

Motivating our Children to Hear and Read about Krishna

Worksheet

What do your children say they want to have and/or to do? (You may need to ask them):

Identify the real, deep needs behind their surface needs:

My plan to show my children how hearing and reading about Krishna meets these deep needs in my own life (make sure you have all the elements of a well-formed plan: 1) stated in the positive 2) under your control 3) specific as to thoughts, feelings, and actions 4) specific as to time and place 5) in harmony with the rest of your life):

What negative influences do I have to eliminate and what is my well-formed plan to do so?

What is my plan for my children's (or family's) regular hearing and reading program?
