

Country Profile Project:

My Country is:

Current Events Sites

Try using search words: “current events”, “2017 and 2018”, “source name”, “country name”

- [Newsela](#)
- [The New York Times](#)
- [Country Reports](#)
- [The Guardian](#)
- [BBC World News](#)

Source		
Information (notes)	Geography (physical, human)	Economics (resources, structures)
Analysis (What is the connection between human / physical systems and the economy?)		
Evaluation -Who created/runs it? -When was it created? -Is there an obvious bias? -Is it credible? How so/not?
