk.

GA Georgia

Registration deadline: October 5, 2026

⚠ ORG MUST REGISTER WITH SOS

CONFIRM ORG REGISTRATION BEFORE COLLECTING PAPER FORMS

Georgia requires third-party organizations to register with the Secretary of State before collecting paper forms. Confirm 92% Club is registered — contact Camille to verify before any Georgia paper drives.

Recommended approach — online-only drives: Bring a tablet, direct people to **registertovote.sos.ga.gov.** Online-only drives do not require org registration.

Check registration: mvp.sos.ga.gov

Photo ID required at polls: GA driver's license (can be expired), public university student ID, or government-issued photo ID.

SC South Carolina

Registration deadline: October 4, 2026

Anyone can help register voters. Submit completed paper forms to the State Election Commission or county voter registration office within one week.

Online: scvotes.gov · Check status: scvotes.gov/voter-registration-status

Watch: Pending bill H 3459 would require org registration and a 10-day submission window. NOT law yet.

Photo ID required at polls: SC driver's license, SC DMV ID, U.S. passport, military ID, or SC voter registration card with photo.

TN Tennessee

Registration deadline: October 5, 2026 — no same-day registration

READ BEFORE ANY TENNESSEE DRIVE

Paper forms collected at drives must be submitted to the county election commission within 15 days.

Complete the free SoS training first: sos.tn.gov/govotetn — it's quick and protects you.

Easiest path: Direct people to ovr.govote.tn.gov for online registration. No form submission rules apply.

Tennessee has NO same-day registration. October 5 deadline is firm. Start early.

Photo ID required at polls: TN driver's license, U.S. passport, government-issued photo ID, military ID, or TN handgun carry permit with photo.

TX Texas

Registration deadline: October 5, 2026

⛔ VDR CERTIFICATION REQUIRED

⛔ **MUST BE A CERTIFIED VOLUNTEER DEPUTY REGISTRAR (VDR) TO COLLECT FORMS IN TEXAS**

Texas law requires anyone collecting completed voter registration applications to be a certified VDR appointed by their county voter registrar. Collecting forms without certification is a Class C misdemeanor.

Texas online registration is NOT fully online — applicants must still print and mail the form. VDR certification is the only effective path for drive-based registration.

Your VDR certification is county-specific — you can only collect forms from voters in your county.

GET CERTIFIED BEFORE JUNETEENTH. Training is free, approximately 1 hour.

Step 2: Add them to their state GroupMe.

How to Secure a Juneteenth Table

Getting a voter registration table at a Juneteenth event is easier than you think. Most organizers welcome it.

1. **Find the event:** Find the biggest Juneteenth event in your city. Google "[your city] Juneteenth 2026." Check Facebook Events and Instagram.
2. **Find the organizer:** Find the organizer through the event's social media or venue website.
3. **Make the ask:** Make the ask: "I'm with the 92% Club — a national voter registration initiative. Can we set up a voter registration table at your event?"
4. **Cross-promote:** Offer to cross-promote: "We'll share your event with our network and tag you on social."
5. **Confirm:** Confirm in writing — even a text is fine. Get the date, arrival time, and where you'll be set up.
6. **Post it:** Post it in your state GroupMe when it's confirmed.

READ YOUR STATE'S RULES BEFORE YOU SHOW UP

Louisiana and Georgia require org pre-registration before collecting paper forms.

Texas requires VDR certification — get certified NOW if you haven't.

The online-only approach is the safest path in most states — bring a tablet, let people register themselves, and you're covered in AL, NC, MS, SC, and TN.
